ACORD 25 Certificate of Liability Insurance - Beaufort.pdf

Good morning, Michael:

In response to your FOIA requests submitted on Feb. 17, please see the attached copies of the current Crime Policy, General/School Leaders Liability Policy, and General Liability Certificate of Insurance.

The District's Annual Comprehensive Finance Report and the Approved General Fund Budget book (p. 108) contain a schedule of outstanding general obligation bonds through June 30, 2021. A current listing may be found in the attached Beaufort County School District, Outstanding Debt Schedule. Below is a link to the latest approved Budget document: https://www.beaufortschools.net/common/pages/DisplayFile.aspx?itemId=26065994.

Title 8, Chapter 3, of the South Carolina Code of Laws, including Section 210 of Chapter 3, is applicable to officers and employees of the State government and its boards, bureaus, departments, commissions, and other instrumentalities, but is not applicable to school district officers or employees like district superintendents. Therefore, that Chapter and section of the law do not require that our District's officers or employees be bonded or that we have or maintain the related items of your request.

The Beaufort County School District (BCSD) is a member of the South Carolina School Boards Insurance Trust (SCSBIT). SCSBIT provides manuscript (i.e. custom) policies in South Carolina tailored to the unique needs of school districts. SCSBIT typically does not use forms from The Association for Cooperative Operations Research and Development (ACORD) in their policies because they are generic standardized forms.

Kind regards,
Candace
