

HOMWORK HELP AFTERSCHOOL PROGRAM

GRADES 5th – 8th

The Homework Help Program is a service for TSS families whose work schedules make childcare a major concern. Homework Help consists of both quiet study time, where students work on their homework, in addition to allotted time for them to talk amongst themselves, go outside and/or access Chromebooks, until they leave for the day. If you plan to enroll in any aspect of the Homework Help program, please complete the form below and return it to the Business Office as soon as possible.
