A Message From Your Administration

Starting Back

Welcome back to 2nd semester. As we move forward with the year we want to thank all of our families for continually supporting our students and our school. We encourage our parents to get involved through our School Site Council, JAVA with the Admin, ELAC, Parent Boosters, and many other parent opportunities. Please look for these events and activities in our weekly newsletter and on the school website.

We continue to monitor the health and safety of our students on a daily basis. Please remind your students to wear their masks daily, wash their hands frequently and if they are showing any symptoms to please remain at home.

TEACHER FEATURE

Homegrown Educator

Highlight on Ms. Josefina Ortiz. CVHS has welcomed its newest faculty member to our English Department. Ms. Ortiz is not only a teacher, but is a proud alumna with a long family history with CVHS. Ms. Ortiz was a member of the school choir, performed in many theatrical productions, in addition to being an active member of the school's ASB and Link Crew programs. She is now joining us as a teacher and assistant cheer coach.
