Old Business		
5	Budget Update	Michele provided updates on budget recommendations-asking for full-time social worker and additional school psychologist.
New Business		
7	Technology Survey	Gisela sent updated student and parent technology surveys with minor changes-decided to eliminate short-answer response as previous survey question was difficult to sort out responses. Spent time going over student survey questions and made updates to a few of the questions. Discussed goal(s) of the survey-looking to compare data from survey completed few years ago, as well as to have a general sense of how the past 2

		<p>years have changed how students are accessing and utilizing technology. Discussion regarding whether watching television shows/videos should be regarded as “screen time”. Collectively decided to include television for students to consider when thinking of hours spent on screens.</p> <p>Want to make sure that students know there are adults at school (counselors, teachers) that they can go to with questions or concerns-added blurb at end of survey with information regarding grade-level counselors.</p> <p>Alison shared book “Developing Digital Detectives” about implications of how technology has changed how we instruct as well as its effects on social-emotional learning.</p>
