Activity

Students determine relationships among words by placing them on a continuum.

1. Place the sorting board and envelopes containing the word card sets at the center. Provide each student with a student sheet.
2. Taking turns, students open one of the envelopes, scatter cards, and place larger cards on either end of the sorting board (e.g., laugh, sob).
3. Read the other word cards. Talk about the words and what they mean to determine the order (e.g., giggle, chuckle, whimper, cry). Place on sorting board.
4. Record the information on the student sheet. Note: Each student can record four sets of words.
5. Continue until each student sheet is complete.
6. Teacher evaluation

Extensions and Adaptations

- ▶ Brainstorm other words that could be added to the envelopes.
- ▶ Write other words in order by degree on student sheet.
