

RED DEVIL WRAP-UP

ISSUE I

FALL/WINTER 2018

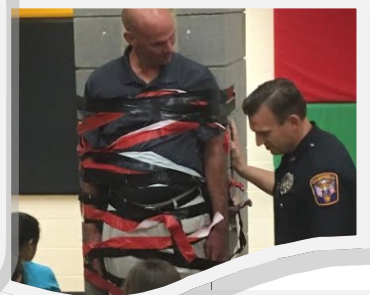

FIRST COMMUNITY NIGHT OF THE YEAR ANOTHER SUCCESS

The first Community Night of the year was again a huge success! The theme was "Game Night Family Night." Teachers, students and their families from grades K-7 enjoyed their evenings playing a variety of games. They even raised money by purchasing duck tape to attach Mr. Goske to a pillar! 6th grader Maya Banks said the best part of the night for her was "playing games with different families." It's clear that this family game night is a winner for the Campbell Community!! Great job, everyone!

FALL SPORTS

7TH GRADE FOOTBALL TEAM

This year, the 7th grade football team had another season by going 6-1. The team was led by many talented 7th grade students. When asked what the best part of being on the Football team, player Anthony Johnson replied, "playing on defense!" Great job boys and good luck next year!

"There may be people that have more talent than you, but there's no excuse for anyone to work harder than you do." —**Derek Jeter, retired**

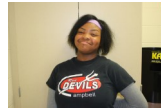

7TH GRADE VOLLEYBALL TEAM

The 7th and 8th grade volleyball team had a great season of growth. Even though many girls played for the first time, the 7th grade team managed to have their first victory in over 3 years! Also, two 7th graders played on the 8th grade team because of their serious volleyball skills—Angeliz Diaz and Carla Ramirez! Congrats girls on a job well done! Good luck next year!

—Newspaper Staff

Fall Athlete Spotlight

Diamon Sims: Diamon played 7th grade volleyball this year. She really enjoyed playing and learning the game. When asked about the best part of playing, she replied, "I got to know my classmates in a different way." When not in school or playing sports, Diamon enjoys dancing, listening to acoustic music. Her favorite show is *Family Guy* and her favorite food is shrimp alfredo. When

7TH GRADE CHEERLEADING

7th grade Cheerleaders: Top Row: Gabby Jones, Kendall Brunn, Cha'Daeja Marshall, Symone Sferra; Middle Row: Ava Tovarnak, Zy'oniah Crenshaw; Front Row: Arilis Cruz, Cyra Cross

Photo Courtesy of Sanko Photography

The cheerleaders had the crowd on its feet during the Middle School football games. Led by their new coach, the girls worked hard to make each game fun and exciting for the people who attended. This year, the squad won honors at the Pink Ribbon Cheer Classic by taking first place in best banner, earned "Rocking the Pink" award for most entertaining routine and 3rd place over all for the community awareness award. Not bad for the first time competing...Great job keeping the Red Devil Spirit alive!

RED RIBBON WEEK

Red Ribbon Week is where students participate and demonstrate a commitment to a drug-free lifestyle. During the week before Halloween, Campbell Middle School students showed their support for Red Ribbon Week by dressing up each day in certain outfits. Students and staff alike enjoy this week because it gives them a chance to come together with their homerooms and compete to win a pizza party by having the most participation. This year, Mrs. Truslow's homerooms. Congratulations! Here is a list of what the students and staff wore

each day:

Thursday– **Sock it to drugs!** Students wore **CRAZY SOCKS**

Friday– **TEAM UP AGAINST DRUGS!** Students wore their favorite team apparel.

Monday– **STICK TOGETHER AND DON'T DO DRUGS!** Twin day

Tuesday– **REAL HEROES DON'T DO DRUGS!** Students wore Hero shirts

Wednesday– **"ORANGE" YOU GLAD YOU'RE DRUG FREE! Or DON'T BE TRICKED, DRUGS ARE NO TREAT!** Students wore orange or a Halloween Costume

VETERAN'S DAY MUSIC ASSEMBLY HONORS CAMPBELL VETS

On November 9, 2018, the Campbell Middle School music department honored Veterans with songs of patriotism to show gratitude for the sacrifices made for our country. This year, the music was accompanied by a slideshow of pictures of our own Campbell veterans that have either retired or are in active du-

ty. The students performed various songs and did so with American pride. Great Job Mr. Welch, Mr. Spurio and students. Also, thank you to all of our veterans for keeping America the Land of the Free and the Home of the Brave!

STUDENT COUNCIL COLLECTS SOCKS/FOOD FOR PEOPLE IN NEED

The Student Council was off to a great start to help the community in two great ways this year. The first way was called "Socktober" in which students and staff brought in new socks during the month of October to give to people in the community. Second, the students held a Food Drive in November and asked students and staff to bring in certain items for each day of the week. The food drive brought in over 2,000 pounds of food and will be able to feed many families in the Valley. Great job, Student Council! Keep up the good deeds!

Warm Feet  Warm Hearts

6TH & 7TH GRADE HOLD FIRST CPM MATH NIGHT

This year, Campbell City Schools adopted two new curriculums for both K-5 and 6-12. Kindergarten to 5th grade are using "Investigations" and 6th through 12th are using "CPM" (College Preparatory Mathematics). On September 13th, 6th and 7th grade math teachers teamed up with the Mahoning County Educational Services Center and held their first "CPM Math Night," which introduced the new curriculum to parents of 6th and 7th graders. An introduction

of how the program is set up and what the students will be learning this year was presented. There were activities that encouraged teamwork and showed the parents how students will be working more in teams this year in the math class. The district plans to hold its next CPM Math Night on January 17th. More lessons will be presented and parents will be able to ask specific questions about the new curriculum.

AFTER SCHOOL PROGRAM NOW OFFERED FOR GRADES 4-7

This school year, the United Way is providing after school opportunities for all middle school students. This is a change from last year because it only included 4th and 5th graders. Students were sent information regarding the program and began attending in October. Each day, students have the opportunity to play games, work on home-

work and get extra help they might need in reading and math. One student in the program said her favorite thing is "the small classes to help her with reading and math." Students seem to enjoy the program and all it offers. This is just another way students at Campbell are getting the chance to learn in fun and exciting ways. —Newspaper Staff
