The Lake Academic Booster Scholarship Drive for the year 2022 is underway! Annually, we reach out to our amazing community to help raise funds to distribute academic and merit-based scholarships to our hard working and aspiring Lake High School Seniors. In years past we have been blown away by the generosity of our community and the support you have offered to our college bound seniors. This year we hope to continue to reward our hardworking and high achieving students through scholarships built by individual and community donations.

The Lake Scholarship program is a success because of the generous support of businesses and individuals in the Lake Community. Students who reside in the Lake Local School District are eligible to apply and are selected according to rigorous guidelines established by the Lake Academic Booster Club Scholarship Committee.

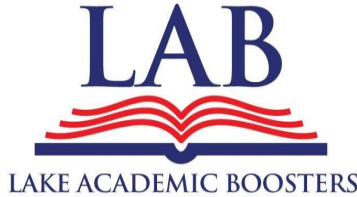

Donations of any amount are appreciated and are tax deductible. Donations of \$500 or more will establish a memorial or named scholarship --for individuals, businesses and organizations. In past years, these benefactors have been invited to present their scholarship in person during the Senior Recognition Ceremony in late Spring. Our hope is that we will again be able to gather together to honor our deserving students! All donations of less than \$500 are combined in the Lake Scholarship Fund and awarded in various amounts.

We hope that we can again count on our community to support our many fine and deserving Lake Students. Together our community can lighten the financial burden to some very hard-working students and demonstrate our support of their endeavors as they move beyond Lake High School to pursue their life goals. Enclosed is a donation form for your convenience. The deadline for our scholarship drive is March 16, 2022.
