Dear Parents, Relatives and Friends,

One of the highlights last week was when Year 6 presented their first whole-school assembly. It was so great to see our maturing wonderful students stand up in front of the school with such confidence and also humour. They gave out certificates, performed a rap, celebrated birthdays and organised a song. Well done, all of you!

Staying with Year 6, please can parents remember that our Year 6 SATs talk is on Monday (tomorrow) in the school hall at 5.30pm. We encourage all our Year 6 parents to attend so you know what to expect during SATS week and how to support your children. It will last around 30 minutes. Thank you.

As you know, E-safety is one of our top priorities in school to help us all keep our children safe on line. Miss Aston—our E-Safety Subject Manager, is organising an E-Safety working group and she is looking for some parent volunteers to join the group. It is intended that the group meets just one afternoon a term on a Monday at 2.30pm. The group will include some staff members, parents and children. Please could interested parents contact Miss Williams or Mrs. Shippey in the school office. Thank you—this will most certainly help our children stay safe on line at school and at home.

I will be delivering further donations for the Ukrainian Disaster to the Polish Centre next weekend. They have requested tinned and dried food (rice, pasta, especially) and personal care items such as soaps, shampoos, deodorant, etc. (no clothes please). Please leave anything you wish to give in the school's reception area. Thank you so much for all donations already made.

We are a welcoming and nurturing school. Please let us know if you need support from anyone here or have something to share.

What Happened
to YOU?

Disability Awareness Assembly

Our key word in our assembly last Monday was 'EMPATHY'. We discussed that empathy means seeing a situation from someone else's point of view. We shared the book, "What Happened to You?", which demonstrated perfectly how the word 'empathy' applies when we know someone with a disability. The children were absolutely brilliant during the assembly when we had a meaningful discussion about how people with a disability might feel: we learnt that we need to include everyone in the same way. I was very proud of the children in our school on Monday. Jacky Sykes

THIS SCHOOL

HAS ANTI-BULLYING

AMBASSADORS

Meet our school's Anti-Bullying Ambassadors

Ten children from Year 4 and ten children from Year 5 completed their training this week to become Anti-Bullying Ambassadors. The training was led by Mrs. Paul—our Year 5 Teacher and PSHE-Subject Manager. The Anti-Bullying Ambassador's Programme is

Powered by The Diana Award

Antibullyingpro.com is a resource centre developed by The Diana Award, the charity behind a nationwide force of trained Anti-Bullying Ambassadors in UK schools who are tackling bullying behaviour online and offline.

The Diana Award's Anti-Bullying work is supported by HRH The Duke of Cambridge and engages young people, parents and adults to change the attitudes, behaviour and culture of bullying by building skills and confidence to address different situations. The Diana Award is a youth charity founded in memory of Diana, Princess of Wales, and her belief that young people have the power to change the world.

We are at the start of our journey with support from the Diana Award.

Our school is caring and safe. However, we are mindful that bullying does happen in every school, and we continue to support our children and strive to empower them to stand up to bullying and to know what to do if they are worried about bullying.

Updates on the work the Anti-Bullying Ambassadors carry out will be shared with you in our newsletter.

Safeguarding Request

Should the collection arrangements change for your child during the day, then please can you telephone the school office. Teachers are not able to check their Seesaw messages through the day because they are teaching, so messages should be given to Miss Williams or Mrs. Shippey in the office, please.

Thank you very much.

PE Uniform

Please can we remind children and parents that this is our PE uniform:

White T-Shirt and black shorts. If it is cold, then black or dark grey track suit trousers can be worn with a red school uniform jumper or fleece over the top.

I'm afraid that we do not permit branded or items with logos and pictures on our PE uniform.

Please help us to support all of our children in school by ensuring they look and feel equal.

Reception Class have sewn their own Bears as Wonderful Women's Day Gifts

Linked to their Three Bears story, the children in Reception Class have sewn their own bears as a gift for the Wonder Women in their lives.

They have sewn using needle and thread and stuck the eyes and mouth on themselves.

Well done, Reception Class—we know that your gifts will be treasured forever!

Our Wonder Women Gift Room raised an astonishing £ 400

Thank you to everyone who helped, donated, supported this year's gift room. We were so excited to bring this event back this year and help the children select the items they wanted for their female relations. The total raised is a combined total with Ladybirds who held their sale throughout the week.

We hope every one of the Wonder Women that receive a gift on Sunday know that it has been given to them after much care and thought went into the purchase.

Thank you to FoBIPS team members Jeunine, Katarina, Orlaith, Mel, Ada and Ed who helped prepare the event for the children, together with past members B and Zoe and helpers Madeline and Alice for their support with the sale on the day.

Also, thanks goes to our brilliant Year 6 students who helped on both days in so many ways. Your maturity and helpfulness was brilliant. Thank you.
