BLUE STREAK NEWS

A PUBLICATION OF
THE LAKE LOCAL
SCHOOL DISTRICT

June 2016

Volume 20, Issue 3

Lake Local Schools

*Vision: Excellence in Academics,
Arts & Athletics.*

*Mission: Preparing all students for
success.*

In This Issue:

- Senior Awards and Scholarships
- Building News
- Band News
- 2016-17 District Calendar
- Friends of Lake Library
- Lake Community Library Events
- Lions Festival/LTHS Bicentennial Update

Congratulations Lake High School Senior Class of 2016

VALEDICTORIAN
Olivia Bartholomew

SALUTATORIAN
Celeste Hudak

OUTSTANDING SENIOR SERVICE AWARD
Joanne Ash and Spencer Mason

OUTSTANDING SENIOR AWARD
Jaime Tobin and Adam Brott

SENIOR AWARDS

DIPLOMA OF DISTINCTION

Joanne Ash

Career Tech.....	Allison McSherry
English	Meredith Swindell
Fine & Performing Arts.....	Grace Brott
French	Shelby Secreto

German	Samuel Pearson
Math	Olivia Bartholomew
Science	Samuel Pearson
Social Studies	Hannah Schulz
Spanish.....	Benjamin Shaub
Yearbook	Megan Stevens

Special Awards

Beacon Journal Star Student Award.....	Joanne Ash, Joshua Miller
OHSAA Archie Griffin Sportsmanship Award.....	Erin King
OHSAA Courageous Athlete Award.....	Mathew Jones
OHSAA Scholar Athlete Award.....	Alexander Clevinger, Hannah Schulz
Rotary Service Above Self Award.....	Alexander Clevinger
Principal's Leadership Award.....	Spencer Mason

Senior Class President Award.....	Maria Mokler
U.S. Air Force Math / Science Award.....	Joanne Ash, Joshua Miller
U.S. Army Scholar Athlete Award.....	Olivia Drummond, Andrew Myers
U.S. Marines Distinguished Athlete Award.....	Andrew McNally, Alexis Meffert
U.S. Marines Scholastic Excellence Award.....	Elizabeth Slabinski
U.S. Marines Semper Fidelis Award.....	Hannah Hooper

SENIOR AWARDS

Lake High School seniors received the following awards during the Senior Recognition Ceremony for the Class of 2016 held Thursday, May 26, 2016, at the Hartville Kitchen Restaurant.

Community Scholarship Awards

- Aultcare Team Spirit Award*Jaime Tobin
- Basug Medical Career Scholarship* ..William Brown, William Stalker, Jaime Tobin
- Friends of Lake Orchestra Scholarship* William Stalker, Hope Dean
- Howard R. Miller, Sr. Memorial Scholarship* Joshua Miller
- James W. McPherson, Jr. Legal Studies Scholarship* Robert Delagrang
- Jimmy Tawney Band Scholarship* Benjamin Shaub
- Lake Athletic Booster Club John W. "Chief" Fetters Memorial Scholarship*Joanne Ash, Alexis Meffert, Jacob Myers, Hannah Schulz
- Lake Band Booster Scholarship*Olivia Bartholomew, Amiena Hawari, Hannah Hooper, Spencer Mason
- Lake Choral Booster Scholarship*Emily Remark, Samuel Thoman
- Lake Elementary PTO Scholarship* Noel Burt, Rachel Muckley
- Lake Local Education Association Scholarship* Noel Burt, Miranda Hench
- LifeShare Scholarship* Alexis Meffert, Taylor Perko
- Lion's Club of Hartville/Uniontown Scholarship* Alexander Clevinger, Hannah Schulz, Rachael Spicer
- Nancy Moffat Hartville Elementary PTO Scholarship*William Brown, Amenia Hawari
- Ohio National Guard Scholarship*Ethan Boyes, Greg Legky
- Quail Hollow Scholarship* William Stalker
- Rick Porter Memorial Scholarship*Cameron Shelton, Liam Stalker

- Rob DiGiacomo Memorial Scholarship*Olivia Bartholomew
- Stark County Counselor's Association Scholarship* Emma Windham
- Starkey Law Firm Legal Studies Scholarship* Erin King
- Uniontown High School Alumni Scholarship*Samantha Yankulov, Noel Burt
- Uniontown PTO-Mary A. Myers Scholarship & Uniontown Elementary Teacher Scholarship*Brian Selle, Megan Stevens, Samuel Thoman

Lake Scholarship Recipients - Sponsored by the Lake Academic Booster Club

Teen Institute: Serving the Community

Martin Luther King Jr said, "Life's most persistent and urgent question is: What are you doing for others?" A group of teenagers from Teen Institute at Lake High School have been working to answer that question this year.

"I've had the privilege of working alongside some great teens as we helped serve food at the Refuge of Hope in Canton, sorted clothes at the Hartville Mennonite Thrift, and did landscaping with Habitat for Humanity this year. These students worked hard and were polite and respectful to everyone," said Teen Institute Teen advisor Sharyl Gregerson.

Teen Institute members also completed a Red Ribbon campaign in October to encourage high school students to stay away from drugs, and wrote and presented skits at Uniontown and Lake Elementary Schools about not bullying, not giving in to peer pressure, not smoking or taking drugs, not cheating, and about being kind to others.

"We thank staff and students at both elementary schools for allowing our group to come and for being a fantastic audience as we shared our skits. We hope we were a positive influence!" added Mrs. Gregerson. Anyone who is interested in being a part of Teen Institute this fall should contact Mrs. Gregerson at the high school.

Math Team Competes

The seventh grade math team took 13 students to the Stark County Math Team competition March 5, 2016. Those who placed in the *Number Sense* category were **Caleb Adams** in eighth place, **Drew DeGeorge** in seventh place, and **Lindsay Ailstock** in fourth place. In the *Geometry/Measurement* category were **Claire Fuller** in seventh place and **Marissa Kunes** in sixth place. In fifth place for *Algebra/Data and Probability* was **Sabrina Nespo**, and fourth place was awarded to the *Team Problem Solving* group consisting of **Mackenzie Donahue** and **Savannah Nichols**. Outstanding participants included **Maddie Sladen**, **Kayla Satava**, **Jaden Gonzales**, **Ethan Gullet**, and **Ethan Kraft**.

We would also like to recognize several sixth grade students for their victory at this Math Tournament. Finishing in sixth place in *Algebra/Data and Probability* was **Jacob Behrend**, while a fifth place in *Mental Computation* was awarded to **Joshua Martin**. Fourth place in *Geometry and Measurement* went to **Aaron Hess**. Outstanding participants included **Audrey Kirk**, **Emily Cozine**, **Sydney Minor**, **Ally Lavy**, **Jenna Peresta**, **Cooper Bertschi** and **Elizabeth Ballway**.

Trophies for second place were awarded to **Tessa Miller** for *Mental Computation* and **Esther Kotyk** for *Number Sense*.

Our first place trophy winners, beating out all the districts in *Team Problem Solving*, went to **Ian Clevinger**, **Payton Rader**, and **Camden Weaver**. Congratulations to everyone who participated!

R.A. Horn Honorable Mention Recipient at Lake Middle School

Lauren Warder, a sixth grade student, was the Honorable Mention recipient of the R.A. Horn Award for students with diverse learning needs. Lauren embodies all the qualities a student nominated for this award needs. She has demonstrated improvement in her academic career, has great self-management skills, and has a determination to make her education better. She is a leader both in and outside of school. She is a class representative to the student leadership team, a member of the sixth grade running club, Girl Scout, and active in her church. Lauren has a bright future ahead of her because of her dedication to her education. Lauren is pictured with **Cara Eibel**, her sixth grade nominating teacher.

Student Excels in District Science Day Competition

Zavien Cruz, a seventh grade student at Lake Middle School, competed in the District Science Day Saturday, March 5, 2016, at the University of Mount Union. Zavien's project, "Increasing Polycrystalline Solar Panel Efficiency through Liquid Submersion and Fresnel Lens Magnification," explored submerging a polycrystalline solar panel in mineral oil, utilizing a Fresnel lens for light magnification, to increase solar panel efficiency. Zavien scored a Superior and ranked in the top 10 percent of participants, qualifying him for the State Science Day competition. He was also nominated for the Broadcom MASTERS (Math, Applied Science, Technology, and Engineering Rising Stars) National Science Fair.

LMS Science and Engineering Club members raced a derby car down the track during Akron's Soap Box Derby Team Day held in May.

Happy Campers!

Sixth grade students enjoyed a fun-filled learning experience at Camp Y-Noah on April 26-28, 2016. Students were blessed with dry weather on the first day and rain that cleared by afternoon on the second day, allowing them to do all scheduled activities.

During the day, students went canoeing, found specimens in pond life, developed their archery skills, caught a tremendous number of fish in Lake Y-Noah, and conducted a picture scavenger hunt in nature. Students also learned about scat during animal tracks class, rode horses or climbed a wall, and made banana boats during cooking class. Sciddles, a class taught by high school counselors, was a favorite activity as students learned decision-making skills and showed their acting abilities during the infamous “house is on fire” skit.

Nighttime was the setting for ethnic dancing. The beautiful weather allowed the students to enjoy doing Denmark’s Seven Jumps and the Cotton-Eyed Joe outdoors on the tennis courts. In addition, students loved singing *Home in Ohio* with Hal Walker, and learned about many instruments used around the world. Making s’mores and learning new songs during the evening campfire was another enjoyable activity for the students.

Several students shared what they loved best part about camp:

Tiona Rossano – *I learned how to take a fish off a hook.*

EmmaLouise Earles – *During horseback riding, we made the horse trot.*

Gavin Schrock – *I learned the ancient art of hand whistling from Hal Walker.*

Elizabeth Ballway – *It was really funny to watch my friend freak out when we were looking through the microscopes during pond life and she found a nematode.*

Mason Davis – *My favorite class was SCIDDLES because I won the scissors activity!*

Liz Sharpe – *During orienteering, we learned how to navigate around with a compass.*

Michael Harris – *I learned to catch fish without a reel.*

Exciting Things Happening in the World of STEM!

LMS students have been actively involved in various STEM (Science, Technology, Engineering and Math) events. Saturday, April 30, 2016, students attended The University of Akron for STEM Career Day, which was hosted by Goodyear. Students had the opportunity to learn more about STEM careers and engage in fun hands on activities and engineering design challenges. **Nicholas Bradcovich, Tessa Miller, and Audrey Warnick** won first place in the group design challenge competition.

Approximately 40 students from Lake Middle School’s eighth grade Technology Education class advanced to the Second Annual Northeast Ohio Junior Solar Sprint Race held at Cleveland State University Wednesday, May 18, 2016. Other middle school students from Westlake, North Olmsted, and Brecksville attended this special event. The U.S. Department of Energy’s Junior Solar Sprint (JSS) program is a classroom-based, hands-on STEM activity for sixth-eighth grade students. JSS student teams apply math, science, and engineering design to construct and test solar-powered cars that are then raced on a 20-meter track.

The Lake Middle School Science & Engineering Club also geared up for the Gravity Racing Challenge. This event, hosted by the Soap Box Derby of Akron, allowed a team of 10 students to build a car and race it down Derby Downs hill. The group, led by **Christina Jones and Staci Lisy**, assembled the car over several weeks. The team then designed the shell and created the Team Day shirts. The team was excited to compete at this year’s event held Saturday, May 14, 2016!

DAR Winners

Seventh graders **Mackenzie Bozman** and **Maddie Sladen** were recently recognized by the Daughters of the American Revolution (DAR) as winners in the Junior American Contest. Maddie’s short story entitled “The Perfect Family” won first place at the local competition. Mackenzie’s poem entitled “Celebrate America” won first place at the local and state competitions, and third place in the national competition.

They were recognized May 4, 2016, at the local DAR Junior American Contest recognition ceremony, where they both shared their work. *Congratulations to Mackenzie and Maddie on a job well done!*

Vehicle Day

In May, Lake Elementary hosted a Vehicle Day which gave fourth and fifth grade students the opportunity to participate in early career exploration. Elementary students are particularly interested in the different types of vehicles that are used in some careers in order for people to perform their jobs. Along with the promotion of career development standards in classroom guidance, we involved the community by holding this event.

Vehicle Day allowed the students in our building to learn about careers that use specific vehicles to perform their job duties, and to talk with professionals about their daily routine. They also explored the vehicles, and gained a better understanding of what it would be like to work in that particular field.

Lake Elementary students and staff extend a BIG THANK YOU to all those listed below who took time out of their busy schedule to volunteer their time to make this day special for us!!!

- **Hartville Fire Department** (Firetruck and Ambulance)
- **Uniontown Post Office** (Mail Truck)
- **Lake Township** (Snow Plow and Dump Truck)
- **Marlboro Volunteers** (Two Cargo Trucks)
- **Lake Local Schools Transportation** (School Bus)
- **Lake Local Schools Resource Officers** (Police Car and Truck)

Spring Running Club

The fourth and fifth grades at Lake Elementary, and third grade at Hartville, just completed a great running club session. Students worked on running technique and were able to enjoy running at nearby Hartville Memorial Park.

The students completing the most running laps during the five-week session were:

Fifth Graders
Ellie Davis and Jacob Harms

Fourth Graders
Ryan Anderson and Clare Haddon

Third Graders
June Price, Kailen Hutchings, and Jenna Slates

Congratulations to these students and all the others that worked hard to improve their running!

Dates to Remember:

August	
18	Meet the Teacher Night & Instrument Pick Up 5 - 6 P.M.
23	FIRST DAY OF SCHOOL
September	
2	NO SCHOOL FOR STUDENTS & STAFF
5	NO SCHOOL - Labor Day
28	Picture Day
October	
12	Conferences 3:30-8 P.M.
18	Conferences 3:30-8 P.M.
20	Conferences 3:30-8 P.M.
21	NO SCHOOL FOR STUDENTS & STAFF
28	End of Grading Period/ First Nine Weeks
31	Halloween Parties

Meet the Teacher Night
 at
Lake Elementary

For: Fourth and Fifth Grade Students and Parents
Date: Thursday, August 18, 2016
Time: 5:00-6:00 PM

The staff would like to welcome all of our students and parents to Lake Elementary prior to the first day of school. Come meet your teachers, find your classrooms and locker, review your schedule, and get excited for a GREAT year at Lake Elementary! Lake Elementary is an awesome place to be. We hope to see everyone there!

*There will be "instrument pick up" for fifth graders who are in band or orchestra during this time in the cafeteria and small gym.

2016-17 MEET THE TEACHER NIGHT

Wednesday, August 17, 2016

First Grade 6 - 6:30 p.m.
 Second Grade 7 - 7:30 p.m.
 Third Grade 5 - 5:30 p.m.

Counselor's Corner

Nancy Turner, Elementary School Counselor

What a great year we had here at Uniontown Elementary! Our theme this year was "Blue Streaks are Bucket Fillers!" During the summer months students can continue our focus of "kindness to all!" Here are suggestions for activities students can do during the summer:

- Plant a garden.
- Help a neighbor with a project.
- **READ! READ! READ! READ! READ! READ! READ!**
- Get outside and play!
- Journalize your vacation.
- Go camping.....even if it is only in the backyard!
- Make a scrapbook.
- Go fishing.
- Have a garage sale – donate money earned to a charity.
- Ride bikes....with a helmet!
- Join the Stark County Library Summer Reading Program.
- Take a hike at Quail Hollow State Park.
- Go to an Akron "Rubber Ducks" baseball game
- Go swimming, play baseball, play soccer (use sunscreen!)
- Limit all screen time!
- Have a lemonade stand.

Have a safe and relaxing summer!

Summer Hours

The office will be closed from June 3 - August 2, 2016. Summer office hours will begin August 3, and will be from 8 a.m. - 3 p.m. Please contact school secretary Denise Caruso at 330-877-4298 or carusodenise@lakelocal.org to make an appointment for new student registration.

Kindergarten

Kindergarten constructed vehicles and instruments. Before building the vehicles, we spent time discussing and exploring the differences between 2D and 3D shapes, and how we can use multiple shapes to create something new. Students then planned out what they would build, how they would build it, and shared their final product with their peers.

Before creating their own instruments, students explored the different ways sound is created through vibrations. They planned out what they would build, what materials they would use, and did a fantastic job creating string, wind, and percussion instruments.

First Grade

The Aultman Foundation visited our first grade classrooms to teach lessons about bike safety. Each student was presented with a bike helmet to take home. Thank you Aultman Hospital! The students love the bike helmets!

The students did a research report on a wild animal and presented their animal and its habitat in a variety of ways. Students enjoyed learning about different animals, and showing their knowledge and creativity through shoe box habitats and/or posters. In Art class, they created their animal out of clay. Thank you Charity Hockenberry!

First grade students also went on a field trip to see the play Mary Poppins put on by the Canton Players Guild. Thank you to our PTO for providing this opportunity to our students and teachers.

Second Grade

Second graders learned about famous Americans by rotating to each second grade classroom to learn about people who impacted history including Amelia Earhart, Molly Pitcher, Babe Ruth, Neil Armstrong and Helen Keller. Students also spent time researching a famous American, and creating a baseball card, Powerpoint, or prezi presentation about that person.

Second grade also enjoyed programs by guest speakers, including one by a guest from RealEyes who spoke about eye health and care. Mark Kreitz taught second graders about how worms help the environment. Students observed worms in their environment, learned interesting facts about them, and saw worms in action in the compost pile in our science garden.

Students also studied ants, and watched them tunnel in gel habitats. Students enjoyed the hands-on unit about animal habitats and how animals can change our environment.

Third Grade

It is amazing to see the growth of each child and we are blessed to have one of the best careers in the world! We celebrated their achievements at our Third Grade Recognition. Mrs. Bishop did an amazing job preparing students for this special night.

We had several field trips in May. First, we went to Walsh University to culminate our habitat unit. Students from Walsh visited us earlier in the year and set up interesting science stations, providing students with interactive lessons. We are fortunate to have this collaboration in place.

Students also visited our friends at Lake Elementary. This trip allowed students to ask questions about fourth grade, see the building, and meet teachers.

Finally, students walked through Uniontown to learn about our history. We couldn't plan this day without the help of several community members who shared their insights to the past. Thank you Mr. & Mrs. Pressler, Mrs. Heisler, Mr. Pressler, Ms. Werab, Mrs. Lavy, and Mr. Miller.

Be sure to check out our most recent photos on the Uniontown Elementary Facebook page!

Third Grade

Third Graders at Hartville Elementary completed the first AIR state mandated test and did well; the testing was completed over four days and students were prepared. They visited Walsh University and attended an outdoor learning lab directed by Dr. Jennifer Clevinger, a biology professor at Walsh who has been offering this opportunity to our students for almost five years. Students learned about life in a creek by looking through microscopes, how various insects eat their food, the anatomy of plants, and were given a campus walking tour.

Third grade at Hartville also collects pop tabs to donate to the Akron Ronald McDonald House. They collected many pounds of tabs this year, and Meri Skiera from the house came and explained how donations are helpful to those in need. Money earned from the pop tabs will go to purchasing new playground equipment for the Akron Ronald McDonald house.

We coordinated with our art teachers, Joni Susa and Jamie Stegner, on a building project based on our new school. Students learned geometry skills and vocabulary, which they used in art class to design and build new, innovative classrooms for our school building. Our third grade teachers wish the classes the best of luck in fourth grade!

Second Grade

In second grade, each student chose a president to research and present during a Second Grade Hall of Presidents event. They studied their president for two weeks gathering facts about their early life, presidency, contributions and interesting facts, and later life. The children then developed a speech for sharing their meaningful data. For the culminating activity, each pupil chose how to dress or add props when representing their Commander In Chief. The second grade learners enjoyed sharing their interesting information with their families and friends.

First Grade

Our first graders teamed up with fifth graders from Lake Elementary to explore their Native American projects, so our students learned about houses Native Americans lived in, the food they ate, how they communicated, and where they lived. Fifth graders also helped us with our animal habitat projects. First graders chose an animal to research and report on, then fifth graders helped them gather information about their animals. We held a first grade open house sharing their projects with families, and first graders also presented a musical program led by Natalie Deckerd. Thank you, Mrs. Deckerd!

Walsh University students visited and used hands on activities to reveal ways seeds travel. We tested which seeds float, fly in the wind, taste the sweetest, and are difficult to open. Finally, we took a field trip to Quail Hollow, and while exploring it students saw different plants and animals. Students talked about how different plants spread to different areas of the park based on their seed knowledge. They also discussed animals living in various habitats, and why this is the best habitat for these animals.

We thank all of our parent who helped make this trip fantastic! What a perfect way for students to see and put into action all they learned this spring!

Kindergarten

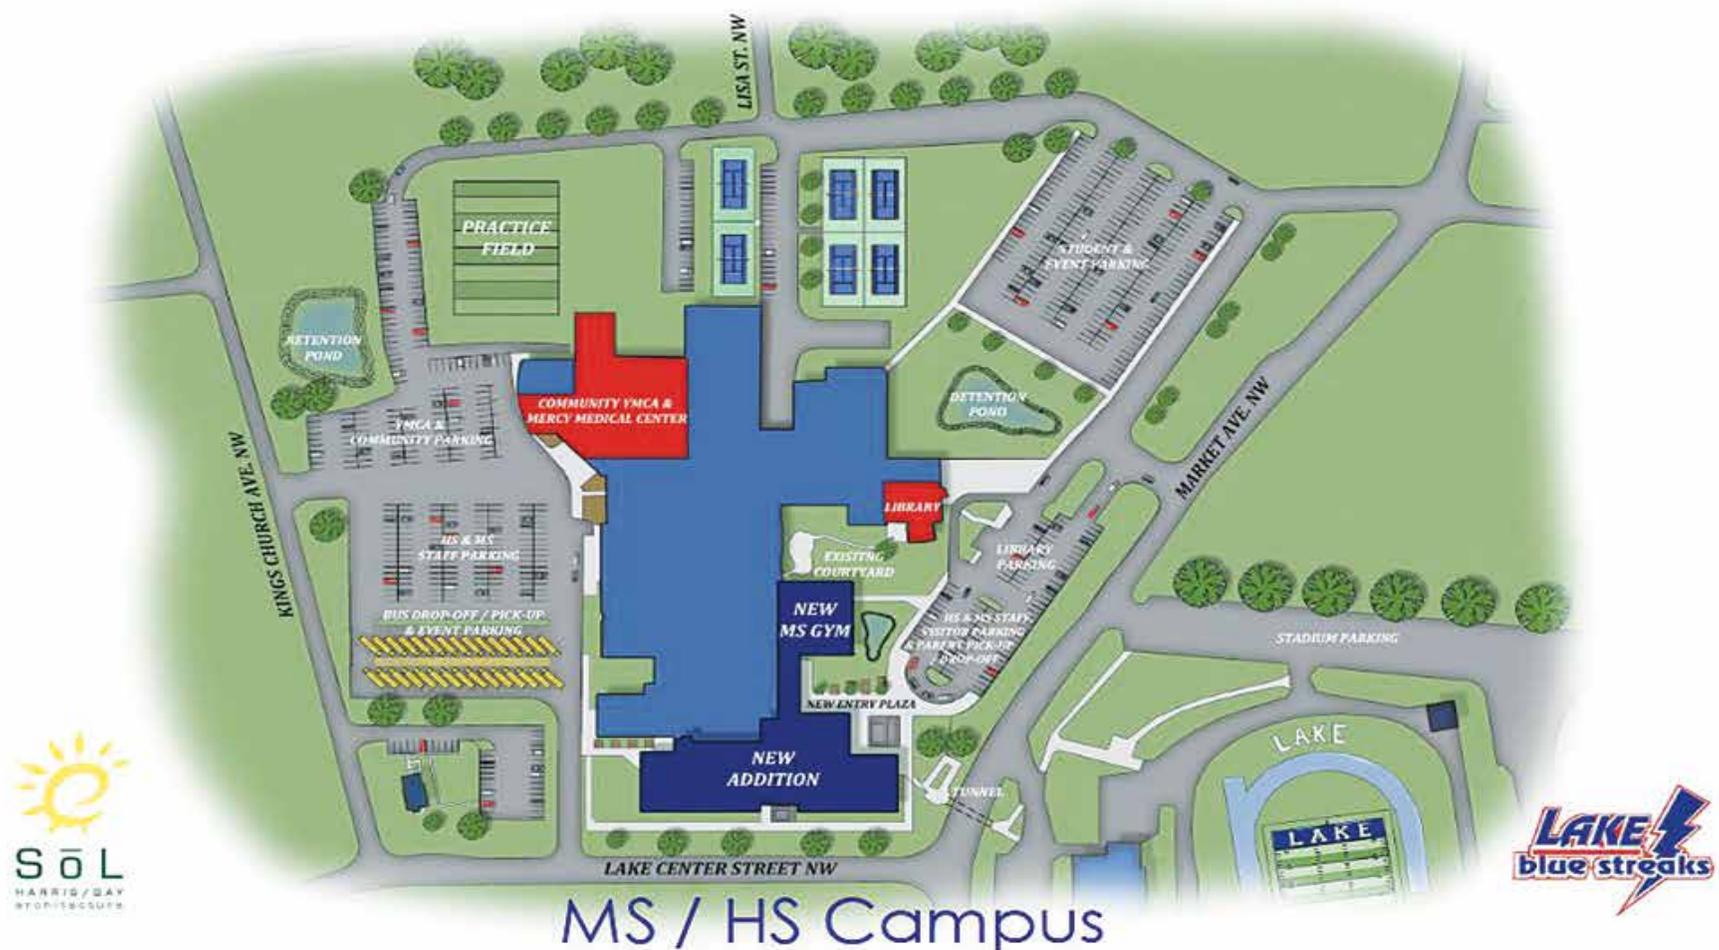

Kindergarteners enjoyed memorable field trips to the Akron Zoo and the Hartville Chocolate Factory! Thanks to our PTO for funding our trip to the zoo. We learned about living things, and enjoyed a program led by a presenter from Stark Parks. (Starkparks.jpg) The Hartville Chocolate Factory shared their knowledge of chocolates, and provided treats. Please stop by and thank them for their generosity to our kindergarteners.

Students are excited for summer, but will miss friends and teachers. *Have a wonderful summer!* Support growth made by your child by having your child complete the summer packet sent home, as well as reading to your child. Have your child bring the packet back in the fall for a special treat! *Thank you for your support this year!*

Facility Update

Moving Forward into Design Development

Thanks to your support of Bond Issue 14 last spring, the open lot on State Route 43 has been cleared and earth has been moved in preparation for a new community athletic field. Meanwhile, our new and remodeled school buildings are now entering into the *Design Development Phase*, where architects will begin adding more detail to interior spaces of the buildings. The state of Ohio Ohio Facilities Construction Commission (OFCC) and Lake Local Schools are each paying approximately half the total cost for these construction projects following passage of the bond issue.

Read on to for the latest update regarding our various construction projects:

Community Athletic Field (State Route 43) – made possible from \$1 million set aside from bond issue campaign; additional funds needed to complete site work will be raised with support of community groups/individuals.

- *Two multipurpose fields/one softball field areas are starting to take shape. Fields will be planted and final grades will be completed by mid June, 2016. Please note: These fields will not be playable for fall 2016 sports.*

- *Phase One schedule is underway now; site design and work bids have been completed. Beaver Excavating is contractor; and Environscapes is subcontractor for seeding and final field installation.*

Grades 2-6 Building

- *The Facility Design Team has met with teacher groups to review and discuss internal academic areas, technology, flexible furniture, flooring, storage, display areas, and building writing surfaces.*

- **Early site work will begin Sept. 1, 2016. This will impact bus drop off and pick up, and drop off pick up by parents at Hartville Elementary/Lake Elementary. A detailed plan regarding alternate routing for bus and parent drop off/pick up will be announced and provided later to Lake parents during August 2016, via e-mail, a website “news” posting, and social media.*

- **This includes land preparation (earth moving), and laying utilities.*
- *No building construction is underway at this time.*

Pre-K – 1 Building, 2-6 Building, and 7-12 Building

- *Building construction is to begin in early 2017 (February 2017 is the target date).*

- *7-12 Building.*

- *Due to construction during the 2016 -2017 school year, student and staff parking, and bus drop off/pick up will be changed. A detailed plan regarding alternate routing for bus drop off and pick up will be announced and provided later to Lake parents during August, 2016 via e-mail, a website “news” posting, and social media.*

Coming during 2016 – 2017 School Year, with Support of Local Taxpayers

- **1-to-1 computing:** *all students in grades 8 – 12 will have their own computer devices assigned to them.*

Public Notice

The Lake Local School District and the Ohio Department of Education are trying to identify children with disabilities, birth through age 21, who may be in need of special education services.

For children birth to age 3, a disability means an established condition known to result in a delay or a documented developmental delay.

For children 3-5 years of age, a disability means that a child has a documented deficit in one or more of the following areas:

- communication
- vision
- hearing
- motor skills
- social/emotional functioning
- self-help, and/or
- cognitive skills

For school-age students, a disability means that a student has been identified as having one or more of the following disabilities that adversely affects his/her progress in the general education curriculum:

- multiple disabilities
- deaf-blindness
- visual impairments
- speech/language impairments
- orthopedic impairments
- emotional disturbances
- cognitive disabilities
- specific learning disability
- autism
- traumatic brain injury
- other health impairments

The Lake Local School District offers evaluation for all children with suspected disabilities free of charge. Once the school district is notified about a child who is suspected of having a disability, the child's parent(s) are contacted and informed of their rights as required by the *Individuals Education Improvement Act (IDEIA)* and the *Operating Standards for Ohio's Schools serving Children with Disabilities*.

If you know of a child who is suspected of having a disability, contact Gary Kandel, Director, Special Services, at 330.877.4293, or via email at kandelgary@lakelocal.org. Further information can also be obtained by visiting the Lake Local School website at lakelocal.org.

2016 Uniontown Lions Festival and Lake Township Bicentennial Chautauqua Celebration Now Combined

The 2016 Uniontown Lions Club Festival has combined with the 2016 Lake Township Historical Society's (LTHS) Bicentennial Chautauqua Celebration. *All Lions Festival/Township Bicentennial events July 27 – 30, 2016, including the Lions parade, will now be at the Hartville MarketPlace.* Parking is available on MarketPlace property, with entry from State Route 619 or Market Ave.

Lions Club Festival Details

The 2016 Lions Club Festival will now be Wednesday – Saturday July 27 – 30, 2016, starting at 6:30 p.m. at the Hartville MarketPlace. (The Lions Club parade starting time has been changed to 5 p.m. Saturday, July 30, 2016; parade lineup will be 3:30 p.m. at the Hartville MarketPlace.)

LTHS Bicentennial Chautauqua

The LTHS Bicentennial Chautauqua event is being held in remembrance of the adult education movement that was highly popular in the U.S. during the late 1800s and early 1900s. Chautauqua assemblies expanded and spread throughout rural America until the mid 1920s, providing and culture for communities with speakers, teachers, musicians, entertainers, preachers, and specialists of the day.

Wednesday, July 27, 2016, 6:30 p.m.

o **Living History Night** – will include local reenactors, narration by author and historian Richard Haldi, and a visual

tour of Lake Township through various landscape drawings of **Ferdinand Brader**. **Kathleen Wieschhaus-Voss**, AAA, local appraiser of fine art and antiques, will describe the drawings.

Local reenactors will portray Kathryn Harter, Elizabeth Aultman Harter, Cornelius Aultman, Lewis Miller, May Parsons, and Mr. and Mrs. Conrad Brumbaugh. Also, Grassroots Connection Cloggers will perform.

Thursday, July 28, 2016, 6:30 p.m.

o A festival choir will join together for a **Community Sing**, and local churches may present a brief history of why their congregation settled in Lake Township. Refreshments will be served; bring a stadium style cushion to use on chairs loaned by Hartville Hardware for the event.

Friday, July 29, 2016, 6:30 p.m.

o **Musical Fun Night** will feature music from the 1940s. The **Savoy Big Band** will entertain; dance instructors, Robert and Kimberly McNamara will guide you through some of the popular dance steps, and food will be sold at 1940s prices. Join us for dancing and 1940s era entertainment!

Saturday, July 30, 2016, 5 p.m.

o Annual parade starts at 5 p.m., amusement rides start at 6 p.m., and an entertainment tent will feature a Beatles Tribute Band at 6:30 p.m. Next enjoy Lake High School graduates **Lonnie Jay Freeman** (Elvis impersonator) and **Jacob Rummell** (NBC's *The Voice* participant). Ending the evening will be the annual Lions Club Fireworks – bigger and better this year thanks to local donations!

Additional information

Bicentennial Souvenirs (ornaments, golf shirts, tee shirts, garden flags, and mugs) are available at the Hartville Elevator, the Hartville Hardware, and Hartville Collectibles, as well as at the LTHS one room schoolhouse and LTHS Greentown museum.

Saturday, November 5, 2016, a dinner dance and historical presentation will be held at Congress Lake Club. Ticket information will be posted on the LTHS web site and the Bicentennial Facebook page. Further details will be published in the Hartville News and social media.

The year's Bicentennial celebrations will conclude Sunday, December 4, 2016, during Hartville's annual "**Evening in the Village**" event.

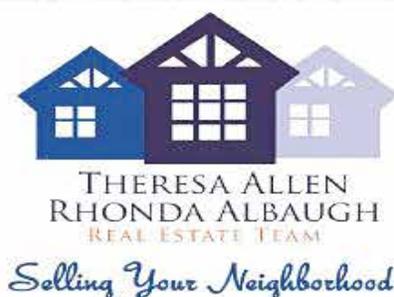

In addition to the events listed above, other events were held in April and June. Information about all events can be found in the Hartville News and on the Bicentennial Facebook page, **Lake Township Bicentennial 2016**, and on the LTHS website located at <http://www.laketownshiphistoricalsociety.org/>.

The Bicentennial Committee and Lions Club, as well as local businesses and supporters, hope this year-long celebration provides fun filled memories for adults and children in this area! Please e-mail questions or comments to lths1995@gmail.com.

Join the 2016-17 Lake Band Patrons!

The Lake Band Boosters invite you to become a Band Patron for the upcoming academic year. All 2016-17 patrons will receive recognition in ALL of the Lake Band concert programs throughout the 2016-17 school year. If you join prior to August 5, your listing will also appear in the 2016 Fall Sports Programs. Parents of 5th through 12th grade band students, relatives, former band members, music lovers, band alumni and interested community members, businesses, and organizations who would like to show support for the Lake Band program are all welcome and encouraged to participate.

Patron contributions are utilized by the Lake Band Booster organization to help fund expenses related to uniforms, instruments, home football game concessions, the annual band fall fruit sale program, hosting the Ohio Music Education Association annual high school adjudicated event, annual August social, spring banquet, scholarship awards, student enrichment and more.

To support the Lake Band students and the upcoming 2016-17 band program, simply complete this Patron form and mail your tax-deductible donation today. Thank you for your patronage!

Massillon Band Show, Paul Brown Stadium, 7 p.m.

Thursday, October 20, 2016
Year in Review Marching Band Concert, Middle School Gym, 7 p.m.

Joe Bogdan is Named New Athletic Director at Lake Local Schools

Joe Bogdan, Jr. has been named the next Athletic Director at Lake Local Schools.

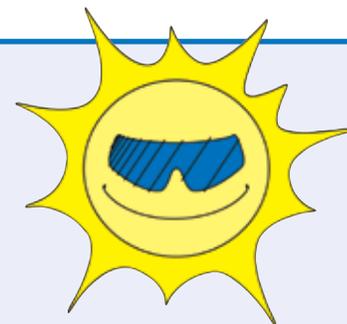

A 1986 graduate of Louisville's St. Thomas Aquinas High School who earned his college degree from the University of Cincinnati, Bogdan has spent the last 16 years as a math teacher and athletic director at East Canton High School.

Bogdan was also the head basketball coach at Tusky Central Catholic, Fairless, and East Canton High Schools prior to assuming his present position.

"We are thrilled to welcome Joe as the new athletic director at Lake High School," said Lake High School Principal Dan Harold. "He has been a master teacher and a true professional throughout his years in education, and he is a person of high character whose integrity cannot be questioned. There is no doubt he will uphold and add to the tradition of excellence we have in our athletic department."

Bogdan will assume his new role at Lake High School, replacing Interim Athletic Director Rich Venuto, August 1, 2016.

Joe resides in North Canton with wife, Sherry, and children Jordan, Dominic, and Adrianna.

Football Tickets Available

Season tickets for the 2016 Lake Varsity Football season are on sale in the Lake Athletic Department. For a season ticket order form please call 330-877-4288. Please call ahead if you wish to come in to see available seating locations as office hours in June may vary.

If you are 65 or older and are a resident in the Lake School District you may receive a senior citizens pass which will give you free admission to our Lake High School and Middle School Athletic Department events. The passes are good for general admission seating and may not be used for OHSAA tournament events which may be hosted by Lake. Call ahead at 330-877-4288 so we may prepare the pass. You will be asked for identification when picking up your pass.

Any prospective athlete who wishes to play on one of our Lake Schools middle or high school teams must have all of their pre-season paperwork turned in before they can begin any pre-season, in-season or post-season athletic activity. Pre-season paperwork includes the OHSAA Physical Examination packet; the Emergency Medical Form; Concussion Information Form; Lake Alcohol, Tobacco and Drug Policy; and Parent Sign-Off Form.

This information may be found on-line at www.lakelocal.org. Click on Athletics; see forms on the right side column. Packets available in the Lake High School Athletic Office. Please call ahead (330-877-4288) as summer may vary.
