Camp Staff

Andy Stephens—Camp Director

Coach Stephens will be entering his 14th season as the Head Boys Coach at Parkland. Coach Stephens has led his teams to many 20 win seasons, League and DXI Championships games and qualifications for the PA State Tournament. Coach Stephens believes in hard work and dedication. This dedication to the game enabled Stephens to be a successful high school and college basketball player. As an All League player at Central Catholic H.S., he continued his playing career at DeSales University under Scott Coval. In 3 seasons he scored 1231 points and helped lead the team to the 1996 DIII NCAA Tournament.

Assistant Camp Directors

The Assistant Camp Directors will consist of current assistant coaches on the Parkland staff along with other area coaches and players, including many current and former Trojan players. Choosing a highly dedicated and qualified staff is of extreme importance in order to provide help in the proper instruction to each individual camper.

Camp Program

The Trojan Basketball Camp is designed to teach the fundamentals of the game of basketball. Dribbling, shooting, pivoting, rebounding, passing, and proper footwork are all needed to play the game properly.

With the use of stations, each camper will receive individual instruction on the basic offensive and defensive fundamentals necessary to play basketball successfully. In addition, each camper will be taught the offensive and defensive skills required to play two on two and three on three that provide the foundation of five on five play.

At the conclusion of camp each player will receive a personal evaluation. It is our goal that each player will leave camp having been exposed to the proper skills and techniques.

With this information, we believe that the players desire and willingness to work on these skills will directly affect his progress as a basketball player.
