October meeting minutes reviewed

Vote: Blanco approved; Tiano seconded; all voted in favor.

Do not have a quorum to approve updated Crossroads expenditures.

Do not have a quorum to approve updated Bridgepoint expenditures.

Ms. Calderon led the Safety Plan review:

Major change was adding Covid protocols

Same template used by district with particulars tweaked to fit particular school

Protocols just changed yesterday and they will be added

New program at BP:

Students give the option of doing counseling instead of suspension for minor drug offenses.

All "offenders" have opted for counseling option

Second offender chose suspension

Discipline has been slower

Expulsion and suspension data:

BP has always had more than CR

Good data from district

Calderon shared a chart from the district that included discipline stats

Alt Ed has relatively smaller number of suspensions than NMHS

Huge drop in discipline because of distance learning

Working hard to make this campus a safe place for students

No questions or areas of concern from the group

Tiano: brought up speed bumps (due to people driving very fast through the parking lot)

Calderon: agreed that the parking lot can be treacherous at times

Calderon attempted to locate at least one other absent member in order to initiate quorum.

Calderon suggested rescheduling for February 1 at 3:30

Ms. Smith joined the meeting at 4:06
Quorum reached
