Pre-K and Kindergarten

- **Dayana Amaya!** (Pre-K) Dayana is an exceptional student. She is the student teacher in my class. She has awesome communication skills. I love to have Dayana as my bi-lingual aide in my classroom. She comes to school every day. She rarely is redirected. She is on task as much as I am. She keeps me on track at times. She is always giving her best effort in completing her work. She is a very loving and respectful person towards her teachers and peers. She always makes sure that her peers understand the assignment. She is polite and always says please and thank you. She is definitely a STAR in my pre-k classroom. ~S. Proctor
- **Alondra Rodriguez!** (Pre-K) Alondra has grown tremendously socially and emotionally in her Pre-K class. She is a hard-working student. She does well working with her peers and working independently. Alondra exceeds the expectations of an average Pre-K student. She has grown to be readily accepting to grasp new concepts and ideas that are presented daily. She is a great helper. ~S. Proctor
- **Liam Barrera!** (Pre-K) Liam is a student who has taken advantage of all the daily skills, which has allowed him to know how to read the frequent words of the grade since he recognizes them immediately and going further, he tries to write them recognizing the sounds. ~J. Hiriart
- **Genesis Vazquez-Sanchez!** (Kinder) Genesis is our Star Student because she is always willing to help others! She is very kind to everyone in our classroom and always includes others! Her kindness inspires our class! She also has been working very hard in class! I am so proud of Genesis! ~A. Honer

First Grade

- **Bianca Avila!** Bianca has become an excellent student as she is never left with doubts; she likes to clarify what she does not understand on a particular subject matter and then with the right knowledge she has become excellent in such areas. Because she has had any misunderstanding completely erased, allowing for a brilliant performance. A good student would not shy away from asking classmates or teachers to clarify hard questions, and Bianca applies these concepts when she requires them. ~B. Hiriart

Second Grade

Third Grade

- **Emanuel Lara!** Not only does this friend have the best handwriting in the class but also has great drawing abilities. I love when I get the chance, during science vocabulary, to see an artistic drawing that brings a whole new meaning to comprehension. I am also very proud of how much he has shown us his personality and feeling a part of our class. ~D. Koulianos
- **Angelly Raschell Perdomo Amaya!** This student has a determination to always grow not only academically but also in being a better person. She always amazes me with how brave she can be in admitting she needs help and being open to learning from anyone in the room. ~D. Koulianos
- **Franklin Leonel Acosta Estrada!** This student is always showing up every day with positive energy and always wanting to grow as a learner/thinker. I love his enthusiasm for collaborating during problem solving and finding a way to intrinsically motivate a curious learner within. ~D. Koulianos

Fourth Grade

- **Fernando Sotelo!** Fernando is an excellent student. He is self-motivated and always willing to learn new things. He helps the teacher all the time. Fernando I am so fortunate to have you in my class! ~V. Aquino
- **Ashley Cruz!** Ashley has been working so hard from the beginning that she is my Star Student. I am very proud of you Ashley, we will continue working together to improve and learn more every day. Keep working hard! ~V. Aquino

Fifth Grade

- **Lionel Mendoza!** Lionel tries his best on all his work. When he gets a question wrong, he doesn't give up. Lionel is a hard worker and never stops trying his best! ~I. Guerra
- **Ezequiel Nunez!** Ezequiel is always so helpful! He pushes himself to try his best and loves to challenge himself. ~I. Guerra
- **Erick Gallegos!** Erick is a very hardworking individual. He is willing to try anything and goes out of his way to get better. He is very honest and helpful student, as well. Good job Erick! ~M. Rowland
- **Melvin Albanes!** Melvin is not scared to ask questions. Anything he doesn't understand or doesn't know, he openly asks and does not hesitate to continue questioning. Asking questions, Melvin has increased his grade! Way to go Melvin! ~I. Guerra
