Identifying Academic Needs

Spring 2021	<p>Campbell City Schools will identify academic needs by using the Ohio Improvement Process. Teachers and administrators will look at data in Teacher Based Teams, Building Leadership Team, and District Leadership Team meetings. The teams will analyze grades, attendance, mastery grading in the Impact Academy, iReady data in grades K-8, KRA-R scores, fall third grade ELA State Assessment scores, Early Warning System (EWS) data.</p> <p>Needs- High School Diagnostic Data - ex: NWEA MAP, Restart Readiness Assessments - possibly use this spring to identify students who will attend summer school.</p>	21st Century Grant, ESSER, School Quality Improvement Grant
Summer 2021	<p>Final grades and data collected throughout the school year will be used to determine what students will attend summer programming. Incoming kindergarten students will be screened and based on that screening, students will be recommended to the Success By Six program.</p> <p>The 21st Century Grant After School program will continue into the summer for students in grades 4-6. Recommendations for this summer program will be made based upon in-school and after-school data.</p> <p>iReady data and benchmark assessment data will be used to recommend students in grades K-6 for the summer tutoring program.</p>	United Way, ESSER, 21st Century, OCER Grant
2021 - 2022	<p>Campbell City Schools will continue to use the Ohio Improvement Process to examine diagnostic screener data such as iReady, Benchmark Assessment System data, state testing data, and attendance and discipline data to determine which students need intervention.</p>	ESSER

Approaches to Address Academic Gap Filling

<p>Spring 2021</p>	<p>Currently, to close gaps, Campbell City Schools is open five days a week to our traditional students. Remote students are worked with daily. We have interventions for traditional students as well as remote students.</p> <p>A math intervention program will be developed for next year for students who are in need of math intervention based upon the data collected this spring and summer.</p> <p>In partnership with MCECSC, a career counselor has worked with high school seniors and graduation requirements.</p> <p>Support is provided to our EL students through our family coordinator, EL teachers, and educational assistants.</p>	<p>ESSER, 21st Century Grant, United Way, OCER Grant, School Quality Improvement Grant</p>
<p>Summer 2021</p>	<p>A three-week summer school session will be provided this summer. Programming will be 4 hours a day, five days a week. Breakfast and lunch will be provided.</p> <p>The session will run June 14-July 2nd. Transportation will be needed and provided for summer programming.</p> <p>Impact Academy will use Mastery Grading to determine what students are eligible and determine the summer session's growth. Ten to 15 students per grade level will be targeted. The session will run June 14-July 2nd. Four teachers will be needed.</p> <p>Campbell Elementary and Middle School will have a three-week summer intervention session for K-3 students and a three-week session for 4-6. Each grade level will target 10-12 students per grade. This program will begin June 14th until July 2nd.</p> <p>Success By Six, a program through a partnership with the United Way, will have two sites that 25-30 rising kindergarteners will participate in. This is a four week program. This will run from Monday- Thursday starting July 19th through August 12th.</p> <p>Campbell Memorial High School will host a three-week summer program. Seventh and eighth graders will attend. Ninth through twelfth graders will use Grad Point for credit recovery this summer.</p> <p>A Homework Monitor for students grades K-6 will provide 18 hours a week of free tutoring through August 31st in partnership with the Public Library of Youngstown and Mahoning County. This will take place at the Campbell Library inside the CLWCC.</p>	<p>United Way, ESSER, 21st Century Grant</p>
