<p>Talked about recommended time-line to post on the webpage.</p>	<p>Julianne motioned for approval, TJ seconded, and all approved.</p>
<p>Re-cap on bathroom lighting and what to do in-case of emergency/ power outage. It was decided that we would attach a light in each bathroom in the school and the staff member closest to that bathroom will be in charge of activating the light when needed.</p>	<p>Sean in charge of contacting Walmart and Home Depot to see if they would donate the lights.</p>
<p>Re-cap on ICAC (Internet Crimes Against Children) We will have an event on Thursday April 28, 2022. More details to come. We discussed the safety apps for digital safety that we have in place, and discussed other apps that are available.</p>	
<p>Gina is looking into getting a flashing crosswalk for the main street crosswalk. She will follow up with the City and UDOT on how to go about this process. Julianne will write a letter asking for support to Mayor Wilkinson. Jen Christensen brought up the idea of a raised crosswalk option. She will get more information about this to give us more options to look at.</p>	
<p>We discussed the budget for the rest of the year. We talked about the need for updated projectors, intercom system, and sound system. We are looking at the funds we have available and will prioritize what is needed most.</p>	<p>The district may have funds to help with the audio system. We hope to know by April or May what we will be updating.</p>
<p>Next meeting will be held February 15, 2022 at 3:30</p>
