How do I know the balance in the account?

Each month parents will receive two statements: a) a **Student Billing Statement** via email, and b) an itemized summary of **Debit Card Account Statement** via email. What are the different Spending Categories Restrictions?

Parents wishing to limit their child's spending may leave the account Unrestricted, or Restrict the categories by the week, or month. If you want your child to have no spending capabilities in any category, check Block Spending on the Debit Card Restriction Form.

- **Allowance** – cash withdrawals, includes cash for on-campus Laundry

The school maximum for allowance withdrawals, whether restricted or unrestricted, is \$50/day.

If a spending limit is set up per week, unused funds will carry over into the next period, only for Cash Allowance.

If you do not wish to have the funds accrue (carry over to the next period) please select **Do Not Accrue** on the Debit / Spending Restriction Form.

For example, if a student has a spending limit of \$50 per month, if he/she spends only \$35 in October, he/she will have \$65 per month for November (\$50 plus the previously unused \$15).

- **School Store** – to purchase supplies, sundries and Saints apparel
- **Café-Snack Bar** – to purchase food at the Café on campus; spending limits in the School Store and Café do not accrue (carry over to the next period)

Can changes be made to restrictions during the school year?

Yes. Changes can be made at any time to either eliminate or adjust restrictions in one or all categories.

Please contact Debit Card Coordinator Adela Durant at (860) 210-3801 or email her with the information to adurant@cbury.org.
