

ANTHONY WAYNE AND CARE-A-LOT EARLY CHILDHOOD CENTER PRESCHOOL AND/OR  
EXTENDED CARE APPLICATION

**Thank you for applying for preschool services at Anthony Wayne and Care-A-Lot Early Childhood Center. We offer various programs to assist families in obtaining quality child care and preschool experiences for their children 3 years to 5 years old. We also offer free special education services for preschool children.**

**We are operated primarily through federal and state funding. To receive the funds, we are required to collect information regarding our students. We are also required to provide a sliding fee scale for tuition charged to families based upon the total gross income and the number of family members. This scale allows for families that are below 200% of the Federal Poverty Level to pay a lower tuition.**

**Please complete a separate application for each child you would like to enroll into the program.**

**Once your application is received, you will be contacted to offer your child a space in the preschool program (if there is space available) or offer to place your child on our waiting list. There is a \$30. non-refundable registration fee to be paid at the time enrollment papers are given to the school office.**
