SHAC Mission Statement:

The mission of the Kaufman ISD School Health Advisory Council (SHAC) is to provide recommendations and serve as an advisory committee to the KISD School Board for school health programs in the district that address Physical Education; Nutrition Education; Staff Wellness; Counseling and Mental Health Services; Health Services; Healthy and Safe School Environment; Health Education and Parent and Community Involvement. KISD SHAC "assists the district in ensuring that local community values are reflected in the district's health education instruction."
