### **Crosswalk Update:**

Gina Hirst: UDOT coming today/tomorrow to do the crosswalk count. Brooke will make note of time they come to verify accuracy of data taken.

### **Digital Responsibility/STEAM Night (Thursday, April 28):**

Brooke Haag has secured 2 food trucks and a snow cone truck  
There are about 10 vendors secured including Troomi, Waterford, Mathnasium, Natural History Museum, Fire Department, and others

Brooke will contact Trevor – the schools STS specialist to see if he is willing to do a room.

ICAC presentation – People will rotate through, flyer will advertise presentation on the ½ hour. Incentive needed to attend. Community Council will run a room with the incentive.

### **School Improvement Plan (TJ)**

SMART Goal:

**\*Language Arts:**

Increase the number of students (K-6) middle of year Acadience Pathways by 3% to 68%.

LETRS training should help

**\*Math:**

RISE testing – last year 44% - Increase the end of year RISE test by 4% to 48%  
TJ is looking into something else (Forefront?) that will give us middle of year data. Maybe put that in the action steps to use for the next year to write a goal. He will put a proposal together and send to everybody to get feedback.

**Extra Funds:**

The district will pay for 18 classroom audio updates. Extra funds could be used to update remaining 8 rooms. That will cost about \$9,000. The sound system in the gym needs to be brought into compliance (new “UI” with 22 inputs + 3 handheld microphones) at a costs of around \$4000.

Community Council voted to approve use of \$13,000 extra funds for audio improvements. Julianne motioned and Robin seconded it. All present were in agreement.

TJ will let Community Council know when the proposal to use the funds are ready to be viewed and signed.

**Next Community Council Meeting will be held on Tuesday, April 19th**
