Call to order 6:00 pm

Minutes reviewed.

Agenda was reviewed.

6:05 Discussion of ongoing questions to the board, 12 questions which were summarized from previous meetings. The board appeared to reach a consensus that our priority is not a 2<sup>nd</sup> high school, but instead improving and supplementing existing high school facilities.

Committee members shared some thoughts based on board member responses.

7:00 The committee discussed the current thought exchange that the district is running, and reviewed initial submissions.

7:15 The committee reviewed a draft recommendation, and finalized the existing facilities assessment which was completed.

7:54 Committee members offered some closing thoughts. The committee reached consensus that a question back to the board should be “are we going to run a measure in November?”

8:05 Meeting adjourned.

Next meeting March 24<sup>th</sup>.
