

Important information regarding pupil transportation service levels

Legal basis: (references from RC 3327.01 and OAC 3301-83-01 G1a)

- Transportation shall be provided for all resident school pupils in grades K-8 who live more than two miles from the school to which they are assigned by the board of education of the district of residence.

Funding:

- Funding is provided for all eligible students transported over 1 mile from school.

Issues:

- The 'eligibility distance' from school is not the same as saying that it is safe to walk that distance. Parents must make that assessment for their own students.

Parental Issues:

- While transportation is provided for some students, parental responsibility is still continued until the child is under the district's supervision (on the bus).
