Dear Parents/Guardians of Incoming 9th Grade Students:

It is our pleasure to welcome you to H. H. Dow High School, an International Baccalaureate School. The staff and teachers join me in saying we are happy to have you begin your high school experience. We will do everything possible to help make these years a successful experience for you and your child.

Dow High School is beginning to plan and prepare for the 2021-2022 school year. Due to all of the changes and restrictions for gathering in large groups, we will be emailing and releasing a video series the week of January 25, 2021, to inform and assist you in the course selection process. Each video will have a different focus or purpose in the process, and will allow you time to process information at your own pace. In addition, we will add all of the information to the Dow High School webpage. Look for the link titled "Scheduling 2021-2022" in the green banner on the homepage.

While this format is new to you, it also is new to us. We wish we could hold meetings as usual and are doing our best to meet needs while complying with MDHHS expectations. We look forward to working together to create an informed freshmen schedule for your student.

Please submit completed scheduling sheets or email an electronic copy to Ms. Timmerman at Jefferson MS by Thursday, February 4, 2021.

Sincerely,

Jennifer Coppens
