** Projections are from New England School Development Council (NESDEC) dated October 28, 2021.*

**These projections differ slightly from projections used in other areas of this booklet. Projections used in other areas are a compilation of NESDEC projections and those provided by Dr. Peter Prowda.*

**Projections exclude students attending Grasso Tech, Vinal Tech, magnet schools and special education outplacements.*

Trends are based on the October 1st enrollment in each grade.
