

Parent Portal – Viewing Report Cards

The parent portal provides multiple resources for school information: attendance, grades, missed assignments and report cards. Follow the steps below to view your student’s report card in just 2 clicks.

Note: this procedure is only valid for the parent portal on the internet via a computer or mobile. There is no way to view grades or report card, at this time, within the PowerSchool parent app.

1. In the left navigation menu click on the Menu item ‘Student Reports’
1a. Tip: If you aren’t seeing the menu below click on the arrows in the corner to un-hide the menu bar.
2. Select Elementary Report Card 21-22
3. Your child’s report card should open in a new tab or window, from here you can print and view previous report cards.
