St. Joseph High School Bring Your Own Device (BYOD)

Every student will be required to have a device designated for learning each day. Smartphones of any kind will not be recognized as acceptable educational device. Every device brought in to be used at St. Joseph must comply with our BYOD and acceptable use policies. Amazon Kindle tablets are not recommended. Please review the guidelines below to make sure your educational device complies with our BYOD recommendations:

Device	PC Laptops	Mac Laptops	Chromebooks	Tablets	iPad
Hardware	CPU – 2Ghz intel i5 or greater 8Gb RAM or greater 128 Gb Storage or greater Battery Life should be at least 6 hours	CPU – 2Ghz M1 or intel i5 greater 8Gb RAM or greater 128 Gb Storage or greater Battery Life should be at least 6 hours	CPU – 2Ghz or greater 4Gb RAM or greater 64 Gb Storage or greater Battery Life should be at least 6 hours	1.8 Ghz or greater 4Gb RAM or greater 64 Gb Storage of greater Battery Life should be at least 6 hours	A15-M1 chip or greater 4Gb RAM or greater 64 Gb Storage or greater Battery Life should be at least 6 hours
OS	Windows 10 + 64-bit minimum	MacOS Big Sur 11.6.5 minimum	ChromeOS	Windows 10 or Android OS	iPadOS 14 (minimum)
Accessories (Suggested)	Protective case/bag	Protective case/bag	Protective case/bag	Protective case/bag Physical Keyboard	Protective case/bag Physical Keyboard

Please Note: Microsoft Office or Office 365 will not be mandatory. G-Suite/Google Docs / Google Classroom will be the standard productivity package. Students are responsible for coming to school with fully charged devices. The battery life of devices should last the duration of the school day. The school will provide minimal charging stations in designated areas throughout the school. Students will also need to bring charging cables to charge at available stations.

St Joseph High School Acceptable Use Policy for Internet and Network Access

- All use of the Internet and school work must be in support of education and research and consistent with the purposes of St. Joseph High School.
- Any use of the Internet and network to facilitate illegal activity is prohibited.
- Use of the network for non-work-related communication (e- mail, chat) is permitted only with on-site teacher permission and supervision.
- Users shall not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users or misrepresent other users.
- Accounts are to be used only by the authorized owner of the account for the authorized purpose of academia and research.
- All communications and information accessible via the network should be assumed to be private property. No trespassing in other's folders, work or files.
- Network use shall not disrupt use by others; hardware or software shall not be damaged, modified, or abused in any way.
- Malicious use of the network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited.
- Hate mail, harassment, threatening material, discriminatory remarks, insulting or obscene language and other anti-social behaviors are prohibited.
- The illegal installation or downloading of copyrighted software is prohibited.
- Use of the network to access, send or display obscene or pornographic material is prohibited.
- Use of the network to transmit material likely to be offensive or objectionable to the recipients is prohibited.
- Use of the network for commercial purposes is prohibited.
- All utilization of Internet and Intranet usage is logged and audited, while respecting the privacy of user accounts.
- St. Joseph High School reserves the right to deny access to the Internet/Intranet and ban devices not appropriate for campus usage.
- St. Joseph High School will enact appropriate disciplinary sanctions for serious violations of the above policies. Be aware that misuse of computer resources may result in criminal prosecution.

Please note that the Internet and Network Acceptable Use Policy are in the Student Handbook (Pages 19-23) and must be signed. Please contact Mr. David Lasecki, Director of Technology with any questions at dlasecki@sjcadets.org.
