Dec. 10, 2021

Dredan McDonald, Austin Arbuckle, and Ava Baribault-Elliott accompanied me to NCAL this week. We were asked to catalog a large amount of donated pet food which the students quickly completed along with cleaning and snow removal! We ended our trip with a visit with an adorable kitten named Victor who was on his way to a new home. Great job everyone!

Have a wonderful weekend!

Did you know that CES is one of the 11 finalists in the Frigo CheeseHead's Build a Bright Future contest for schools? Please vote for us EVERYDAY! Our 6th Grade Tech Ambassadors and our PTA created this video in support of new playground equipment. VOTE HERE:

And don't forget to share this information on social media and with friends and family.

In an effort to streamline communication with our nurse's office, our main office, and classroom teachers, we are asking families to report student absences to this [online form](#). You can always find a button to this form on our school website under the "Families Tab". Additionally, you can save this paper and use the QR code to link directly to the form. You can even "Add to Home Screen" on your smartphone to create a quick app. Thank you for your cooperation and partnership!* Open up your camera app and scan this QR code. A pop-up will appear at the top of your screen, press on it to have the CES Absentee Form appear.

Please join us and the Cambridge Fire and Rescue in collecting toys for the children at the University of Vermont Children's Hospital.

The Cambridge Fire and Rescue will be picking up all donations on Tuesday around 11:00. If families still have donations to send in we will be collecting them until the last truck leaves!

Thank you so much for all the support - it is pretty magical
