Maths

This week, we will be continuing our learning around time. We will be focusing on telling the time to the nearest half hour on an analogue clock. We will also be comparing time using words such as 'earlier' and 'later'.

English

This week, we will be continuing to read our focus text 'Pattan's Pumpkin'. We will be continuing to write our own versions of the story. This week, we will be writing the middle and ending of our stories.

Wider Curriculum

This week in our D&T lessons, we will be designing and making our own fruit and vegetable kebabs! We will be thinking about how to cut the fruit and vegetables and how to construct our kebabs.

Sounds Write

This week we will continue looking at the extended code.

We will continue to explore the /or/ sound and the different ways to spell the sound: or, aw, a, al, au, ar.

Please could you practise the following words based on our phonics this week. Look at the spellings with the 'or' sound (or, aw, a, al, au, ar).

short, claw, water, dwarf, cause, talk.

Can you think of other words with this sound?

Reading at Home

All pupils can access Bug Club at anytime. Bug Club is a website with online books to read. Go to <https://www.activelearnprimary.co.uk/>

Your child's username is the first four letters of their first name and the first four letters of their surname. All passwords are read123 . School code xcjr

To ensure that your child is making good progress with their reading, it is important that they can do more than just read the words in the book. Their comprehension of what is happening in their reading book is very important.

Here are some example questions below to try at home:

- What can you tell me about the story so far?
- What is your favourite part of the story? Why?
- What is the title of the book?
- Can you describe what happens at this part of the story?
