Coachella Valley HS Highlights

It's Great To Be An Arab!

Week of March 14, 2022

A Message From Your Administration

Light At The End of the Tunnel

Say goodbye to the 3rd Quarter and say Hello to the final portion of the academic year! The 4th Quarter is upon us so it's time to dig deep and get the momentum to finish the race, especially The Senior Class of 2022. We know you are all capable and have the resources to succeed. We are proud to be Mighty Arabs and so should you!

REPORTING ABSENCES

Parents now have 2 options in order to report a student absence:

- 1. Call in to the school Attendance Office: 760-862-1811
- 2. Use the Report an Absence Link: https://forms.gle/9AxPsU55k8xqww1U7

Be sure to include the following information:

- Date of Absence
- Students first and last name
- Date of Birth
- Student ID #
- Grade Level
- Who is calling: mother, father, legal guardian
- Reason for absence

Assessments & Technology

CAST

Seniors, your final state exam is happening this coming week. All Seniors will be taking the CAST-Science test starting Tuesday 3/22/22. Please bring all of your technology equipment, iPad, headphones, and charger everyday to ensure success. Get plenty of rest and nutrition to help with your concentration and endurance. Happy Testing!

HIGHLIGHT - CTE ACADEMIES AND PATHWAYS

Health Academy

Mind Matters Student group reflection: We are happy and honored to have been part of the Spring Health Fair. We would like to see more health fairs during the school year as it was a great opportunity for students to learn about different mental and physical health topics that are important to maintaining optimal well-being. As students involved in this activity, we were delighted to have been able to expose our peers to access to materials that provide information about a variety of topics such as Healthy Relationships, Stress and Anxiety reduction, the perils of drinking and driving and how to do chest compressions in CPR. At the end of the day, we felt a feeling of satisfaction on the positive impact we had on our peers and providing a positive event for our campus.

What do you think?

Survey Says.....

Here are the results of the post health fair survey in which students were asked: *What was your favorite thing about the Health Fair?* (The larger the word the more times it was repeated in a student answer.)

2nd Chances

If any of your students were not successful in any of their classes in the first semester, they may immediately enroll in our after school program to recover those credits before the end of the school year. Have them stop by the ASB or Counseling Office to pick up an application.

STUDENT ACTIVITES

Prom Info

CVHS Prom will be held on April 30. Prom tickets are now on sale from March 14-March 25 for \$75 w/ASB and \$80 w/out. Tickets are sold in the ASB office.

Athletics

Big Time Winners

Tennis BNP Paribas Scholarship Winners

Four students were selected to receive a scholarship from the BNP Paribas Tennis Tournament organizers and it was an amazing experience to witness. The four students are Lydia Rodriguez, Samantha Campos, Justin Garnica and Fernando Ruiz-Chavez. Great job representing the best that CVHS has to offer.

Sports Updates

Baseball

The varsity boys Baseball team secured a big win over Yucca Valley this past Tuesday by a score of 14-6. They look to go for the series sweep this Friday afternoon at 3pm here at CVHS. Good luck.

Softball

The girls Softball team dominated once again this past Tuesday up in the high desert against Yucca Valley by a score of 18-0. They got off to a hot start, scoring 8 runs in the 1st inning. They are also looking for the series sweep Friday at CVHS. Good luck girls.

Put on your track shoes and

Boys/Girls Track & Field

Both the boys and girls Track and Field teams were victorious this past Thursday as they went into competition against a very game ready Cathedral City team. There was definitely a feel in the air that the DVL Championship may have been up for grabs to the team that won this contest and our Mighty Arabs went into The Lion's Den (CCHS Stadium name) and came out with the huge WIN. Great job to all the student athletes on the team and continue to make CVHS proud.

Dive on In

Boys & Girls Swimming

The swim team took a short trip up the I-10 to take on the Cathedral City swim team. Our girls team put up a valiant effort but came up short in the loss. But, our boys team came out with the tight victory of 76-74. Jaydan Chau and Arturo Lugo qualified for CIF in their respective events as well as the boys 200 Relay. Good job guys.

Student Activities

Oh Snap!

CVHS HOSA Community awareness team was published in Desert Health magazine showcasing their "Snap Your Way to Being OK!" Mental health resource campaign.

Sharing Student M...

deserthealthnews.com

Online learning during the pandemic fueled the rise in mental illness. As behavioral health students in the Health Academy at Coachella Valley High School, we knew that we were negatively impacted by the pandemic and three out of the four of us felt that our abilities faltered through online learning.

History/Social Sciences

Gaining Wisdom

<u>CVHS students participated and gained important incite at the Desert Town Hall-3-14-22</u> Our CVHS students participated in the Desert Town Hall earlier this week on Monday. The Desert Town Hall is the pre-eminent speaker series in the country. It features world class speakers, intellectual content, and youth education to the Coachella Valley. The series offers four different programs each year from January to April.

As part of the Desert Town Hall our CVHS students enjoyed a night with Ron & Clint Howard on Monday night. Ron Howard has had a long, successful, and prominent career as an actor, producer, and director. His most noteworthy films include American Graffiti, Apollo 13, How the Grinch Stole Christmas, A Beautiful Mind, Cinderella Man, The Da Vinci Code, Frost/Nixon, Solo: A Star Wars Story and many others. Clint Howard has had a long career as a character actor. Our students asked pertinent questions and were the largest contingent of students that attended the event. Our CVHS students gained important insight on what it takes to succeed and be pro-active in the entertainment field.
