

Eagle Vision News – March 22nd, 2022

Centerville Families,

This has been a school year filled with changes and challenges, discoveries, and disappointments. We are in the final three months of the school year, heading into fourth term; and I am looking forward to finishing strong and getting ready for the 2022-23 school year.

Our teachers and students are committed to taking teaching and learning seriously. One of my favorite mantras is to work hard and play hard. I challenge our students to study hard, work hard, play harder. When you are fulfilling your own dreams, go at it with both hands. To me this means that when you are at school, put all your energy into the subject you are learning about. It also means to leave some time and energy to play and explore all your possibilities. Dreams are fulfilled when you use the tools at your disposal and work hard to make them happen. So, as we move forward into fourth term, let's work hard and play hard.

Here are a few items of business that may be of interest:

- The district has added 2 additional early out days to the ones formerly scheduled. Mark your calendars: On March 28 and April 18, both Mondays, we will excuse our students according to the early out schedule.
- Our school play: Mary Poppins Jr. will go live next week. Tickets for the play are being sold in the office during normal office hours and are \$4 a ticket. The students are working hard and encourage you to come watch these students perform
- Our students have been offered the opportunity to join the Viewmont cast in performing the song "Poor Pirates." The link to sign up is in the article below.
- The **Annual Gala** hosted by Davis School District is just around the corner. Every year the funds earned from the Gala are used to help our schools. We have been charged with collecting donations for a Gala Basket. Our theme is "The Sequel." We would consider all donations but are particularly looking for items regarding **a night out.** Donations are due by April 12. If you own a business and/or would be willing to donate for this basket, please contact the school office.

Our PTA is providing some great activities to help us learn about Health and Wellness this week. I want to thank them in advance for all their hard work and effort to help our students feel well and do well. My goal for the week: "Stay strong! Stay positive! And stay healthy!"

Mr. Holmes

SpongeBob Musical at Viewmont

In the past few years, we loved having elementary school children join us on stage for a song in our productions of *Matilda* and *Peter Pan* at Viewmont. Viewmont is excited to invite you to participate this year in the song "Poor Pirates" as we present *The SpongeBob Musical!* Performances are April 28 - May 2nd, and the song and choreography are super simple to learn ahead of time. Anyone who is interested in joining us (3rd to 7th grade) can find more information and sign up here:

<https://forms.gle/PqX2qs97Kpsr5vaJ9>

While your choice of dates to participate is open, we would like to see as many faces from Centerville Elementary as possible on April 28th. Hope to see you there!

Class Placement for 2022-2023

Can you believe that we are thinking about next year already? In the next couple of months, classroom teachers and special education teachers will be instrumental in providing feedback on the placement of our students into next year's classrooms. If you would like to provide additional information about your student that the current classroom teacher may be unaware of, please fill out the attached Classroom Placement Form OR stop by the office and grab a paper copy of the form. Forms are due April 8, 2022. We appreciate your patience and support as we professionally place each child. Our goal is to ensure that each student's needs are addressed so that they can have a successful school year here at Centerville Elementary School.

Kindergarten Roundup

Our Kindergarten Roundup Open House is going to be April 15 between 1:45 - 4 p.m. for students turning 5 by September 1, 2022.

- Packets can be picked up in the office any time prior to that time or at the event.
- Registration can take place at the school during that time and/or completed packets may be turned in.
- Future Kindergarten students (and parents) may attend
- When registering your child, parents should plan to bring their picture ID, 2 proof of residency documents, an original birth certificate and immunization records for their child and plan to turn in the registration packet.
