1. Welcome– Elissa Smith

a. Accept minutes from January meeting. Rebecca Cushing motioned and Heather Murri seconded the motion.

2. PTA representative minute – Allison Dodds

- a. Valentine’s Dance was a success. Behavior was good at the dance. Good turn out. Donated all proceeds to the LIA program at MJH.
- o Julie Fleming asked about getting the LIA students to come to Holbrook Elementary next year. Mr. Chapple asked Julie to email him with the request and he will look into it. Need to look at transportation and talk to Bountiful Elementary.
- b. White Ribbon Week – Making students aware of internet safety and being more aware of time spent on electronics.
- c. Assembly at BHS last night with Smith Alley.

3. Counselor’s Update – Emily Smith

- a. We will be handing out registration materials to future 8th and 9th graders during RAP on February 28th and March 1st and the 3rd and 4th.
- b. The 8th and 9th grade students will input their own registration requests through their DSD accounts during their science class on March 9th and 10th.
- c. March 8th – Career Day (Presentations on College, Job applications, Scholarships, FAFSA, Technical pathways, and will have an opportunity to participate in a mock job interview). There will be career speakers during RAP in April.
- d. March Madness – Teachers will celebrate the colleges they attended and tell them why they chose the path they took. Enjoy watching basketball at lunchtime in the library.
- e. March 20 – End of level testing begins

4. Budget Review – Brad Chapple

- a. Review expenditures to date in the Land Trust budget (see handout)
- b. Brittany Snyder has resigned. Her salary is still in the budget. Homework Club will have about \$3000 left. Received another grant that will pay for equipment, and they are letting us reallocate these funds.
- c. Went over spending by goal. See handout in Teams folder. Will talk to Mrs. Weideman about \$2000 for text books. Science teachers has STEM activities for an after school club that will use funds. Also received a grant from the state to help pay for other equipment.
- d. Will have action items for next month to reallocate.

5. School Improvement Plan Goal Presentation- Brad Chapple: Data drives our program

- a. SIP Goal #1: Millcreek students will demonstrate a 3% increase in proficiency in mathematics across all grade levels for the 2022-2023 academic school year. Measuring from SY2021 and improving for SY2023. (Math score to move from 46.3% to 49.3%) We are pulling data from district to find where we can grow specifically. Mr. Chapple will let the math teachers write the specific goal for next year. (Mr. Chapple addressed the reason why we are not a 5/5 school).
- b. SIP Goal #2: Increase the number of students in the class of 2026 that are on track to graduate by reducing the number of classes failed by 3% when compared to their 8th grade year. (Comparing like data)
- c. SIP Goal #3: Increase the number of students in the class of 2026 that are on track to graduate by reducing the number of classes failed by 3% when compared to their 8th grade year. (How are we teaching teachers to incorporate SEL into their classrooms)? Continue to support SEL by holding a daily schoolwide SEL moment in RAP classes daily.
- d. Reviewed employee survey for spending funds to support goals. Mr. Chapple is going to present this at faculty meeting and will have the results for the next meeting.
