OIS Head of School Comments

To the KG Assessment Office,

At this time, OIS is in the process of carrying out its WASC-IB Self Study. This is a process that takes place every 5 years and it takes a full year to complete. It involves all stakeholders in reflecting on and evaluating our progress since the last full accreditation in 2018. At this time, the process is on schedule and all full time OIS faculty have been working on it together.

OIS is submitting the following documents for your review:

OIS Medium Term Plan:

The medium term plan has been updated for the end of the 2021FY and reflects the views of myself and Mr Mecklem regarding our current progress and prospects for the future.

OIS WASC Action Plans 2021-23:

The OIS WASC Action Plans give details of progress in relation to the four 'critical growth needs' identified by WASC in our last full accreditation in 2018 and confirmed in our 2021 Mid Cycle Visit. Progress is generally on track in most areas.

OIS WASC-IB Self Study Timeline 2022

This timeline document shows how OIS is carrying out the Self Study process and the dates for each stage. The report will be finalised in November, after which it will be shared with KG.

Yours sincerely,

Myles Jackson - Head of School, Osaka International School
