

What parents and students are saying about Ocean Knoll...

"Ocean Knoll is a balanced school where teachers care about our feelings. If we are feeling sad they will work through your feelings with you and teach you." - 5th grade student

"I respect Ocean Knoll because (the teachers) have taught me so much and I couldn't ask for anything more!" -Sixth Grade student

"You know you chose the right school when your children rave about their teachers, are enthusiastic about what they are learning and have made life long friends. There are a myriad of moving parts at Ocean Knoll that sync beautifully because of the healthy, robust and positive culture we hold strong to as a community, student body and staff. I am proud and grateful to be a part of the larger dolphin family!" - Parent of 6th and 3rd grade students

OCEAN KNOLL

AN IB WORLD SCHOOL

Why OCEAN KNOLL? ☼

The mission of Ocean Knoll Elementary School is to develop lifelong learners who are empowered to make a difference in their local and global communities through action founded in knowledge, reflection, and intercultural understanding. The teachers, families, staff, and community work together to foster an environment that is supportive, creative, and open to growth. Through communication and collaboration, our school community builds trust and empowers us all to continually improve the educational experience for all our children.

IB Program at a Glance

Ocean Knoll became an authorized IB World School in 2013 and was reauthorized in 2018. Currently, there are over 5,400 schools in 159 countries offering rigorous IB programs to more than one million students. The International Baccalaureate aims to develop inquiring, knowledgeable, caring young people who help to create a better and more peaceful world through intercultural understanding and respect. The programs encourage students across the world to become active, compassionate, life-long learners who understand that other people, with their differences, can also be right. The International Baccalaureate Primary Years

IB Themes:

Six interdisciplinary themes of global significance provide the framework for exploration and study:

Who We Are

Where We Are in Place and Time

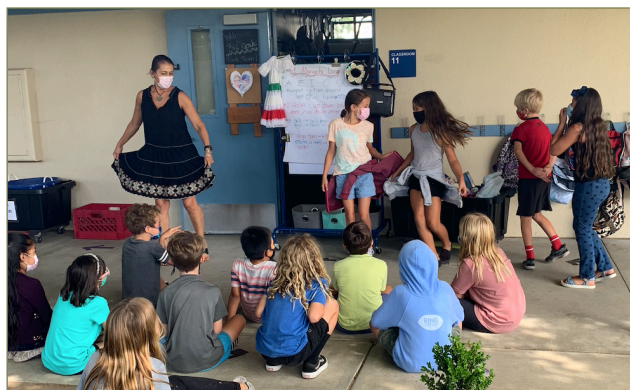

How We Express Ourselves

How the World Works

How We Organize Ourselves

Sharing the Planet

Teachers are guided by these six themes as they create IB units of inquiry.

Ocean Knoll's IB PYP Program:

Small, Community-Based School -570 Students-
Concept Based Units- Inquiry Based Learning- High
Academic Standards and Rigor -Real-World
Application- Hands-On Projects - Standards-Based
Curriculum - Student-Centered- Action Oriented
