FROM 2016-17 BID

The Pulaski County Board of Education released a bid for services needed in the 2016-2017 school year.

It is the desire of PCBOE to secure the most qualified contractors for services most often needed in our school system. Vendors responded for each area of service. All vendors responding:

- agreed to the terms of the contract for services
- met all other requirements
- understand that this award in no way guarantees any business for their company, simply adds their company to a list of local vendors who we may contact to meet the needs of our local service needs

It is our recommendation to approve all responding vendors as our 2016-2017 Service Contract Vendors.
