Summer School Needed? (CC or on site if available)

IB Diploma candidate must meet the requirements for three (3) educational entities:

OUHSD graduation requirements

CSU/UC A- G subject requirements

IB diploma candidate requirements

Requirements for an IB Diploma:

* = **two-year course**

3 HL courses

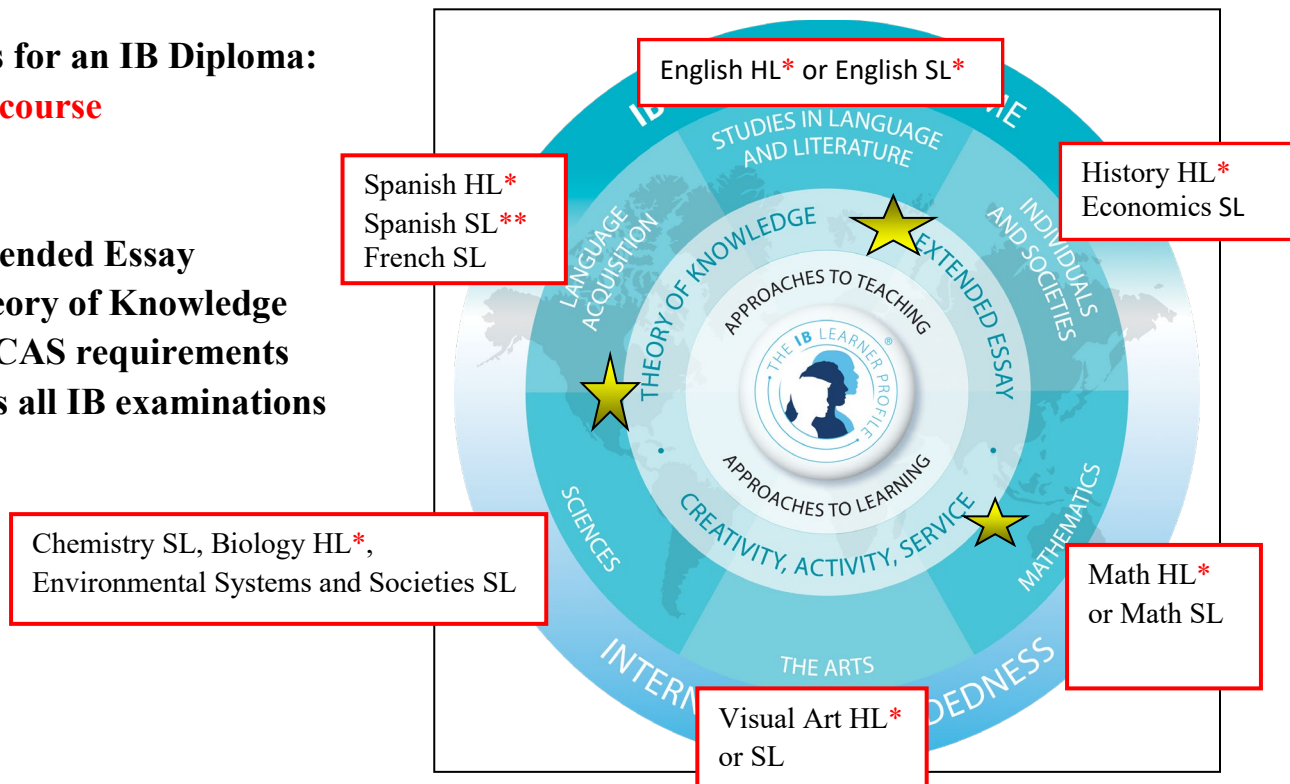

3 SL courses

★ Complete Extended Essay

★ Complete Theory of Knowledge

★ Complete all CAS requirements

Take and pass all IB examinations

Note: **Our first year of Spanish SL is SPANISH 3.**

Important Information:

1. IB requires that, in addition to taking 3 HLs and 3 SLs, a student must take a course from each area of the circle above. **A student may take 4 HLs and 2 SLs as long as the student is taking courses from each area of the circle above.** However, a student can **substitute** Economics SL or Environmental Systems and Societies SL **for** Visual Art SL (provided that student has met the A-G art requirement for UC eligibility)
2. **IB courses are the only courses** that count toward a student's pursuit of the IB Diploma. However, many students add additional courses to their junior year and/or senior year schedule(s). Example: Physics CP, Marine Biology CP, Criminal Justice CP

Adding additional coursework to an IB Diploma schedule is not a requirement nor is it always a possibility. Students must always consult with our IB counselor Mrs. Kenney - kristene.kenney@oxnardunion.org
