Academy Update

It's been so lovely to see the children out and about in the woods and on class trips this week in the beautiful weather.

We are very sad to be saying goodbye to Mrs Atkinson this week. She is relocating out of East Sussex and undertaking new studying as a career move. Mrs Atkinson has made such a difference to so many children's lives in our academy and we will miss her very much but wish her well in her new adventure.

This week was British Science Week 2022 and we discovered how scientists work out the age of sharks. We then tried it out as a class, to see if it would work as well on humans. It turns out that some of our younger children are amongst the tallest in the class.

Hazelnuts enjoyed taking part in the NFU live science lesson this week. They learnt so many facts about mini beasts.

TERM 4 Week 4

Robins have been making healthy eating fun by creating healthy food art.

Beech Class have really enjoyed Science Week. They all liked the names Rose for the new calf and Bonnie for the new lamb.

We are all unbelievably proud to say that the training, resilience & determination of Robsack Wood football team led to amazing success at this year's Buckswood Football Tournament. They lifted the trophy as CHAMPIONS! Well done to all who took part..

Elm & Oak classes enjoyed a fantastic sunny day at Bedgebury Pinetum, learning lots about the amazing trees.

One of our pupils sold beautifully packaged sunflower seeds to raise money for Ukrainians who are being affected by the tragic events that are unfolding.

Thank you to all who bought some seeds.
