

**Shawnee Mission School District
RFP 22-017 – Elevator Maintenance Services
March 28, 2022
Addendum No. 2**

The following responses address questions submitted by a vendor on March 23, 2022; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. The RFP only shows THREE (3) units at Shawnee Mission West High School. Our understanding is that there were four (4) elevators, the fourth being “Media Elevator”. Should there be a total of four elevators listed at SMWHS?

There are three elevators at Shawnee Mission West High School – Bridge, West Academic, East Academic.

2. For Shawnee Mission North High School, your list has two (2) however again our understanding was that there was a third unit -- Equipment# 20263860 Passenger- Flexi-Lift; please advise.

There are three units at Shawnee North High School – Kitchen, Academic, West Wing chair lift.

3. The RFP list includes Westridge Middle School having two units on the list, the second one being- 20263914 Soccer Complex Chair Climber. It seems as though the District did not previously wish to have the elevator contractor servicing Chair Lifts. Is this unit NOW part of the district service package?

Yes; the District does want the chair lifts as part of the service package.
