The Department of Physical Therapy at Wingate University invites applications for an annually renewable 12-month, continuing contract appointment at the rank of **Assistant/Associate Professor** (rank determined by preparation and academic experience) to join our team and support our entry-level curriculum. The ideal candidate will have a North Carolina license, or eligible, to practice physical therapy and has an earned terminal academic degree (PhD, EdD, DHS) in the field of physical therapy or related science, with experience teaching in a professional program. Responsibilities include teaching and team teaching in the entry-level doctor of physical therapy program, student advising, scholarship, clinical service in our pro bono clinic and service to the Department, University and surrounding communities. Preference will be given to those with a Sports Specialist Certification. **The faculty appointment is approved to begin August 15, 2022 with the application review process to begin immediately and continue until the position is filled.**

The mission of the Department of Physical Therapy at Wingate University is to provide an innovative, scholarly, learner-centered environment to cultivate exceptional, mindful, and impactful physical therapists who are leaders in, and committed to, interprofessional collaboration, global community engagement and professional formation. The Department is in an exciting time of collaborative curricular revision and increased community engagement. The innovative learner-centered DPT program at Wingate University has excellent student outcomes and strives to develop every student to their fullest potential.

The Department of Physical Therapy is housed in a newly-renovated state of the art space in the center of campus with easy access to the student center, library, athletic facilities and student services. Facilities include newly renovated classrooms, private faculty offices, instructional laboratories, student lounge and study centers, research labs and a 10-cadaver dissection lab. More program information can be found at www.dpt.wingate.edu.

Qualifications: The preferred candidate will have an earned terminal academic doctoral degree from a USDE-recognized regionally accredited university. All candidates must be eligible for physical therapy licensure in North Carolina, be a member of the American Physical Therapy Association, and demonstrate contemporary clinical expertise in teaching required areas of the curriculum. Prior history of scholarship is preferred.
