

## THINGS TO THINK ABOUT WHEN CHOOSING CLASSES

*CCHS offers advanced and AP courses. These courses are designed for our most driven students who are willing to do readings, studying, and complete projects outside the regular school day. For 9<sup>th</sup> graders, CCHS offers Adv. English I; Adv. Algebra I or Adv. Geom/Trig; Advanced Biology; and Adv. Gov/Econ. Excellent attendance is also necessary to excel in advanced and AP courses.*

*Most freshmen will take English, math, science, social studies, and health/P.E. In courses with limited enrollment, preference must be given to students with seniority. For example, you may wish to take Nursing, but there may not be seats available during 9<sup>th</sup> grade. You could take Arts and Humanities or foreign language in 9<sup>th</sup> grade and take nursing later. You will be asked to choose 3 alternatives for your 6<sup>th</sup> course.*

### **English (required each year)**

English I

Adv. English I--Students must be willing to complete readings and writings outside class time.

### **Math (required each year)**

Algebra I

Adv. Algebra I—Students who were in Algebra I at CCMS; will require out of class time.

Adv. Geom/Trig--Students who were in Adv. Algebra I & teacher recommendation; be prepared to do work outside class.

### **Science (3 credits required)**

Physical Science

Biology I(9)—Students who choose Adv. Algebra I at CCHS may choose this class.

Adv Biology—Students should be willing to study and do work outside class. Students who choose Adv. Geom/Trig will likely choose this class.

### **Social Studies (3 credits required)**

Gov/Econ

Adv. Gov/Econ—Students who choose Adv. Geometry or Adv. English and Adv. Biology.

### **Health & P.E.**

½ credit each is required for graduation. Students who complete one year of ROTC can earn P.E. credit but must complete Health.

**Arts & Humanities** (1 credit required for graduation OR 2 credits in the same area of art, music, band, or drama)

**Foreign Language** (2 credits in same language required by pre-college curriculum)

German I

Spanish I

### **Visual & Performing Arts**

Varsity Band

Mixed Choir

Intro to Theatre

General Art

## CAREER PATHWAYS

**\*\*All students will be expected to complete at least one career pathway while at CCHS.**

**Administrative & Support Services** Designed to provide students an advanced level experience that will propel them into the 21st century business world. Current instructor, Gina Prewitt

**Auto Body** Prepares individuals to apply technical knowledge and skills to repair, reconstruct and finish automobile bodies, fenders, and external features. Current instructor, Vince Hacker

**Carpentry** Prepares individuals to apply technical knowledge and skills to layout, cut, fabricate, erect, install, and repair wooden structures and fixtures, using hand and power tools. Current instructor, Darrell Swafford.

**Computer Science** Focuses on computer theory, computing problems and solutions, and design of computer systems and user-interfaces. Current instructor, Mitch Hawkins

**Culinary & Food Service** Addresses a skill set necessary for success in the culinary industry. Current instructor, Leigh Anne Smith.

**Early Childhood Education** Addresses a skill set necessary for success in early childhood education so that individuals can teach students ranging in age from infancy through eight years (grade three), depending on the school system or state regulations. Current instructor, Teresa Montgomery.

**Financial Services** Prepares individuals to perform a wide variety of customer services in banks, insurance agencies, savings and loan companies, and related enterprises. Current instructor, Gina Prewitt.

**Information & Support Services** Focuses on the design of computing systems. Current instructor, Hutch Hoskins.

**Network Administrator** Helps students learn new administration support skills or upgrade existing computer information systems skills. Current instructor, Travis Fields

**Network Security** Learn new network administration support skills and upgrade existing computer information system skills; designed for students who have completed Information & Support Services or Network Administrator pathways. Current instructor, Hutch Hoskins.

**Nursing @ CCHS** Prepares individuals for admission to a professional program in nursing. Current instructor, Johnna Gay.

**Nursing @ v-school** Prepares individuals for admission to a professional program in nursing, leading to CNA. Current instructor, Johnna Gay.

**JROTC** Four-year sequence of courses in the Army Junior Reserve Officers' Training Corps (JROTC) high school program. Current instructors, David Neff & Shane Campbell.

**Welding** Provides the ability to assist lead welders in the fabrication of steel and metal structures. Current instructor, Bobby Cecil.
