I am the parent/guardian of the above named student and give consent and permission for the information on this form to be shared with teachers, principals, and other staff members that have direct contact with my child for the current school year. I understand that a trained school staff member may administer prescribed medication and/or assist my child to comply with his/her physician's prescribed medications or treatments if needed. If my child's physician gives authorization for my child to carry and self-administer his/her medication, I consent and understand that medication independently self-administered is not monitored by staff. I agree to provide the necessary prescribed medication or treatment supplies and agree to notify the school nurse immediately of any changes.

The school health staff shall contact the student's parent/guardian to discuss any concerns regarding the student's care which might require medical follow-up and/or shall contact the health care provider to obtain current information verbally when necessary to manage the student's condition at school. I understand that the Rockcastle County Board of Education Medication Policy and Procedures are readily available for me to read.

I hereby agree to release and hold staff members free and harmless for any claims, demands, or suits for damages from any injury or complication that may result from such treatment described by me or prescribed by my child's physician. I have read and understand this consent. I sign it voluntarily and with full knowledge of its significance.
