### **Sixth Grade**

- **Marco Adame!** Marco went above and beyond helping me this week. He went out of his way to sharpen brand new pencils for me so everyone in my class would have one for our new music. Thank you Marco! ~K. Spoonemore
- **Julian Vazquez!** Julian is very helpful in band. When his friend was absent, he collected his new music and kept it, to give to him. He also helped me when I was organizing and passed out new music to the other students. I'm so glad to have students like Julian in my class. ~K. Spoonemore
