During winter months students must wear red long sleeve shirts under red polo shirts, white long sleeve shirts under white polo shirts, and black long sleeves under black polo shirts. Parents will be asked to bring the appropriate uniform attire to school. Students who are not in uniform will not be permitted in class.

Arrival
There is no supervision provided for students until 7:00 a.m.
Students should not arrive at Hawthorne before 7:00 a.m.
Parents are to DROP OFF students in the front of the school.
Students must report to the cafeteria upon arrival. All students are to remain on school grounds after their arrival. (This applies to daycare van riders, walkers, or those providing their own transportation.) School hours for students are 7:30 a.m.-2:35 p.m. Students are considered tardy as of 7:31 a.m.

Students arriving after 7:31 are to report directly to the office with their parent/guardian or written notification from the student's parent/guardian, stating the reason for the tardiness and that day's date. All late students must get a classroom pass from the secretary to present to the classroom teacher for admittance into the room. If needed, the secretary or school personnel will escort students to class. Please

Dismissal
The school day for students ends at 2:35 p.m. All students must be picked up by 3:00 p.m. If students are not picked up by 2:55 p.m. and we are unable to locate a parent it will be necessary to notify the police to pick the child up.

For safety reasons all students will be dismissed from their classroom. We will begin dismissal procedures at approximately 2:30 p.m. Parents who walk to Hawthorne to pick up their child should wait outside the double doors for a staff member to call their child. For safety reasons, the front doors will be locked between 2:15 — 2:45. We will not allow anyone into the building during this time. Car riders will be dismissed from the front ramp starting at 2:25.

Please Note: Please note that the entrance into the school drive is a one-way thoroughfare for safety precautions. We ask that you please stay in your car during dismissal.

1) Car Riders: All students being picked up in cars will exit through Hawthorne's front doors.
   a. When you are in line to pick up your student(s), a staff member will come to your vehicle to ask for your student's name.
   b. Two lines will need to start forming along the front of the school.
   c. Parents are not allowed to park in the "Bus Lane." (Closest to building/awning).
   d. After the staff receives the names of students, they will call students from the classroom using a walkie talkie. Student(s) will walk out to your car. All students in your lane must be loaded before your line can be dismissed out of the loading zone. If your child is not ready for car rider dismissal, you will be asked to pull forward. We cannot hold up traffic while you wait for your child.
   e. When all students are safely loaded, a staff member will signal you to move forward to exit the parking lot. For the safety of all children, no passing or changing lanes will be allowed unless signaled by a staff member.

2) Daycare van riders only: All daycare van riders will pull up on the south side of the school. Students will be dismissed through the cafeteria doors on the east side of the school.

3) At 2:35 the "walkers" are dismissed to the south hallway behind the gym. They will exit through the south doors.

It is expected that students will have departed from school grounds by 2:55 p.m. Exceptions to this may be those students involved in clubs, activities or completing make-up work under the direct supervision of a sponsor or teacher. School ends at 2:35 p.m. Any child left unattended and without notice after 30 minutes is subject to be surrendered to the TPS Police or Tulsa Police Department and will be reported as a Child in Need of Supervision with a referral to the Department of Human Services.

If early pick up is necessary, a written request and/or a telephone call from the parent/guardian stating the reason and time shall be given to the secretary. Parents can use the QR code to check their child out from school early. This is located on the front doors.
The student is to check out with the secretary when leaving the building and check in upon his/her return. In order to ensure the safety of our students, parents or guardians picking up a student must enter the building, check in with the office staff, present identification to the office staff, and sign the student out. The secretary will call the student to the office. Students must not leave the school building or grounds before the close of school unless approval is granted from the office. Early pick up should not be a regular practice. Early pickup affects your child's attendance. Your child misses valuable instruction and does not receive full educational benefit if you pick him/her up early.

There will be no early pick up after 1:45 p.m.

In order for a student to participate in an after-school activity, it is required that the student be present at school for a minimum of four hours on the day of the activity.

**Attendance**

If it is necessary for a student to stay home due to illness or other reasons, the student's parent/guardian must call the secretary at (918) 925-1340.

If telephoning is not possible, the student should return to school with a parent/guardian or written notification from the parent/guardian, stating the reason for the absence and the days missed from school. If you do not contact the school, the absence will be considered an unexplained absence. Principal will contact parents/guardians if student has 3 or more absences. If absences or tardiness become a pattern, the case will be referred to the district truancy officer and truancy court. **Students with excessive absences may be retained and Special Transfer will be revoked. Students who have ten consecutive unexplained absences will be withdrawn from school. If the student returns to school a parent must accompany the student and complete the entire enrollment process again.**

Explained absences are granted for the following reasons:
1) Student illness (if a student is absent 3 days or more, a doctor's note should be brought to the nurse's office before the child can be admitted to class), 2) Death in the family, Family emergencies, and 3) Head lice/nit removal (2 days maximum for lice/nit removal).

**Moving During the School Year**

You may take your child to your new neighborhood school and enroll in the new school, or you may choose to remain at Hawthorne for the remainder of the school year. If you choose to remain at Hawthorne, you will need to provide transportation and complete special transfer forms. Your child will need to be on time and maintain a good attendance record or special transfer will be revoked.

**Emergency Procedures and Safe House**

Emergency procedures have been developed and are in place to cover any foreseeable problems. Those procedures are practiced monthly. In the event of a required evacuation from the building in which we are not allowed back inside, all students will be relocated to our safe house, Educare or Crossover Health Facility. Parents or guardians of the designated emergency contact person may pick up students at our safe house.

**Change of Address/Phone Number**

It is very important that every student maintain an up-to-date address and telephone number recorded in the school office. Notify the school immediately if you have a change of address, cellular telephone number, home telephone number, or work telephone number during the school year.
Breakfast/Lunch Program
Nutritional breakfast and lunch are served at Hawthorne. Breakfast is served from 7:00-7:25 a.m. in the cafeteria. Please make every effort to have your child at breakfast on time. Breakfast will be over at 8:00 a.m.
Lunch is served from 10:50 a.m. to 12:55 p.m. Lunch forms for free and reduced lunches are sent home at the first of each school year. It is very important that each family complete a form. We receive funding for the school based on the free and reduced forms. Due to the large number of students qualifying and a 100% return rate for all forms, whether students qualify or not, we have been able to offer free breakfast and lunch for ALL children. Please help us reach the goal by returning the form whether you think you will qualify or not. We have to have 100% return of forms from ALL students. Lunch prices for visitors are $3.00. If you have questions regarding the status of your child's lunch account, contact the cafeteria cashier at (918) 925-1340.
Any food item brought to school is to be stored in a container not made of glass. Students will not be allowed to bring individual bags of chips, soda, etc. to eat with school lunch. All food will be consumed in the cafeteria during the student's lunchtime. At this time, due to COVID-19, parents will not be able to join their child for lunch. In addition to all other school policies, students are expected to observe the following cafeteria expectations:
1) Use an "Inside Voice" and respectful language 2) Walk 3) Clean table and floor areas 4) Raise their hands if they need assistance 5) Sit appropriately in assigned areas 6) Put all unwanted food in the trash 7) Stay seated until dismissed

Media Center/Library
The media center/library is located across from the gym. Books may be checked out for one week and renewed for another week, if necessary. Lost and/or damaged books shall be the responsibility of the student checking out the book. Students have an assigned “check-out” day. Please speak with your child's teacher for more details.

School Counselor
Students are encouraged to become familiar with the counselor. Students and parents/guardians are also encouraged to take advantage of counseling opportunities to discuss behaviors or academic support. To make an appointment, call or report to the office.

School Publicity
Information will be shared with families via Hawthorne's Facebook page and using Talking Points. Please update the front office if your phone number changes so that you continue to receive all necessary information.
Textbooks & Computer devices
The school district provides textbooks to all students. Reasonable wear is expected as a result of daily use. If a textbook is misused, lost or damaged, the student and his/her parents/guardians will be held responsible. Computer devices are considered instructional tools. They are to be cared for and kept clear of food, drink or damage.

Electronic Policy
There are to be no electronic devices out during the school day. Students may turn cell phones off and leave in their lockers during the school day. Hawthorne Elementary nor TPS is responsible for lost or stolen devices.

Consequences
1. Verbal Warning
2. Teacher will take it for the day - parent phone call
3. Turned into Admin. Will release to parent ONLY - parent conference (scholar no longer allowed cellphone in the building).

School Nurse
A registered nurse/health assistant provides health services. They are primarily responsible for the care of the ill or injured students or faculty members. The nurse is on call for emergency care as needed at all times. Students and parents/guardians are requested to inform the school nurse/health assistant of any health conditions or regular medications which may warrant special attention. State law requires accurate and up-to-date immunization records for each student enrolled. Students needing immunizations will be notified and given the opportunity to obtain the necessary immunizations. NOTE: This is by law--- Students who fail to meet the immunization requirements will be excluded from school.

Dispensing Medication--Students who take prescribed medicines are to bring the medication in the original container to the nurse's office for safekeeping with the needed information on the container. The information needed is as follows: date, student's name, medication name, number of tablets in the container, time medication is to be consumed, physician who prescribed the medication, any side effects or concerns, and a telephone number where parent/guardian may be reached in case of questions. Medications that do not meet these criteria will not be given.

Student Illness--If the illness warrants that the student is dismissed from school, the nurse (or her designee) will telephone a parent/guardian to make the necessary arrangements. Students will be excluded from school for the following:

* fever of 100 degrees or higher
* common childhood diseases
* undiagnosed rashes
* chicken pox
* head lice
* vomiting and/or diarrhea
* strep throat
* fainting
* impetigo (contagious skin condition)
* red-inflamed eyes (pink eye)

Please Note: Students must be without a fever for 24 hours before returning to school.
Homework Tips
1) Set aside time to complete homework.
2) Find a special place free from excessive noise and other distractions in which to work.
3) Organize time so homework can be completed without rushing.
4) Place completed homework in the homework folder and return to school. 5) Homework will be given to students Monday-Thursday.

School/Home Communication
We pride ourselves on consistent and frequent communication with each student's parent/guardian concerning his/her progress. Parents play a critical role in the growth of our students, and we encourage them to contact the school whenever concerns arise to obtain information about their child's progress. Teachers will notify parents if their child is receiving a 70% or below in any subject. Creating an atmosphere for ongoing communication between teachers, students and parents/guardians provides an opportunity for success.

Please Note: You may contact your child's teacher at (918) 925-1340.

Parent/Teacher Conferences
We require ALL parents to attend parent/teacher conferences. At the first parent/teacher conferences (October), the teacher will discuss your child's progress in school and learn more about him/her from you. During the student-led parent/teacher conferences (February), your child will lead the conference and inform the parent/guardian of their academic progress. Your child's teacher will attempt to schedule a time, which is convenient for you. We require 100% participation from our families.

Report Cards and Checklists
Please note: Every effort is made to communicate the progress of your child (ren) in regard to their academic and social growth.

1) Grades Pre-Kindergarten through 5th use a report card with specific objectives listed. Certain symbols for the following objectives/stages are used to communicate your child's progress:

Prekindergarten- Kindergarten: "M-Mastery," "P-Progressing Adequately," "N-Not Making Progress" and "Blank-Skill not assessed at this time."
Grades 3-5: "1-Outstanding," "2-Satisfactory," "3-Making Progress," "4-Area of Concern," and "Blank-Skill not assessed this quarter."

2) Students will receive letter grades. Grades 3, 4, 5 use traditional report cards with letter grades of A, B, C, D, F. If you have any questions about your child's grades, please visit with his/her teacher.
Power School Parent Portal
If you want to keep up with your child's academic performance (reading MAP score, math MAP score, etc.) you may access it through PowerSchool Parent Portal. PowerSchool is the district wide program to check your child's grades. If you have not accessed your account this year or have never logged in to PowerSchool you may request your Access ID and Access password in the front office. We will print your information, but our policy is that you must come into school to pick it up. http://www.tulsaschools.org/3 Parents/PowerSchool main.asp You may combine all the children of your family to one account instead of having multiple usernames and passwords. If you need instructions to create an account using your Access ID and Access password, please see the school Parent Facilitator.

Custody of Children
Custody of children is a very difficult decision. Many times, it is a problem determining whether or not a child can go with a particular parent or relative. If there is a situation in your family in which a child is not allowed to go home with a particular parent or individual, please notify the school office immediately. Please note that a parent must have legal custody of a child before he/she can request denial of another parent to have equal access to the child. Custody papers should be kept on file at the school.

Student Placement Procedures
Each spring, the principal is responsible for compiling class lists for the upcoming year. The placement of students is done with great care to ensure all classrooms are balanced regarding academic ability and achievement, special education students, number of boys and girls, cultural diversity, leaders, personalities, etc. The staff at Hawthorne is capable of educating all children.

Gifted Talented Program (GT.)
The GT program is offered to students in grades 2-5. This program is a multidisciplinary curriculum stressing high levels of thinking, problem solving, and questioning. Elementary students qualifying for the GT program attend classes at Hawthorne one day a week. In order to qualify for the program, a student must score a certain criterion on an individual cognitive (IQ) test. If the criteria are met, the student qualifies for the program.

Visitors/Volunteers
We welcome visitors/volunteers at Hawthorne, however due to COVID-19 we are encourage visitors to be cautious. Any parents, guardians, or other interested parties are encouraged to visit our school. The office personnel will make arrangements for visitors/parents to speak with a student or teacher. We do require that all visitors enter through the front door, register at the office, and wear the provided visitor's badge for security reasons and the safety of the children.

If you plan to volunteer, visit your child's classroom, eat lunch with your child or for any other reason you need access to any area of the school building, you will be asked to wear a badge identifying you as a visitor. Any visitor without this badge will be asked to report to the office to receive one. When you leave the building, report back to the office, check out and leave our badge. Teachers are not available to visit with parents during instructional time. Please call to make an appointment if you would like to discuss concerns about your child. Students and/or parents may not bring siblings and/ or school-aged visitors from other districts to Hawthorne during the school day for any reason (parties, field day, etc.). If you wish to be a school volunteer, you must contact our parent facilitator, complete a volunteer application and complete a background check. Once we receive and review your application you will be contacted, and we will determine where you will be best utilized.
Background Check
All volunteers/mentors must complete a name search background check at the beginning of each school year. The Board of Education will pay the fee for the background check. You can pick up and return the form to the school office.

Assemblies
Assembly programs are an extension of classroom learning situations. Students are expected to conduct themselves at assembly programs as they would during any other classroom activity. Out of school guests are frequent visitors during assembly programs and the behavior of the student body during such a program reflects favorably or unfavorably on the school and the student body.
   1) Each class will be assigned a section in which to sit.
   2) Find a seat in your section as quickly as possible.
   3) Give your undivided attention to the person or persons who have the floor.
   4) Get quiet as soon as the person in charge raises their hand/clap.
   5) Do not talk, boo, etc. when you should applaud.
   6) Leave in an orderly manner, one class at a time (no pushing).

Room Parties
Three dates are scheduled for room parties. Any snacks brought for the class must be store bought, individually wrapped, and completely sealed when brought to school. Opened packages or homemade items will not be permitted.
Room party dates are as follows:
   ** Fall Celebration—October 29, 2021
   ** Winter Holiday Celebration—December 17, 2021
   ** Valentine Celebration—February 14, 2022

Classroom Birthday Parties
Students may bring treats to share with their classmates on their birthdays. Birthday parties are held at 2:00 and must be scheduled with the classroom teacher. At this time, due to COVID-19, parents may not attend. If this policy is to be lifted, we will notify parents. Younger siblings or family members may not attend. Please consult your child's teacher regarding the number of treats needed and time of party. Individually wrapped treats must be used to reduce health risks. All items must be store bought and sealed.

Party Invitations
Invitations to personal parties may not be given out at school. Feelings can be hurt and students upset if they are left out or can't attend.

Pictures of Students and Yearbooks
Fall school pictures will be taken in the fall. Orders must be preselected and prepaid. Orders will be taken for yearbooks in the spring of the year.

Money
To avoid potential problems, please do not send students to school with extra money in their pockets. In case of an activity or emergency, place the money in an envelope with the amount and your child's name. Please instruct your child to give the envelope to the teacher.
Lost and Found
Clothing, tote bags, and other student belongings should be clearly marked with the child's first and last name. Articles found in and around the school will be placed in lost and found.

Field Trips
For the safety of your child, a permission slip must be signed in order for your child to attend the field trip. All students attending a field trip must ride the school bus to and from the designated field trip. Your child's behavior will determine his/her right to attend a field trip. All field trip volunteers must complete a volunteer application and a name search background check before being able to attend any field trip. Classroom chaperones may not bring any children, since they are needed to oversee other students in the class.

Text Messages
Talking Points is our texting system to communicate with parents. Please make sure you update your phone number if it changes as this will be a regular method of communication with families regarding events and activities that are happening at Hawthorne.

Weapons and Tobacco
Tulsa Public School Policy does not allow for weapons, drugs or any tobacco products to be on school grounds at any time. Parents may not use tobacco products on field trips.

Educational plans will not be provided to students who are suspended for less than 5 days or to students who have been suspended for possession of a dangerous weapon or a controlled dangerous substance (Policy 2619). ] Bullying Students are encouraged to inform school personnel if they are the target of or a witness to bullying. To make a report, students should notify a teacher, counselor, or principal. The employee will give the student an official report form, and will help the student complete the form, if needed. Reports can also be made by any student, parent, or patron through the District’s TIPS (Threat Assessment, Incident Management and Prevention Services) online reporting system found on the district’s website or by telephone at 918-746-6868 (Policy 2119).

Behavior Guidelines for Attending Hawthorne Events
1) Behavior expectations at after-school activities are the same for students as during the school day.
2) Cheering for your team is always encouraged as team spirit.
3) Respect the calls and the judgment of the game officials. Do not question an official's call. We have never seen an official change their mind about a call based on the displeasure of the crowd. Being a good sport leaves a positive impression on people. Many times, the only impression some people will have is what they see at an athletic event.
4) While the game is in progress, you are expected to remain seated in order to not distract the players in the game.

*Remember, the main reason you are at an athletic event is to watch the team.

Hawthorne Clubs and Organizations
Several clubs will be formed throughout the year. Students will have the opportunity to become involved in many school activities.

Recess
Students have recess daily. Decisions to have outside recess during the cold weather depend upon the temperature and the wind chill factor. Always dress your child for outside recess. Students will have supervised time in the classroom, gymnasium, or cafeteria on days when weather prevents outside recess. Quiet games, talking with friends, etc. are usually allowed by the teacher in charge. All students with medical excuses will be allowed to remain in the building during scheduled outside breaks. Each day the child is to stay inside a note is required by the parent/guardian.
