Thank you, Maintenance Department!

Before

After

The Breathitt County Maintenance Department has been working to construct a new retaining wall behind the Breathitt High School Coliseum. This new and improved wall will add to the aesthetics of the area as well as providing a much-needed safety improvement. The Breathitt County Maintenance Department staff members are always looking for ways to improve and support our facilities for our students, staff, and community. This project is a testament to their work ethic and knowledge. A big thank you to Jeff Patrick, Ricky Molands, and Greg Noble for their efforts each day!
