In a blink of an eye, we have arrived at the last week of school in 2021. This school year has definitely been one for the books!! Almost just like last school year but with additional challenges and sometimes daily changes. Thankful that we could start the school year with our students back in the building and hopefully we will be able to do this the remainder of the school year.

This week has been one where we have had a great time preparing for our winter break. We were "treated" to a wonderful Christmas concert by our third, fourth and fifth grade choirs on Tuesday. A big Thank you to Mrs. Hill for her beautiful solo performance.

All parents got to enjoy their talent on Tuesday evening. The turn out was amazing and so parents; a big thank you for supporting our students, your children, in their endeavors!

With all the dressing up and treats on various days, we have enjoyed comradery and fellowship and at times some great laughs. We have also come together as a community to help those that lost everything during last Saturday's tornado's in Western KY and sponsoring children in our community with Christmas gifts, household necessities and cleaning supplies.

Congratulations to fourth grader **Gabriel Moats** for being the SES Spelling Bee winner. Gabriel will represent our school during the district spelling bee competition.

The vision for Southern Elementary students is that every student is proficient and prepared for success by becoming college and career ready.
