

Coachella Valley HS Highlights

It's Great To Be An Arab!

Week of February 14, 2022

A Message From Your Administration

Prepping for Tomorrow

Hello CVHS Family! As we continue into mid-quarter, we are looking and planning ahead for next school year. We had our CTE Academy's recruitment, PE and Club Rushes. There's many activities and clubs to get involved with here. Please encourage your students to join something of interest to them or start something new. It will enhance their academic journey in a positive way!

REPORTING ABSENCES

Parents now have 2 options in order to report a student absence:

1. Call in to the school Attendance Office: 760-862-1811
2. Use the Report an Absence Link: <https://forms.gle/9AxPsU55k8xqww1U7>

Be sure to include the following information:

- Date of Absence
- Students first and last name
- Date of Birth
- Student ID #
- Grade Level
- Who is calling: mother, father, legal guardian
- Reason for absence

TEACHER FEATURE

There's \$ to be had

Counseling News: On Thurs. 02.17.2022 C.O.D. and CVHS Counselors hosted a FAFSA Financial Aid night in the Library. Teacher Chao, Migrant Official Lydia Rodriguez were in attendance in addition to District Personnel Lindsey Rue and CV Administrators Socorro Sanchez and Elizabeth Sotelo.

Assessments & Technology

ELPAC

The ELPAC continues all this week. There are 4 Domains to be assessed: Reading, Listening, Writing, Speaking. Please have your student bring their District Assigned iPads, chargers, and headphones/mic, for the testing to be completely successful. Please have them get plenty of rest and nutrition to keep them alert to do their best!

HIGHLIGHT - CTE ACADEMIES AND PATHWAYS

YOU MATTER-YWEC

This week our club provided a lunch activity called "What makes you feel Loved?" YWEC continues to focus on healthy relationships for the month of February. Students were given a heart to write what

brings joy to them and makes them feel special. We had a great turn out and had many students come by and take part in this activity.

2nd Chances

If any of your students were not successful in any of their classes in the first semester, they may immediately enroll in our after school program to recover those credits before the end of the school year. Have them stop by the ASB or Counseling Office to pick up an application.

Athletics

So Close....

Athletics

Hello from the Athletics Department. I said that I would update you all with the scores from last week and this week so here goes. Game one for the boys varsity soccer team was a great night for all involved as they went on to win that contest 4-1. In game two (2-15-22) they battled until the very last minute in regulation but couldn't overcome a late goal by Cate HS from Santa Barbara CA. They absolutely battled and clawed and left everything on that field with great shots on goal but just couldn't find the back of the net. The Athletics Department is very happy with the efforts of all those involved, athletes and coaches.

Another Close One

This past Saturday 2-12-22) the Lady Arabs soccer team also put on a great display of soccer in their first round matchup against Barstow HS. They went on to win that match 4-1. In their second round matchup on Thursday they made the drive up to face Walnut HS on a frigid night. They demonstrated what true teamwork is all about, with grit and determination that was on full display the entire contest. Unfortunately a late goal brought their season to an end but this season shouldn't be thought of as a total loss but a learning experience as to what it is going to take to get above that hurdle and come back even harder and more motivated next year. Great job girls and also to all the coaches!
