Team Up With Us!!

Good Luck to all LAKE Teams!!

2019 Lake Graduate Derek Gullett will Attend Curtis Institute of Music

What happened between fifth grade and Derek's senior year? "He took what we gave, and went to the next step," said Derek's fifth grade band director and Lake Music Director Rich Kibler. "It's quite an accomplishment. He is the third Lake student in less than four years who has been accepted into a major school of music." (The other recent Lake graduates pursuing similar musical paths are Alex Prokop, (2016), trumpet, and Jacob Prokop (2016), trombone, who are attending The New England Conservatory of Music.)

Derek's improvement was greatly influenced by Kibler. "He's so invested in all his students. From middle school to now, that mentality rubbed off on me and inspired me to do this as a career. Mr. Kibler sees every student as his own, and gives so much of himself," the senior began. "Lake has one of the best music programs. We have very good leaders."

By his freshman year, because of his continuing improvement and passion for playing, he told his parents, Mandy and Chris, that he wanted to become a professional trombonist. "They said 'what do you mean?' They thought I was going into chemistry."

"Derek was always interested in science in his earlier years. He enjoyed his science classes and teachers. In middle school he thought of going into biochemical engineering. Once Derek discovered band and the trombone, he became so passionate about music that he headed in a new direction," explained Mrs. Gullett.

His parents provided Derek with additional private lessons during his freshman year. He first studied with Assistant Professor of Trombone Jim Albrecht at The University of Akron for two full years, followed by lessons with Baldwin Wallace instructor and Cleveland Orchestra trombonist Richard Stout. Lessons with Stout started midway through Derek's junior year, and are still ongoing.

"Chris and I could see and hear the difference private lessons were making in his ability to play, as well as his confidence. We knew that we must continue this path to help him with his goal of becoming an orchestra musician," Derek's mother added.

In addition, through the year Derek has participated in countless school and regional bands and orchestras to hone his musicianship. He currently plays for the Cleveland Orchestra Youth Orchestra, which will be traveling overseas this summer on tour to perform in Vienna, Budapest, Linz, and Bratislava.

During his Curtis audition in early April, Derek completed a pre-screening (submitting a video-taped recording of himself playing) in order to make the first cut to be among the top 100 applicants. He next completed live auditions to make the cut to 20 people, then from 20 to 6 people, before his final live audition

to be one of the final two applicants chosen.

During this final live audition, Derek performed the *Trombone Concerto* by Launy Grondahl. "I thought to myself 'I've got to show them they want me.' I felt that was the best audition of my life. I really focused on being calm."

Chris Gullett, Derek's father, accompanied Derek to Curtis, and to three other top music schools where he applied and completed live auditions. He was accepted by each school: last November from the Baldwin Wallace Conservatory of Music; and this past March, from the Manhattan School of Music in New York City, and the New England Conservatory of Music in Boston.

"Believe me when I say that I was more nervous at his auditions than Derek was. At Curtis, my heart was pounding like crazy during his auditions there, as I knew how important an opportunity it would be for him to get into such a prestigious music school," said Gullett.

Next fall, Derek will start his studies at Curtis. He is currently taking piano lessons to prepare for his college studies. He ultimately wants to play for a major U.S. professional orchestra, earn his graduate degree in trombone, and teach and perform at the university level.

At the Curtis Institute of Music in Philadelphia.

"I, along with the other band directors Jared Cooley, Mark Tryon and Joshua Laux, are extremely proud of Derek and his accomplishment of being accepted into the very prestigious Curtis Institute of Music. Given his sincere passion for music, outstanding work ethic, and his desire to one day perform in one of our country's top five orchestras, we are confident that he will achieve this goal. We have sincerely appreciated his musical and leadership contributions to the Lake band program. Derek is very fortunate to have parents such as Chris and Mandy Gullett, who with words of encouragement and financial support, have helped him to realize his musical dream," said Kibler.

Derek Gullett at a Glance	
Age.....	18
Primary instrument.....	tenor trombone
Secondary instruments.....	alto trombone, euphonium
Parents.....	Chris and Mandy Gullett
Siblings	Ethan (sophomore) and Drew (seventh grade)

2019 Lake senior Derek Gullett remembers one moment from his past that directly impacted his immediate plans to attend the Curtis Institute of Music: joining the Lake Band program in fifth grade.

"I thought the trombone was cool looking – it was fun to move my arm. That's how the rest of my life started," recalled the quiet spoken senior.

Derek said it was not a smooth start playing the instrument. "I was not good."

Fast forward to mid April, 2019: after submitting a recorded performance and completing three rigorous live auditions, Derek accepted a four-year offer, tuition free, to attend the renowned Curtis Institute of Music in Philadelphia.

He, and a 17-year-old from Portugal, were selected from a field of 100 applicants to fill only two open trombonist positions at Curtis, one of the most selective music schools in the world. It currently accepts only three percent of its applicants.

Curtis is also unique in that it offers tuition-free opportunities to only 175 students in its total enrollment. Talent and artistic promise are the main criteria for selection, and a "learn by doing" approach is used by the faculty, including many that are active, performing musicians.

Vaccines Required for Incoming Seventh Graders and Seniors

Parents – remember that before school starts in August 2019, meningitis and TDaP vaccines are required for Incoming seventh graders, and a meningitis vaccine is required for Incoming seniors.

All students entering twelfth grade are required by Ohio school law to show proof of the following immunizations before starting school.:

- **Meningococcal (A, C, Y, W-135)** vaccine (to protect against Meningitis)
- (If your student received a Meningitis (A, C, Y, W-135) vaccine before the age of 16 years, a second dose is required for school attendance in twelfth grade.)
- (If your student will be receiving the first dose of Meningitis (A, C, Y, W-135) vaccine and is now 16 years of age or older, only one dose is required for school attendance in twelfth grade.)

Any senior student who has not had the required Meningitis (A, C, Y, W-135) vaccination will not be permitted to attend school until proof of this immunization has been received by the school.

The Meningitis (A, C, Y, W-135) shot can be obtained at any time from now until the first day of twelfth grade. We encourage you to contact your Primary Care Physician, pharmacy, urgent care center, or your local Health Department for an appointment. The Stark County Health Department phone number is (330)-493-9914.

Also, **all students entering seventh grade** are also required by Ohio school law to show proof of the following immunizations before starting school.:

- TDaP vaccine (to protect from Tetanus, Diphtheria and Pertussis)
- Meningococcal (A, C, Y, W-135) vaccine (to protect from Meningitis)

Any seventh grade student who has not had TDaP and Meningitis (A, C, Y, W-135) vaccinations will not be permitted to attend school until proof of these immunizations have been received by the school.

NOTE: Incoming seniors and seventh graders who present a written statement of the pupil's parent or guardian in which the parent or guardian declines to have the pupil immunized for reasons of conscience, including religious convictions, is not required to be immunized. (Ohio Revised Code section 3313.67.)

Don't wait! Clinics tend to become very busy toward the end of summer, causing a delay in immunization which could result in exclusion from school.

As soon as these required immunizations are obtained, please provide a copy of your child's complete shot record, including the TDaP and Meningitis vaccination dates, to the school clinic so your student's record can be updated.

If you have questions, please contact School Nurse Therese Gilbert at 330-877-7532, or via e-mail at gilberttherese@lakelocal.org. Thank you for helping to protect the health of our students.

Her Bake Sale Benefits Stuttering Foundation

Emily, a student completing seventh grade at Lake Middle High School, conducted a bake sale fundraiser earlier this year benefiting the Stuttering Foundation. Emily shared her story of her efforts with the Stuttering Foundation staff, who published it in their summer 2019 issue. Congratulations to Emily for being a young advocate and taking action!

Third Grade Learns About Habitats, Lake Township, Community

During the past few months in third grade, we studied and read books about habitats, Lake Township history, and our local community. We took two field trips that were related to science and social studies. First, we traveled to Walsh University with Professor Jennifer Clevinger and her college students to learn about habitats, insects, animal tracks, and parts of a flower. We also walked around Hartville to learn and experience the history of our community. These were both great “hands-on” experiences that enriched our learning!

Learning About James Rizzi in Fourth Grade

Fourth grade students in Joni Susa and Jamie Stegner’s classes enjoyed the whimsical, cartoonish style of artist James Rizzi. Rizzi was an American artist born in 1950 in Brooklyn, NY, who later studied art in Florida, where he started experimenting with printing, painting and sculpting. Rizzi’s work often exhibited his love for his birthplace, New York City. His paintings appear childishly naive, with bright colors and zany, brilliant patterns and designs. Fourth-grade artists brilliantly demonstrated this lively style by inventing a composition that expresses positivity and fun, light-hearted emotion. The project was finished using watercolor, crayola marker, and crayon.

Learning about Henri Matisse in Sixth Grade Art

Jamie Stegner and Joni Susa’s sixth-grade artists examined the color-packed, pattern-filled paintings and collage work of famous artist, Henri Matisse. Students marveled at his extensive use of pattern, and the cheerful liveliness of his paintings. Students experimented with form (3-D shapes), depth (through overlapping), as well as the elements of art (value, space, shape, line), and principles of design (repetition, variety, focal point) to add a splash of unique patterns to their final composition.

Fourth Grade Completes a Pillowcase Project!

Teresa Greenlief and Carrie Shultz, two staff members from the American Red Cross, visited Lake Elementary to teach our fourth graders about being prepared in a home fire and/or flood.

“The Pillowcase Project” is a national youth preparedness program that increases youth awareness of different hazards that may happen at home. The program increases coping skills to manage emergencies, and increases overall household preparedness. The students gained confidence

*Tessa Stropoli and AJ Mitchell
show off their
Pillowcase Project workbooks!*

in their abilities to be prepared, and to make

quick, accurate decisions in a fire or flood emergency. Each student was given a large pillowcase to decorate and take home to use as their own emergency preparedness kit.

The Pillowcase Project was created by the American Red Cross Southeast Louisiana Chapter and implemented in New Orleans schools following Hurricane Katrina in 2005.

*Mrs. Conn’s and Mrs. Nash’s fourth grade classes
decorate their pillowcases.*

SAVE THE DATE

Dear Lake Elementary Families,

As we prepare to begin the 2019-2020 Lake Elementary School Year, we wanted to share a very important date. To allow everyone ample parking and access to the building, we have set our “Meet the Teacher” night for August 15th with staggered times for each grade.

August 15, 2019

2 nd grade	4:00 – 6:00 pm
3 rd & 4 th grade	5:30 – 7:30 pm
5 th & 6 th grade	6:30 – 8:30 pm

During this time, students and parents will have access to the building and receive teacher placements. Final Forms must be updated prior to receiving your child’s teacher placement on this date. Please access Final Forms at <https://lakeuniontown-oh.finalforms.com/>. Have a wonderful and safe summer!

Mrs. Bruner
Principal

Mrs. Lyberger
Asst. Principal

Mr. Booth
Asst. Principal

A Great Year of Music at Lake Elementary (con't from p. 6)

As another school year ends, it is helpful to reflect on and recognize the success of our Lake Elementary music program. The fifth and sixth grade band, choir, and orchestra completed their Spring concerts in front of packed crowds. All the music directors are extremely proud of the hard work, dedication, and practice that students put in all year long. Each student has made significant growth through singing or playing their instrument.

The new Lake Elementary building has allowed the music teachers to integrate various technology tools throughout each lesson and curriculum. From general music classes to large group ensembles, the ability to use this type of technology has been tremendous. The use of interactive boards have been beneficial in incorporating song composition, sight-singing, sight-reading, and note recognition activities.

Through a grant from the Martha Holden Jennings Foundation, students in the cross-categorical classroom worked with a music therapist several times throughout the school year. During each 50-minute session, students interacted through song, dance, and playing of various musical instruments. Students composed their own songs and improvised various melodies. Instruments such as the cabasa, guitar, tambourine, bongos, and gathering drum were heard throughout the halls of Lake Elementary.

We wish all of you a wonderful summer and we'll see you in August!

Learning Adventures in Kindergarten

This year has come to an end! It has been filled with adventure, learning, and many memories, including starting off kindergarten at the middle school and ending at our newly renovated Lake Primary. One of the students' favorite aspects of Lake Primary is our *new playground*. The students love the equipment, basketball hoops, and chalk area!

As we prepare for summer we have been learning about ways to stay safe! Our resource officer, Officer Lattea, presented lessons to many classes about bicycle safety.

Besides learning to read and do basic addition, kindergarteners also have had the wonderful opportunity to work with ROBOTIC CUBELETS. They are able to explore and problem solve through different challenges. They absolutely love working with the robots and sharing what they design!

We've had an ABC countdown to make the end of the year exciting. Some fun examples were: Letter **J** -share a **joke** with the class, and Letter **N** -pick a new **name** for the day. The students can't wait each day to celebrate with a special activity.

At the end of May we celebrated the letter **W** -by **walking** around the Akron zoo!

Mrs. Nalepa's class loved learning about bike safety from the Aultman volunteers!

First grade: Bike Safety, Animal Study, Mother's Day

The Aultman Foundation visited our first grade classrooms to teach the children about bike safety. Each student was presented with a bike helmet to take home. Thank you Aultman Hospital! We love the bike helmets!

The students did a research report on a wild animal and were able to present their animal and its habitat in a variety of ways. Students enjoyed showing their knowledge and creativity through shoe box habitats and/or posters. In Art class, they created their animal out of clay. Thank you Mrs. Hockenberry! The first graders really enjoyed learning about the different animals!

The first graders also attended the play Charlotte's Web at Barberton Magical Theatre Company. The first graders were an excellent audience and thoroughly enjoyed the performance.

The students rounded out the month of May with special Mother's Day activities. After planting flowers in decorated pots, the students presented these gifts to their mothers at our annual Mother's Day Play! Students prepared songs and speaking parts to honor their mothers on this special day. Mothers and grandmothers alike thoroughly enjoyed the students' performance!

Lake Middle/High School Update

This summer, construction will move into the final phases of work for the two-and-a-half-year transformation of Lake's Middle/High School campus. The gymnasium addition is nearly finished, with final flooring and bleacher installation being completed in the coming weeks. New classroom flooring has been installed throughout the building, and renovation of the central science wing will continue through the summer. Science classroom upgrades include new HVAC, electric, ceilings, and paint. This summer you will also see the start of a separate, small addition to the Lake YMCA. The 9,000-square-foot addition to the north side of the community complex will be complete by the end of the year.

The new middle/high school main entrance, located on the east side (Market Avenue) of campus will also see changes this summer. This includes six-foot tall aluminum signage that has been installed on the east wall of the gymnasium addition. Workers will also install the final drives and parking lot configurations for students and visitors to access this entrance. Beginning next school year, the east side of the building will become the permanent main entry point for the building.

Demolition and removal of the vacated middle school building was also completed during the spring. A new 110-space parking lot will be installed this summer in the footprint of the old middle school building. Additional parking lot improvements will occur on the west side of the building as well.

We are excited to announce that the 7-12 school transformation will be complete and operable for the 2019-2020 school year! This long journey has transformed our district and the learning opportunities available to our students. Our community's support throughout this process has been critical for our success. *Thank you for investing in our children and in our future. It is great at Lake – with your continued, valued support!*

A Transportation Reminder for the 2019-2020 School Year

If your student currently has an **alternate stop** to a babysitter or day care, please make sure you call the Transportation office at 330-877-7551 to let us know if you will be keeping that same stop, or changing for the 2019-2020 school year.

ALL alternate stops will remain the same for the 2019-2020 school year unless changed by the parent with the Transportation office.

New Technology Helps a Second Grader

When you hear the word “technology,” you may think of robotics, iPads, or laptops.

But for second grader **Luca Honaker**, it means so much more. Like other boys his age, Luca loves to play baseball, and hang out with friends and family. But, Luca faces unique challenges that his peers may not have to confront – he is unable to use verbal speech to communicate his wants, needs and feelings with other children and adults due to lack of motor control and muscle weakness.

During his preschool and first grade years, Luca used a low-tech system in which he focused his gaze on pictures to convey his thoughts, or he used a single message switch. But this year, Luca received a newer speech generating device, the Tobii Dynavox I-12 SGD, with an eye gaze interaction module.

Luca and his speech generating device (SGD).

“Although securing funding for his device was challenging at times, it was so worth it,” says his speech language pathologist, Sharon Swindell. Eye tracking and eye control is a technology that makes it possible for computers to know exactly where the user is looking. When eye tracking and eye control are combined with speech generating devices, communication opportunities are opened for individuals with complex communication needs. Luca is motivated and excited to use his SGD, and Lake staff members who work with Luca are enthusiastic and 100 percent supportive. As his SGD was acquired with the support of Medicaid funds, it is considered Luca's personal device which can grow and go with him. Luca's mom, Brittany, is thrilled to see Luca expressing himself using words and phrases. What is his favorite phrase? Currently “Luca wants to call Grandma” tops the list!

Check Out these Lake Library Events!

Children's Programs

Story Times*

Baby: Tuesdays | 11 a.m.-noon
June 18, 25; July 9, 16, 23, 30; Aug 6
Toddler: Wednesdays | 10-10:30 a.m.
June 19, 26; July 10, 17, 24, 31; Aug 7
OR
Thursdays | 10-10:30 a.m.
June 20, 27; July 11, 18, 25; Aug 1, 8
Preschool: Wednesdays | 11 a.m.-noon
June 19, 26; July 10, 17, 24, 31; Aug 7
OR
Thursdays | 10-10:30 a.m.
June 20, 27; July 11, 18, 25; Aug 1, 8
Pajama: Wednesdays | 6:30-7 p.m.
June 19, 26; July 10, 17, 24, 31; Aug 7

Learning at the Library*

Fridays | 3-4 p.m.
June 14, July 19, Aug 9
Learn about works of noted artists/children's book illustrators, then create an art project based on their style. Projects may be done outside weather permitting.

Nature Walk*

Sponsored by Lake Community FOL
Tuesday, June 18 | 3-4:30 p.m.
Join Judy Semroc, a naturalist from the Cleveland Museum of Natural History for a walk through Quail Hollow. We will learn about the lives, habitats, and traits of summer insects. Meet at the pond.

Mother-Daughter Book Club*

Thursdays | 6-7 p.m. June 20, July 18, Aug 15
Girls in grades 3-5 and their female caregivers read selected books together monthly, then come to the library to discuss it. Call the library for titles.

Boys and Books

Mondays | 6-7 p.m. June 24, July 22, Aug 12
Read the selected book each month with a caregiver. Then meet at the library to discuss it. Recommended for boys in grades 3-5. Call the library for titles.

An Afternoon Under the Stars*

Tuesday, June 25 | 2:30-3:30 p.m.
Explore the solar system and travel the night sky through the StarLab inflatable planetarium. You will be so close to the stars you can almost touch them.

Lego Club*

Saturdays | 2:30-3:30 p.m. July 6, Aug 10
Family: Use your imagination to build fantastic creations. LEGO and DUPLO bricks are provided, and KEVA planks.

Galaxy Make and Take*

Sponsored by Lake Community FOL
Thursday July 11 | 3-4 p.m.
Ready for your next out of this world adventure? Enjoy space related activities and crafts, including a galaxy decorated cookie.

Popcorn and Movie Day

Sponsored by Lake Community FOL
Saturdays, July 13, Aug 24 | 2:30-4 p.m.
It's hot outside, but it's cool in here. Meet a friend at the library for a movie. We will show a movie newly released to DVD whenever possible. Popcorn is provided.

Explore Space Camp with American Girl, Luciana*

Saturday July 20 | 2:30-3:30 p.m.
Enjoy learning about American Girl Luciana, and her quest to be the first person to visit Mars.

Stories in the Stars*

Tuesday July 30 | 1-2 p.m.
Soar through the stars in this compilation of Greek myths. Learn stories of the wind, seasons, sun, and moon with the Hampstead Stage Company theatre troupe.

Tech Try-It Out

Tuesday Aug 6 | 3:30-4:30 p.m.
Discover basics of coding with Sphero and explore augmented reality with Merge Cube. Then learn about letters, numbers, and shapes with Osmo.

Malone University Zoology

Thursday Aug 8 | 2:30-3:30 p.m.
Come check out a variety of creatures with Malone University Zoology students.

Pups and Pages*

Saturday, Aug 17 | 10:30 a.m.-noon
Family: Licensed therapy dogs will listen to you read. Bring a book or borrow one of ours.

Ready for Kindergarten*

Wednesday, Aug 21 | 10-11 a.m.
Is your child starting Kindergarten this fall? This special story time prepare you for that transition. Come for books, songs, and fingerplays, then practice lining up and riding a school bus.

Teen Programs

TeensCREATE

Thursdays | 3-4 p.m.
June 13, 20, 27, July 11, 25, Aug 1, 15, 22, 29
Enjoy activities including music, art, STEM, snap circuits, and more. Each day will bring new things to do, explore.

TeensCREATE: Teen Movie Day

Sponsored by Lake Community FOL
Thursday, July 18 | 3-5 p.m.
Bring a friend or make new ones while watching a newly released to DVD movie on the bring screen. Popcorn will be provided.

TeensCREATE: Zoology Day

Thursday, Aug 8 | 2:30-4 p.m.
Join us at a special time to meet students from Malone University's Zoology program and some of their unusual "friends." A special Q&A time will be held at the end for teens to talk about the Zoology program, Malone University, and college life in general.

Adult Programs

Knitty Gritters Knitting Club

Mondays | 11 a.m. - 1 p.m.
June 17, July 1, 15, 29, Aug 5, 19
Join fellow knitters & crocheters to work on current projects at all skill levels while sharing tips and tricks.

Book Club: Mystery Book Club

Tuesdays | 2 - 3 p.m.
July 2 The Shadows We Hide by Allen Eskens
Aug 6 Lethal Licorice by Amanda Flower

Blockbuster Wednesdays

Sponsored by Lake Community FOL
Wednesdays | 2 - 4 p.m.
June 12, July 3, Aug 7
Grab friends for a fun day out and watch a newly released video.

Book Club: Booked on Tuesdays

Tuesdays | 6-7:30 p.m.
June 25 Before We Were Yours by Lisa Wingate
Aug 27 The Well-Behaved Woman by Theresa Fowler

Meet Mystery Authors Linda Castillo and Amanda Flower*

Sponsored by Lake Community FOL
Tue July 23 | 2-3 p.m.
New York Times bestselling authors Linda Castillo and Amanda Flower will discuss their latest novels. Book sale and signing to follow.

Ohio in Photographs: A Portrait of the Buckeye State*

Sponsored by Lake Community FOL
Tue Aug 13 | 6-7 p.m.
Ian Adams is an environmental photographer, writer and educator specializing in Ohio's natural, rural, historical, and garden areas. Join him as he discusses his work. Book sale and signing to follow.

All Ages

Book Sale

Sponsored by Lake Community FOL
Wed June 19 | 5:30-7:30 (Members Only. Memberships may be purchased at the door.)
Thurs June 20 | 9 a.m.-7:30 p.m.
Fri June 21 | 9 a.m.-5:30 p.m.
Sat June 22 | 9 a.m.-1 p.m. (Bag Day)

High School Band Students Recognized

The Lake High School band students were recognized at their annual Spring Awards Banquet at Guy's Party Center April 29, 2019. The following awards were presented:

- **Derek Gullett** received the John Philip Sousa Award. He was selected as the best representatives of the band program in overall leadership and performance ability. **Derek** was also awarded the Louis Armstrong Jazz Award. This award represents the person who has contributed in both leadership and performance to the jazz program.
- **Blaine Hudak** received the Semper Fidelis Award sponsored by the United States Marine Corps. This award is given to a musician who has first chair performance abilities and corresponding leadership skills to positively impact the performing group.
- The Director's Award was given to junior **Baylee Sweitzer**. Baylee demonstrated outstanding leadership and growth on her instrument, contributing to the successful year for the Symphonic Band.
- The Wind Symphony Leadership Award was given to **Niki Mirkovic**. Niki demonstrated outstanding leadership within the Wind Symphony this year, contributing to their successful year.
- The Outstanding Concert Band Members were awarded to **Olivia Carr** - freshman, **Connor Wertman** - sophomore, **Austin Yoder** - junior, and **Nathaniel Clevinger** - senior.
- The Outstanding Marching Band Member Awards were presented to **Nick Teeple** - freshman, **Tannor Boston** - sophomore, **Kaitlyn Leib** - junior, and **Carson Wolfe** - senior.
- Outstanding Soloist Awards in jazz were given to **Callum Amacher**, **Logan Martin**, **Adam McCloskey**, **Rochelle Leeper**, and **Connor Wertman**.
- V.I.P. (Very Improved Player) Awards for jazz were given to **Nick Gordon-Waite** and **Nick Teeple**.
- The "Steady as a Rock" Award was given to **Emily Schrembeck**. This award is given to a jazz band member that exhibits the most dependability with their actions and on their music.
- The marching band's auxiliary line was recognized for their participation by receiving a flag pin. They are **McKenzi Brinkerhoff**, **Madisyn Broyles**, **Lauryn Cunningham**, **Alexandra Gordon-Waite**, **Jade Hamrick**, **Grace James**, **Anna Labbe**, **Ally Lavy**, **Jackson Lewis**, **Caz Nespo**, **Charleigh Riffle**, and **Jenna Sawyer**.
- **Gabe Erb** received a trophy for being this year's "Script Lake" leader.

- All students that participated in a musical ensemble outside of Lake were also recognized, including **Derek Gullett**, who auditioned and was accepted to play in the OMEA All-State Orchestra, and **Billy Brown**, **Nathaniel Clevinger**, and **Emily Schrembeck** who auditioned and were accepted to play in the OMEA All-State Band.
- Service Awards were presented to seniors **Nathaniel Clevinger**, **Hannah Koehler**, **Nolan Mason**, **Adam McCloskey**, **Emily Schrembeck**, **Mary Shaub**, **Jacob Tarter**, and **Carson Wolfe**. These are students that have gone above and beyond the requirements of band to help out in different ways.
- Each of the senior band officers were presented with an engraved key chain for their service to the band: **Blaine Hudak** – President, **Bri O'Sullivan** – Vice President, **Gabe Erb** - Treasurer, **Derek Gullett** – Secretary, **Jacob Tarter & Carson Wolfe** – Historians, **Ben Kelley** – Tech Officer, and **Emily Schrembeck** – senior representative.
- Four \$1,000 Band Booster Scholarships were awarded to seniors **Cara Bunner**, **Nathaniel Clevinger**, **Emily Schrembeck**, and **Carson Wolfe**. These students were chosen based on scores from essays, interviews, and activities.
- The Jimmy Tawney Scholarship was awarded to senior **Mary Shaub**. This scholarship goes to a band student who continually show unconditional kindness to others.
- The Zach Doherty Award and Scholarship was presented to seniors **Emily Robinson** and **Jacob Tarter**. Because of the generosity of the Doherty family and friends, these two students received this award and scholarship in memory of 2014 Lake High School graduate and Lake Band member, Zach Doherty. This award is presented to band students that strive to do their best in all tasks in band without expecting any recognition in return, just as Zach lived his life.

All students enrolled in the band program for their first year were recognized by receiving a letter, those with one or more years also received a participation bar, or plaque based on the number of years they have participated.

Middle School Band Students Participate in Solo and Ensemble Adjudicated Event

Saturday, April 6, 2019 the Lake Middle School Band Program participated in the Ohio Music Education Association sponsored Solo and Ensemble Adjudicated Events at Alliance High School. Lake entered 34 different band events involving over 100 middle school band students. These students

performed for an OMEA Adjudicator and were given constructive comments on how to improve their playing, and were also given a performance rating of Superior, Excellent, Good, Fair, and Poor. The Lake Middle School Band Program received 26 Superior Ratings, 5 Excellent Ratings and zero Good, Fair, or Poor Ratings. Three ensembles also performed for comments only.

Water Aerobics Christmas Luncheon

Parent Support Groups

The Lake Music Program continues to have three highly engaged parent support groups (Friends of the Lake Orchestra, Lake Choral Boosters and the Lake Band Boosters) who provide financial and volunteer support for our performance based classes.

Reflections Choir at Veterans Day event.

A Successful Varsity Track Season

Our boys and girls varsity track teams finished the 2019 track and field season strong by having a number of athletes compete in the State District and Regional meets to try to qualify for the State Track and Field Meet held at Jessie Owens Stadium in Columbus. Girls participating in field events were freshman **Alyssa Studebaker**, senior **Olivia Miller**, junior **Taylor Walls**, and sophomore **Ruby Pless**. Girls competing in running events were senior **Maddie Marquess**, sophomore **Alexandria Bauer**, sophomore **Anika Berrios**, freshman **Savannah Richards**, and senior **Morgan Mauller**.

Field event boys who competed at the qualifying meets were senior **Nick Johnson**, senior **Owen Pinion**, sophomore **Dillon Walls**, senior **Tye Hunt**, sophomore **Michael Keeling**, and sophomore **Aiden Pursley**. Boys competing in running events were sophomore **Nathan Moore**, senior **Jake Widmer**, senior **Tyler Wierzbicki**, senior **Jake Delahanty**, junior **Tyler Hill**, senior **Jeff Yoder**, sophomore **Seth Willison**, sophomore **Andrew Hammer**, freshman **Connor Stanley**, sophomore **Chris Turner**, and sophomore **Evan Mullinax**. The District Meet was held May 15 and May 17, 2019, at North Canton High School, and the Regional Meet was held at Austintown Fitch High School May 22 and May 24, 2019.

Finishing second at regionals in the boys 1600 was **Nathan Moore**, while finishing eighth in the girls 1600 was **Alexandria Bauer**. **Savanna Richards** finished fifth and **Tyler Wierzbicki** finished fifteenth in the 3200 meters, and **Maddie Marquess** finished fourth in the 300 meter hurdles. **Tye Hunt** placed third in the long jump.

At the big state meet in Columbus May 31 - June 1, 2019, three athletes achieved the following results:

- **Maddie Marquess** - sixteenth place in the 300 meter hurdles (46.56).
- **Tye Hunt** - ninth place in the long jump (21'6").
- **Nathan Moore** - third place in the 1600 meters, earning All Ohio Honors (4:15).

Congratulations to all these athletes and their coaches for an amazing season!

Sports Registration

Now is the time to be completing your FinalForms for next school year. Pick your 2019-2020 sports when you log into your parent account. There are detailed directions posted at the district home page and the athletics registration page. You can also log in directly at lakeuniontown-oh.finalforms.com.

Physicals

Sports Physicals for the 2019-2020 school sports seasons were offered June 5, 2019 in the gymnasium. Athletes brought payment and their completed Pre-Physical Exam questionnaire (PPE) from FinalForms.

Physicals are good for one year from the date of exam.

Football Season Tickets

Reserved seat football tickets will be on sale for the 2019 football season beginning June 1. Select your seats and pay online by visiting the athletic web site at <http://www.lakelocal.org/Athletics.aspx>.

2019-20 Participation Fees

The Lake Local Board of Education is keeping participation fees at their current levels:

High School: \$150
Middle School: \$100

The fee is per year, not per season. The fee will automatically show up in your FinalForms account this year when you register for sports. You can wait to pay the fee until the season starts and you are sure your child made the team. Participation fee information is included in the athletic form in your FinalForms account.

New Website Coming Soon

Lake Athletics will have a new website coming this summer. It will feature better team information and game results as well as the forms and content you are used to. Preview the site at bluestreaksathletics.com.

Nathan Moore
-second at regionals.

Alexandria Bauer
-eighth at regionals.

Zach Doherty Memorial Scholarship Fund, and you'll have a great time while supporting an important cause.

The event will begin at 1:30 p.m. with a shotgun start, and will include 18 holes of golf with cart, beverages, lunch at the turn, and a cookout dinner. Not a golfer? You can attend the dinner only in the evening.

Prizes/challenges during the outing will include: team champions/\$400 prize, closest to the pin, longest drive, door prizes, raffle, 50/50 drawing, Mulligans, skins game, four-person scramble.

Attend Zach Doherty Scholarship Golf Outing July 13, 2019

Consider participating in the Fifth Annual Charity Golf Outing July 13, 2019, at Sable Creek Golf Course in Hartsville benefiting the Zach Doherty Memorial Scholarship Fund, and you'll have a great time while supporting an important cause.

In addition, consider promoting your brand or company by becoming a financial sponsor for a hole, beverage cart, golf towels, golf cart, golf balls, or divot tools during the event.

One hundred percent of funds received for this scholarship will benefit future Lake High School graduates as they pursue postsecondary academic careers. The Zachary Doherty Memorial Scholarship Fund is named in memory of 2014 Lake High School summa cum laude graduate and Lake Band member Zachary Doherty. He had planned to attend The University of Akron's Honors College to study Corrosion Engineering after graduation.

As a Blue Streak student, Zachary had displayed a love of knowledge and learning, integrity, honesty, and kindness toward others, and he had been a Lake Band member. These qualities and activities will be considered

when selecting future recipients. For the past several years, memorial scholarship money has been awarded to individual band students, and to support Lake High School STEM teams competing in Goodyear's annual Rube Goldberg Competition. Congratulations to 2019 Zach Doherty Award and Scholarship recipients and Lake band members **Emily Robinson** and **Jacob Tarter**, and to our two 2019 high school STEM teams who competed in the Rube Goldberg event.

For more info regarding registering for this event or the scholarship fund, visit <http://www.thezacharydohertymemorialscholarshipfund.org/2019-golf-outing.html> or contact Shawn Doherty at sdoherty@neo.rr.com.
