Vaccinations Required

Immunization requirements have changed, requiring that all incoming seventh graders and seniors receive immunizations before school starts **Tuesday, Sept. 4, 2018**, for seventh grades (and grades 1-9), and **Wednesday, Sept. 5, 2018**, for seniors (and grades 10-12). Students are required by Ohio school law to show proof of the following immunizations before the first day of school.

CONSTRUCTION UPDATE

Superintendent's Message

Happy Summer to all! I hope that all of our school families are getting a chance to enjoy your time together this summer. We certainly have a lot going on with all phases of construction taking place concurrently.

I know that not everyone can keep up with the entire plan for the district, which creates questions. Please check our website – www.lakelocal.org – construction tab on the bottom left of the homepage. Videos show construction underway at different time segments.

This fall, all of our PK-1 students will attend the former Lake Middle School for the first semester. Our PK-1 building is now Lake Primary School. Those students will move to their completely renovated home in January (the former Uniontown Elementary School).

All of our students in grades 2-6 will attend the newly constructed Lake Elementary. All of our students in grades 7-12 will attend the combined Lake Middle/High School. The middle/high school will continue with new construction and internal renovations throughout the 2018-19 school year.

Please stay tuned for upcoming ribbon cutting and open house events. These events will provide opportunities to tour our new facilities and to see the wonderful work of our partners: Hammond Construction, SōL Harris/Day Architecture, and The Ohio Facilities Construction Commission.

Thank you to all of our constituents and our partners at the Lake Community Library, Lake Community YMCA, Lake Township Chamber of Commerce, and Mercy Medical for their patience during these challenging construction times. We look forward to sharing these wonderful facilities with our partners and our community members for years to come.

Warm Regards,

Kevin Tobin
Lake Local Schools Superintendent

Summer is coming to a close and we are excited to welcome students to our new and improved school buildings this fall!

Middle/High School

The two-story addition to Lake High School is complete and the new section will be open for classes when students return from summer break! On the outside of the building, you will find many improvements including new sidewalks, parking lots, lighting, landscaping and new bus access from Lake Center Road.

A significant amount of renovation work has occurred in the existing high school this summer. This includes the demolition and removal of the 200/300/400 classroom wing to make way for a second building addition. This fall, work will commence on constructing a new gymnasium, science classrooms, a new main entry, and a two-story connection corridor. This phase of work will take approximately one year to complete. Contractors

also completed a new reconfiguration and upgrades to the art and music wing of the high school. Students will see all new lighting, paint, flooring, technology, and large windows to bring in more natural light. Additional renovation work is in progress and will continue through the fall for improvements to the administration, guidance, and special education areas located on the west side of the building.

Lake Elementary Classroom

2-6 Elementary School

The first day of school is quickly approaching and the new Lake Elementary School is looking great! This month the teachers and staff will be moving into their new spaces and preparing for the arrival of students in September. All staff members will receive training on how to use the different building components like technology, lighting, mechanical systems, and more.

On the exterior of the building, you will see the final stages of demolition and removal of the old Lake and Hartville Elementary buildings. The new playground will be completed prior to the first day of school, however, additional site work for parking lots and traffic flow improvements will continue through the fall.

Uniontown Elementary School

The Uniontown Elementary addition and renovation project is making great progress. This month you will see the brick veneer and roofing complete for the gymnasium, classroom, and media center additions. Roofing contractors will be finishing the roof replacement of the existing building later this month. Extensive work is occurring on the interior of the school with the installation of new walls, HVAC ductwork, and electrical and plumbing rough-in. The building additions and interior renovation work is on schedule for completion by December 2018.

PUBLIC RELEASE

Lake Local Schools today announced its 2018-2019 program year policy for **free and reduced priced meals** for students unable to pay the full price of meals served under the National School Lunch Program. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

The Federal Income Eligibility Guidelines will be used for determining eligibility. Children from families whose annual income is at or below the Federal Guidelines are eligible for free and reduced-price meals.

Application forms are being distributed to all homes in a letter to parents or guardians. To apply for free and reduced-price benefits, households should fill out the application and return it to the school. Additional copies are available at the principal's office in each school. A complete application is required. Households which currently receive Special Nutrition Assistance Program Benefits (SNAP, formally known as food stamps) or Ohio Works First (OWF) funds for a child must provide the child's name, the SNAP or OWF case number and signature of an adult household member on the application. Households which do not receive SNAP or OWF funds must provide the names of all household members, the last four digits of the Social Security Number of the adult signing the application or state "none" if the adult does not have a Social Security Number, the amount and source of income received by each household member, (state the monthly income) and the signature of an adult household member. If any of this information is missing, the school cannot process the application.

FREE HEALTH CARE: Families with children eligible for school meals may be eligible for FREE health care coverage through Medicaid and/or Ohio's Healthy Start & Healthy Families programs. These programs include coverage for doctor visits, immunizations, physicals, prescriptions, dental, vision, mental health, substance abuse and more. Please call **1-800-324-8680** for more information or to request an application. Information can also be found on the web at <http://jfs.ohio.gov/ohp/consumers/familychild.stm>. Anyone who has an Ohio Medicaid card is already receiving these services.

The information provided on the application is confidential and will be used only for the purpose of determining eligibility and may be verified at any time during the school year by school or other program official. To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished is true and correct. Applications are being made in connection with the receipt of federal funds. Schools or other officials may check the information on the application at any time during the school year. Deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and federal laws.

Households will be notified of the approval or denial of benefits.

Foster children are categorically eligible for free meal benefits regardless of the household's income. If a family has foster children living with them and wishes to apply for such meals or milk for them, contact the school for more information.

Under the provision of the policy, Dave Lloyd, Foodservice Director will review applications and determine eligibility. If a parent or guardian disagrees with the decision on the application or the result of verification, the decision may be discussed with the determining official on an informal basis. If a formal appeal is desired, the household has the right to a fair hearing. A fair hearing can be requested either orally or in writing from: Kendra Scheks, 1025 Lake Center St, Uniontown, 330-877-4742.

The policy contains an outline of the hearing procedure.

Households may apply for benefits any time during the school year. If a household is not currently eligible and if the household size increases or income decreases because of unemployment or other reasons, the family should contact the school to file a new application. Such changes may make the children of the family eligible for free or reduced-price benefits if the family income falls at or below the levels shown above.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410,
- (2) Fax: (202) 690-7442, or
- (3) E-mail: program.intake@usda.gov.

This institution is an equal opportunity provider.

Food Service News

We hope everyone is enjoying their longer summer! All student lunch accounts have been updated, and any balances left from last year were rolled over to this school year. Some negative accounts remain as well, so if your student comes home after school starts saying they owe money, it was forwarded from last school year. If you have questions about your balance please call Food Services at 330-877-4742.

The lunch price for Lake Primary will continue to be **\$2.50/day**. There will be adjustment in lunch price for New Lake Elementary. The new lunch price will be **\$2.75/day**. Please send in money to deposit on your student's lunch account. This money can be used for lunches or ala carte items unless you direct us otherwise. Please call the office at 330-877-4742 to limit a student's purchases or to inquire about what they are buying. Milk is .50 cents but is included in any lunch combo

At the Middle/ High School (grades 7-12), the lunch price is **\$3.00/day**. We will offer deli subs, different chef salads, and pizza (this is new) every day. We will continue to offer our Deli Baked Subs every Friday. Milk is .50 cents but is included with any lunch combo.

Lunch menu for September 4 for grades K-6 is; mini waffles, sausage links, Tater Tots, sidekick slushie, and milk. The menu for grades 7-12 for the first day of school is popcorn chicken, waffle fries, corn, peaches and milk.

Free and reduced applications will be distributed to each student and is available at www.lakelocal.org. Please fill out this new form and return it to the office as soon as possible unless you have received a letter from my office already. Applications for this school year are due by Oct. 1, 2018. If we have not received a new application, your benefits will be stopped.

Lunch payments on-line will be available immediately! Please go to www.payschoolscentral.com to make a lunch or fee payment.

We continue to strive to meet the nutritional needs of our students. We continue to offer a variety of items to help our students make better choices. Please contact our office for any of your foodservice related needs or questions at 330-877-4742. You can view our website at www.lakelocal.org/Departments/food-service/Pages/FoodServices.aspx for additional information about our lunch program.

Sincerely,
Dave Lloyd, Food Service Director

Bus Schedules and Routes

Bus stop information regarding bus stops, approximate pick up time, and bus number assignment will be available one (1) week prior to start of school through the Lake transportation web page. Follow these steps to access:

- www.lakelocal.org
- Click on 'parents'
- Click on 'transportation'
- Click on 'Bus stop information'
- Follow instructions

You may also use the Versatran's MYSTOP APP to track your student's arrival

To get this app, go to the online APP store and download the Versatran's MYSTOP APP (available at the Apple/Android store)

- Pick your school in the drop down box
- Your username and password is your student ID number in both spots
- Click login, and it will take you to your student information and let you know approximately how far your bus is from your stop location
- Please note the bus has to be running your route to be able to see information

Children are to be at the bus stop approximately five minutes before the normal arrival time for pick up. We ask that you allow plenty of extra time for the first few days of school, even if your child has been riding in previous years. During the first two weeks of school, parents are requested not to bring students to school or pick them up at the end of the day unless absolutely necessary. This helps the students learn which bus they will be riding to and from school. Please be aware that our drivers bid on their routes annually, there is no assurance the same bus driver will be driving your child's route year after year. For further bus route information, parents may call the transportation office at 330-877-7551.

Teach Children

- Safe walking practices to and from the bus stop.
- To wear light colored or reflective clothing when going to and from the bus stop in the darkness.
- How and where to wait safely for the bus, including how to avoid personal risks involving strangers.
- What to do if the bus is late or does not arrive.
- What to do if you, for an unforeseen reason are unable to be home when your child arrives home from school (PLAN B)
- How to enter and leave the bus safely.
- Safe riding practices.
- How to safely cross the roadway before boarding and after leaving the bus.
- Proper courtesy and respect for the rights and privileges of others.

Designated Bus Stop and Place of Safety

It is the responsibility of the Transportation Supervisor to determine the location of all school bus stops which are approved annually by the Lake Local Board of Education. Bus stops will be classified as the "designated place of safety" under our current state board policy (3301-83-13) which reads:

Driver must account for each pupil at designated area of safety before leaving. Pupils are not to proceed to their residence until the school bus has departed. Please encourage your child(ren) to follow the driver's instructions.

Alternate Stop Forms

Parents who utilize the service of a local daycare or babysitter other than their home must fill out an Alternate Stop form each school year. The student must be at the same location either in the morning or afternoon five days a week unless you have submitted shared parenting papers (court order) giving us authorization.

This will assure that your child will be picked up and dropped off at the location which you have selected. This form is available on line at lakelocal.org under transportation, or at your child's school.

Bus/Route Communication

All communications concerning transportation are to be directed to the transportation office at 330-877-7551. Please do not call the school buildings.

Students are not permitted to change buses or travel home with a friend on their buses without prior written authorization. Request must be in writing from each of the children's legal guardian and submitted to the school office for approval. This request needs to be made at least 24 hours in advance of the requested day. Request may be denied if the bus has the maximum students riding the requested bus. Our buses are run with efficiency and many buses cannot accept additional students.

Once students are on a school bus they are not permitted to leave that bus until they are transported to their assigned stop, unless authorization has been given by a school official.

If there are health or special circumstances affecting your child that we should be made aware of, please phone the Transportation office with that information.

Big Change for 2019

Parents of Lake Primary K-1 grade bus routes, please be aware that as of January of 2019, your bus routes times will be changing as we transition to the "New" Lake Primary building. Stay tuned for more important information regarding this change!

Student Incident Reports

Bus drivers are instructed in methods of effectively communicating with students to maintain order on the school bus while they are driving. School buses are scheduled on a time line and in order to get to school in a timely manner, they must demand response without argument or hassle on the student's part. We have a system to alert the school leadership and the parent if problems cannot be remedied by the dialogue between driver and student.

Basic Bus Behavior

- When you enter the bus, find the nearest seat and sit down. The driver will explain how many kids to a seat and may tell your kids where to sit. This is why it's nice to know this beforehand, so your child can know what to expect.

- Remain seated for the whole ride.
- No getting up and down, turning around or putting legs in the aisle. This is not the safest way to travel.
- Use a quiet voice on the bus. Busses are notoriously loud, due to the design of the bus, so make sure your child understands that the driver needs to concentrate on the road, and screaming is distracting and dangerous.
- Be friendly and kind to others.
- If they encounter someone who is unkind, the best policy is to ignore them. If that doesn't work, make sure your child knows to tell the driver and also you, so that we can deal appropriately with another child who is not behaving on the bus. Riding the school bus is a great time for little kids to learn how to deal with different personalities. Be sure your child knows YOUR expectations on how to deal with another kid that may be acting unkind or mean and be sure to communicate these concerns with the driver and the transportation department immediately.

We also suggest you send your younger children to school with an index card including their name, address, and your phone number, just in case. Sticking this in their backpack and teaching your child to show the driver if they get confused can help curb any "wrong stop" mistakes. Also, don't forget to write your child's name on everything they bring to school. Backpacks, lunch boxes, jackets, sweaters, and hats are frequently left on the bus.

Facilities News

Annual Notice as Required by the AHERA Regulations

In compliance with the Asbestos Hazard Emergency Response Act passed by Congress in 1986 the Lake Local School District has an AHERA Management Plan on file in the Principal's office at each building and at the Operations/Transportation Office.

Under the rules and regulations of AHERA, the Lake Local Schools are offering the following notice regarding the potential hazard of asbestos being part of the building materials of the school buildings in the Lake Local system. This notice is required under AHERA Regulations:

Uniontown Elementary – Asbestos is found in some of the floor coverings and pipe insulation.

Lake Middle School – Asbestos is found in some of the floor covering.

Lake High School – Asbestos is found in some of the floor covering.

The asbestos is under the Operations and Management Plan. It is inspected periodically and additional precautions taken when needed to protect the health of all building occupants.

Note: Anyone interested in viewing the plan can stop at these locations and ask to see a copy. Asbestos inspections are complete in the school buildings every six months, and a major reevaluation is done every three years. If you have any questions or concerns, please contact the Administration office at 330-877-9383.

Counselor's Corner

Nancy Turner, Katy Yoder

Mason Goes to School!

Mrs. Turner and Mrs. Yoder helped prepare Mason for our upcoming year at school. During the summer, Mason attended the school therapy dog workshop where he saw his friends and learned new strategies in working with our students and staff.

Also attending training sessions with Mason were Katie Marko, Lee Munoz, Lisa Pariano, and Wendy Stephens.

We are all looking forward to a great 2018-2019 school year! See you all September 4, 2018!

Students Learned During Camp Invention

Lake students took part in Camp Invention during the summer. Jenna Boyes and her team of teachers and volunteers led the students through the process of brainstorming, developing a prototype, and marketing inventions. This event has previously been located at Uniontown Elementary.

This year Grace United Church opened their doors to the event due to Uniontown Elementary undergoing new construction and renovation as it is transformed into our new Lake Primary School. Everyone that visited the camp truly enjoyed watching the creativity and collaborative spirit of the campers.

Update from Principal Frank Gant

Custodians have been preparing Lake Middle School to transform it into our temporary home for our students while construction/remodeling crews continue to transform Uniontown Elementary into Lake Primary School.

Lake Primary will house students in grades PreK-1. Parents who are familiar with Lake Middle School will note that the interior of this building now looks much different due to its being used for our district's youngest students. Last year's middle school students used the last couple months of school to add a primary look to the building by adding colorful murals and original artwork to indoor walls spaces.

Under the direction of Heather Boxler and Charity Hockenberry, butterflies, trees, and animals students love learning about were added on the main floor. The lower level will host first grade students and has an aquatic theme. In addition to the artwork, all original furniture in the middle school was replaced with smaller furniture used in primary classrooms at Uniontown and Hartville. Staff and students who are temporarily making the former Lake Middle School their home this fall will make it a great place to learn.

The start of the school year is fast approaching! Note the following important dates:

- August 28, 2018:** Meet the Teacher, First grade 4:30-6 p.m.
- September 4, 2018:** First day for grades 1-9
- September 5, 2018:** First day for grades 10-12
- September 7, 2018:** Meet the Teacher, Kindergarten 4:30 - 6 p.m.
- September 10, 2018:** First day for Kindergarteners

Construction is moving along nicely at Lake Primary. The additions consisting of the Pre-K wing, Media Center, and Gymnasium are looking great. The interior of the building will also be going through a renovation; the improved classrooms will enhance the learning experience for all students. Students and staff look forward to moving into the permanent home of Lake Primary this winter at the start of the new calendar year. Soon we will be relocating back to a new, beautiful Lake Primary school complete with brightly colored, well-lit rooms, furnishings, and technology benefiting our Lake Blue Streak staff and students.

Kindergarten

With a new school year soon to be underway, kindergarten teachers at Lake Primary are looking forward to meeting new students and their families! A **Kindergarten Open House/Meet the Teacher Night** will take place **Friday, September 7, 2018, from 4:30-6 p.m.** Students and families are welcome to stop by for a brief visit to meet your child's teacher and take a look around the classroom.

This year kindergarten will be starting the year off at Lake Middle School while the new Lake Primary building is under construction. We plan on starting the new calendar year in the renovated Lake Primary (formerly Uniontown Elementary.)

Kindergarten is a time of great growth and development both academically and socially. Your child will have many fun and memorable moments throughout the upcoming year and the Lake Primary kindergarten teachers are excited to begin!

First Grade

Happy summer first grade families! We hope you all are having a safe and fun summer. Can you believe *Meet the Teacher* night is right around the corner?

Please mark your calendars for **Tuesday, August 28, 2018, from 4:30-6 p.m.** Come explore the newly painted hallways of Lake Primary's temporary location, 511 Market Ave N (the former Lake Middle School). We are so excited to have ALL the first graders in the same building this school year. It will make for the best year yet.

Make sure you are reading every day and practicing your math facts over this long summer to get ready for first grade. We cannot wait to hear about all the books you read this summer.

Meet the Building Night

As we prepare to open up our fantastic new Lake Elementary building, we wanted to share some very important dates with students. To allow everyone ample parking and access to the building, we have set our “Meet the Building” nights as follows:

August 21	6th grade	4-5:30 pm	
August 22	2nd grade	4-5:30 pm	5th grade.....6-7:30 pm
August 23	3rd grade.....	4-5:30 pm	4th grade.....6-7:30 pm
August 29	*Make-up.....	4-5:30 pm	

*The make-up date is available if you are unable to attend previous grade level date.

During this time, students and parents will have access to the building and receive teacher placements. Teachers will be there to welcome and greet the students. There will be a scavenger hunt so that students can visit each area of the new building. We look forward to seeing all of our Lake Elementary students on our grand opening dates.

Layla Angelo, grade 3

Fourth Grader's Artwork is Featured in Magazine

One of our future fourth-graders, **Layla Angelo**, was featured in *Ohio Schools* magazine (August 2018 issue) as a *Create a Cover* contest winner.

“Sonya Layla is very modest and probably won’t share this news with you, so I will!” said Sonya Wartman, Hartville Elementary third-grade teacher who had Layla as a student last year.

Dates to Remember

August

- 21 Meet the Building Night
Grade 6 4-5:30 p.m.
- 22 Meet the Building Night
Grade 2 4-5:30 p.m.
Grade 5 6-7:30 p.m.
- 23 Meet the Building Night
Grade 3 4-5:30 p.m.
Grade 4 6-7:30 p.m.
- 29 Meet the Building Night
Make-Up day 4-5:30 p.m.

September

- 4 **First Day of School**
- 26 Fall Picture Day

October

- 4 5th Grade to Quail Hollow
- 5 5th Grade to Quail Hollow
- 9-17 Book Fair
- 10 Delayed Start Day
- 9 Parent/Teacher Conferences... 3:30-8 p.m.
- 11 Parent/Teacher Conferences... 3:30-8 p.m.
- 17 Parent/Teacher Conferences... 3:30-8 p.m.
- 19 **NO SCHOOL**
- 24-26 6th Grade Outdoor Education
- 26 Halloween Parties

November

- 1 Fall Picture Retakes
- 2 *End of First Nine Weeks*

Thank You to Lake Elementary PTO

A special thank you to our Lake Elementary PTO for all of their support and programming for the students this school year. They have organized special events and activities for all students to enjoy. Our PTO has provided funds for school programs, special events, Santa Secret Shop items, field trips, library books, scholarships, DARE graduation and our Celebration of Learning. They have also allocated funds for Makerspace materials and robots for the new Lake Elementary building.

Officers for 2018-2019 Lake Elementary PTO:

- President **Stefanie Brophy**
- Vice Presidents..... **Amy Kunes, Mary Leonelli**
- Treasurers..... **Kim Hall, Erica DeBee**
- Corresponding Secretary **Mary Null, Lisa Doane**
- Recording Secretary **Kelly Booth**

The PTO will meet on the first Thursday of the month with the first meeting of the school year being September 6 at 6 p.m. Please join our PTO as we plan for a great school year for our students.

Box Tops for Education

Students, along with family and friends, are asked to collect Box Tops for Education. The money earned from this collection is used for items for our school. Please have your student turn in the box tops to their teacher.

LAKE MIDDLE/HIGH SCHOOL

Vaccinations Required *Cont. from page 1*

Seventh grade

- TDap vaccine (to protect against Tetanus, Diphtheria, and Pertussis)
- Meningococcal (A, C, Y, W-135) vaccine (to protect against Meningitis)

Seniors

- Meningococcal (A, C, Y, W-135) vaccine (to protect against Meningitis)

Students who do not receive required vaccinations will not be permitted to attend school until proof of these immunizations, or alternative requirements according to Ohio Revised Code section 3313.67, have been received by the school.

Both the required TDaP and Meningitis (A, C, Y, W-135) shots can be obtained from now until the first day of school. Contact your primary care physician, local pharmacy, urgent care center, or Stark County Health Department (330-493-9914) for an appointment.

When they are obtained, provide a copy of your child's shot record, with vaccination dates, to the Lake Middle/High School main office after August 13, 2018, so your student's record can be updated.

Note exception: A pupil who presents a written statement of the pupil's parent or guardian in which the parent or guardian declines to have the pupil immunized for reasons of conscience, including religious convictions, is not required to be immunized. Ohio Revised Code section 3313.67.

Please contact School Nurse Therese Gilbert, BSN, RN, LSN, via e-mail at gilberttherese@lakelocal.org with questions.

We are Readers and Researchers!

Media Specialist **Nannette Peterson** shared the following exciting statistics from the 2017-2018 school year.

- Our 3, 378 Lake Local students checked out 69,471 books!
- Lake students accessed the INFOhio resources that they report 7,433 times. (<http://libguides.infohio.org/data/infohio>)
- Our elementary buildings accessed Scholastic Book Flix 3,655 times. (<http://libguides.infohio.org/data/infohio>)
- Our grand total of usage for our subscription databases is 34,468.
- The HS/MS "Hot Spot" averages about 1,000 visitors daily.

"The great news is our students are reading, and they are using our state provided databases and our Lake Local provided databases. We are so fortunate to work in an educational community that supports literacy," said Mrs. Peterson.

"Thank you for inviting me to work with your departments and your students. I believe with our increasing access to technology and our new facilities, these numbers will continue to grow," she added.

Computer Laptops will be Issued to Students before School Starts

Laptop computers will be issued to many smiling Lake Local students in grades 7-12 in late **August 2018** as a result of a technology initiative included in the school bond issue approved by Lake voters in May, 2015. This will be the third year laptops have been issued to Lake students.

All laptops used last year by students were turned in last spring; students in grades 8, 9, 11, and 12 will continue to use the same laptop issued to them last year, while students in grades 7 and 10 will be issued new devices.

Students in **grades 7-9 will return** for their first day of school in a newly remodeled/constructed Lake Middle/High School **Tuesday, Sept. 4, 2018**, and students in **grades 10-12 begin their school year on Wednesday, Sept. 5, 2018**. All students in grades 7- 12 should be at school Sept. 5, 2018.

Please complete back-to-school forms online before picking up laptop computer.

Parents in grades K-12 are encouraged to complete all necessary “beginning of school” online forms as soon as possible; these online forms should be completed for students in **grades 7-12 ideally before they come to their laptop distribution** event to expedite getting their devices at school.

Go to www.lakelocal.org/onlineforms.aspx to complete and submit these forms online.

A student and one parent are asked to attend the ‘computer rollout’ events for grades 7-9 to receive their device. Parent attendance at the laptop handout events with older students in grades 10-12 is optional. District laptop guidelines, insurance options, and general information will be presented at each of these meetings; parents/ students attending these meetings prior to the first day of school should enter the building using Doors 5 or 7.

Lake freshmen will be the first to receive their laptops **Thursday, August 23, 2018**, during a ninth grade open house program starting at 9 a.m. in the Performing Arts Hall (doors open at 8 a.m.) at Lake Middle/High School.

Eighth graders and their parents will receive their laptops and attend an open house later **Thursday, August 23, 2018**, from 6 – 8 p.m. at Lake Middle/High School.

The laptop distribution and open house for seventh graders will be Monday, August 27, 2018, from 6-8 p.m., and Tuesday, August 28, 2018 the laptop/schedule handout will take place for grades 10-12 from noon – 3 p.m.

A “makeup time” for grades 7-9 to pick up laptops will also be offered August 28 from noon – 3 p.m. An additional ‘makeup time’ to pick up laptops/schedules will be offered to students in grades 10-12 from noon – 2 p.m. on Tuesday, Sept. 4, 2018 during the first day of school for Lake students in grades 7-9. Remember, all “beginning of school forms” must be completed and submitted online prior to a student receiving a laptop or schedule information.

Assistant Superintendent and Director of Technology Pat Carroll summarized the district’s long term plan to complete the rollout of computers to all the district’s students during the years ahead.

“Grades 7 -12 will be issued laptops for their use this year. They will take them back and forth from school. For grades lower than 7, computers will remain at school, and portable classroom carts including laptops for each student will be provided so that all students have access. We accomplished this one-device-per-one-student initiative at grades 4, 5, and 6 last year,” began Carroll.

“Our goal is to continue using laptop carts for each student in classrooms at grade 2 and 3, which we hope to accomplish as we move into the new 2-6 school building during this upcoming 2018-2019 school year. Our students in Kindergarten and first grade will have access to laptop carts in addition to their classroom iPads.”

Students will Serve on State Board

Five students – Lake senior **Grace Weisel**, junior **Isabella Armentrout**, junior **Madelyn Boarman**, junior **Olivia Paschke**, and Hoover junior **Alexa Battista** have been accepted to serve on Ohio Attorney General Mike DeWine's *Teen Ambassador Board* during the 2018-2019 school year. Grace, Madelyn, and Alexa have been enrolled in Legal Studies Career Tech courses taught by **Teresa Miller** at Lake High School.

The mission of this Teen Board is to give selected teen leaders from across Ohio an inside look at law and government. In addition to meeting and learning from DeWine and his staff, students have the opportunity to work together, participate in impactful discussions, help find solutions to current problems, and network.

Students Made Donation to Summa Outpatient Program

Students from Lake High School's Health Tech Prep class presented to the Summa Health Addiction Medicine Intensive Outpatient Program (IOP) Canton office with a donation of \$750 April 10, 2018. As part of their Health Tech Prep course, they selected a medical issue/condition to research, act, and support through fundraising. The students selected drug awareness and developed a slogan- "Blue Streaks choose to be drug free." The students designed T-shirts to sell, and conducted raffles to raise funds. As part of their course, they also presented their program of drug awareness and their success at NEOMED April 29, 2018.

The students were greeted by the staff of the IOP, as well as **Renee Fierro**, Director of Outpatient BH Services and **Jaimie McKinnon**, Vice President of the BH Institute. "It's inspiring to see such compassion and motivation to improve the lives of others, as displayed by these students. We are thankful for their efforts to improve drug awareness as well as the donation," said McKinnon. The students were informed of the services offered by the Summa

Upcoming Events

Don't miss the "Pride of Lake Township", the Lake Blue Streak Marching Band, at their upcoming 2018 performances, in addition to pre-game and half-time band shows at home Football games **August 24, 31, September 28 and October 19 and 26** at Blue Streak stadium.

- August**
- 18 Uniontown Lion's Club Festival Parade and Concert @Hartville Marketplace.....4:15 and 6:30 p.m.
 - 22 Meet the Band Night @stadium 7:00 p.m.
 - 28 Stark County Fair Band Show @Stark County Fairgrounds.....7:30 p.m.
- September**
- 8 11th Annual Lake Band Show @Lake Blue Streak Stadium7:00 p.m.
 - 22 Massillon Band Show @Paul Brown Stadium.....7:00 p.m.
- October**
- 18 Indoor Marching Band Concert @LMS Gym7:00 p.m.

From the Band Room

THEY'RE BACK!!.....The Lake Blue Streak Marching Band, under the direction of **Joshua Laux, Jared Cooley, Richard Kibler, Mark Tryon**, and auxiliary instructor **Collen Mizer**, began rehearsals for the Hall of Fame Parade, Uniontown Lion's Club Festival Parade and Concert and the upcoming school year on July 23. The Hall of Fame Parade and Uniontown Festival Concert are the first two performances for the band and they are busy preparing for the first home football game on Friday, August 24.

This year's marching band is approximately 190 members strong and again will perform at every Lake football game for pregame and halftime, the Massillon Band Show and our own 2018 Lake Band Show.

2018 Lake Band Show

The 11th Annual Lake Band Show will be held on **Saturday, September 8, 2018, at 7 p.m.** in Lake Blue Streak Stadium. Featured marching bands from outside of our community this year will be Alliance, Canton McKinley, Carrollton, Cuyahoga Falls, GlenOak, Massillon, Sandy Valley, Tuslaw, United, Wadsworth as well as our own Blue Streak Marching

Band. For further information on this year's show please see the front page of this issue of the Blue Streak News. To purchase presale reserved tickets online, simply go to www.lakelocal.org and click on the link to purchase tickets. This online Reserve Ticket purchase opportunity would be a great way for families/friends to sit together in the best seats in the stadium. Tickets will also be available at the gate the night of the show. All proceeds from the Band Show support the entire Lake Band Program grades 5-12.

Lake Band Boosters Welcome You!

The first Band Boosters meeting of the 2018-2019 academic year is **Thursday, September 6, at 7 p.m.** in the high school band room (enter door #3). All parents of 5th through 12th grade band students are automatically Lake Band Boosters members and there is no membership fee required. Parents are encouraged to attend the monthly meetings to get first-hand information directly from the band directors, learn about band updates and activities, and connect with other band parents. Band Boosters meetings are held each Thursday of the first full week of each month at 7 p.m. in the high school band

Dear Choir Parents,

Welcome to the Lake Choral Booster Club. It is the purpose of the Choral Boosters to promote and advance the vocal music program of Lake Local Schools.

The Lake Choral Booster Club provides necessary financial support for:

- Solo and Ensemble- (MS/HS)
- Large Group events- (MS/HS)
- Spring Musical- (HS)
- Choir Banquet- (HS)
- Two Scholarships awarded to graduating Seniors
- Special Events and Performances- (LE/MS/HS)

Membership to the Lake Choral Booster Club is free. For those who may wish to make a direct financial contribution there is a patron program, which includes benefits such as tickets to the Musical and Program recognition. There are also plenty of opportunities to promote and advance the vocal music program through our volunteer service.

Lake Choral Boosters meet regularly on the first Tuesday of every month in the High School Choir Room (formally the High School Band Room) at 4 p.m. Please consider attending a meeting. New membership is needed to grow the Choral program for Lake Local Schools. All interested people are Welcome!

So we are able to keep you updated with information about meetings, concerts, and activities in the choir program, please complete the "Parent Contact Information" below.

Our Current Construction Projects – Past, Present, Future

Remember only a few short years ago, in 2014, when Lake Local Schools decided to pursue passing a school bond issue? Read the following Lake Facility Plan summary prepared by Facility Project Manager John McAllister.

Fall 2014

A campaign committee was established to address district facility needs.

2014-15

This committee hosted four community meetings, open to the public, to discuss district needs. Each meeting was well attended with between 100 - 150 people present. Attendees included parents, teachers, administrators, and community members.

The district also commissioned a public survey of community stakeholders regarding the *needs of the district*. The consensus from the meetings and survey data: the district should place a school bond issue before the electorate to address district needs relating to facilities, security, technology, and athletics.

Winter 2015

The Lake Board of Education announced it would place a bond issue before voters on the May 2015 primary election addressing district needs identified by the community relating to facilities, security, technology, and athletics. The proposed bond issue totaled 6.3 mills, assigned as follows: Facilities 4.3 mills; Safety .5 mills; Technology .75 mills; District Permanent Improvement .25 mills; OFCC Permanent Improvement .5 mills.

The district agreed to partner with the Ohio Facilities Construction Commission {OFCC} to fund the project, and SoL Harris Day, architects, and Hammond Construction, builder. An aggressive, public campaign was implemented by the committee.

Previously, OFCC conducted an analysis of our present facilities and identified buildings requiring renovation and those requiring new construction. This analysis established funding ratios - 57 percent of project to be paid by the state, and 43 percent with local dollars - and established our present facility plan.

May 2015

The bond issue passed by 8 percent. The bond issue provided funds for facilities, and raised local funds to address needs in the areas of security, technology, and athletics.

Fall 2015/Spring 2016

The district technology team established a plan providing one-to-one connectivity for every district student within three years. Athletic field development began on State Route 43, and was ready for use that fall. Professional development activities were conducted at all buildings emphasizing technology integration and student-centered, project-based learning.

May 2015 – Late Summer, 2016

The district initiated planning with SoL Harris Day and the Ohio Facilities Construction Commission to design facilities. A three-day visioning conference was held in August and September with community members, teachers, students, parents, administrators, Board Members, classified personnel, architects, and representatives from OFCC.

The conference was facilitated by Frank Locker, a nationally recognized specialist in educational visioning. Results from this conference provided the basis for our design plan.

Building Design teams were established for each school building, and meetings were conducted with different work groups to plan and solicit feedback. Meetings continued throughout the year and beyond, and were essential in contributing to design activities. Building Design teams were consulted about internal furnishings and related issues.

Representatives from the district and SoL Harris Day began a series of visitations to other school districts involved with construction projects to gather info, feedback, and draw comparisons.

Fall 2016

Site development began and was completed at the present high school/middle school and Lake/Hartville Elementary, allowing construction to begin in late winter, early spring 2017 at both sites.

Spring 2017

Construction began at the high school and Lake/Hartville site.

Spring 2018

Construction at both sites was adjusted to allow a May on-line auction of all interior furnishings. The auction led to a net profit of more than \$100,000, which was added to the project. Teachers packed their belongings and instructional materials, which were moved to their new instructional spaces the last week of May. Every teacher in the district was affected by the move.

Summer 2018

Training is being provided for all work groups regarding maintenance of our new facilities. School administrators moved into their new spaces at the end of July, while teachers district-wide accessed their areas during the first week of August.

Meet the Teacher Nights/Orientations will be held in each building in late August (excluding new Lake Primary - formerly Uniontown Elementary - undergoing major renovation.)

Lake Facility Plan Summary

Lake Primary {Formerly Uniontown Elementary}
9,700 Square Feet New Addition, 49,000 Square Feet Renovation

Additions: Media Center, Pre-School Wing and Gymnasium. The rest of the building will be gutted and completely renovated.

Playground Complete: November 2016

Vacate May 2018 and Begin Renovation/Addition March 2018; Completion Date – December 2018

2018 First Semester: Second and Third Grade to New 2 – 6; All Pre K – 1 Students to Lake Middle School {main floor, kindergarten and pre-school, and grade one, floor one}

Occupy New Addition and Renovated Building, December 2018 {Pre K – 1}

Lake Elementary {Grades 2 – 6}

135,000 Square Feet New Construction

Site Development: **Complete November 2016**

Construction Begins Early Spring 2017

Occupation: 2018-19

Demolition of L/H: Summer 2018, West to East; Anticipated Completion – November 2018

Site Completion – Spring 2019

Lake Middle School/High School

110,123 Square Feet New Addition {80,000 south expansion, 30,000 east expansion}, 64,000 Square Feet Renovation

Begin Site Development – February 2017

2018-19 South Expansion Complete: Grades 7 – 12
Occupancy

Renovation of the Art and Music Wing – Summer 2018

Guidance Office/Adm. Office Renovation – Summer/Fall 2018; Occupancy – December 2018

Summer 2018: Demolition of the East Wing Completed {200, 300, and 400 hallways}

Build East Wing Addition: October 2018 – December 2019; Occupation – December 2019

Demolition of Middle School – Winter/Spring 2020

Site Completion – Spring 2020

Athletic Fields

Complete Summer 2017, Ready for Use Fall 2017

Costs

Lake Primary {Previous Uniontown Elementary}: \$10,407,774

Lake Elementary {2 – 6} \$28,497,755
HE/LE Demo: \$1,347,445
