Monday, March 21 - Friday, March 25, the Pulaski Co. School District celebrates the **Family Resource Youth Service Centers Appreciation Week**.

There is a FRC or YSC at every school in the district and the program started in KY in 1993. Attached with the newsletter is a flyer with program information about the programs and services that we at the FRC implement to our students, staff, parents and community. Please take some time to read about our center and get an understanding of the importance of completing the yearly meal benefits application and the Parent Needs Survey.
