## SUMMER FUN FILLED WITH EXPLORATION AND DISCOVERY

Welcome to PCDS Summer! Our mission is to immerse children into exploration and discovery in a safe and caring environment.

PCDS Summer extends the work that Park City Day School commits itself to by allowing students to gain confidence in their abilities, explore new things and take on challenges. Campers will strengthen their social emotional skills by playing with others and being mindful of their surroundings both on and off campus.

Please enjoy looking through the catalog.
