

TUPELO

PUBLIC SCHOOL DISTRICT

Topp Has CTE Surging To The Top

TUPELO, Miss. — Now in her 14th year as the director of the Tupelo Career and Technical Center, Evet Topp can't imagine life away from the Tupelo Public School District after 20-plus years of dedicated service.

A Tupelo local herself, she graduated from Mississippi State and dove straight into TPSD.

Away from school, she loves spending time with her best friend, Reginald, and her son, Beckley, who has been a daily blessing.

Despite loving to cruise anywhere a boat will take her, the last thing she will eat is a raw oyster. But if you want to make her really happy, treat her to a Mexican meal. And when it's time for hobbies, people might be surprised to know she loves arts and crafts.

This week's TPSD Administrative Focus and winner of a Buffalo Wild Wings gift card is Evet Topp of the Tupelo Career and Technical Center.
