Our Annual Feud of Food “competition is still going on!! Currently, we have collected 809 cans. I am challenging every student and staff to bring (1) one can of food to school to help families in our county with food insecurities. We are collecting until November 16th!

In observance of Veterans Day, our fourth and fifth grade choirs performed a variety of patriotic songs. Veterans from American Legion Post 38 attended and spoke to the students about their service.

Parents, please remember that this school year the district is implementing the attendance policy. A child is allowed six (6) parent notes/ excused per year for sickness. These can be used at any time your child doesn't go to the doctor. When a child misses school due to illness or Dr. / Dentist appointments, make sure you send an excuse; parent note or Dr./ Dentist statement within five (5) days of returning to school. Students will be limited to ten (10) days for doctor's excuses for the school year. Notes turned in after five (5) days will not be accepted.

A child is considered tardy when he/ she gets to schools after 8:10 AM and leaves school before 3:05 PM. A student is considered a habitual truant when he/ she has more than six (6) un-excused events; tardies or full days. If your child will be out of school for more than five (5) schooldays days due to surgery/ hospitalization, you need to have your child put on homebound before the surgery. The forms to apply for homebound services can be picked up in the school office. While on homebound, your child will NOT be considered absent.

Mid term report cards will be coming home on Wednesday, November 17th.

Southern Elementary will be having a Covid Immunization Clinic on Monday November 22, 2021 from 4:00 PM - 6:00 PM. The Pfizer Vaccine will be offered to students that are in the 5 - 11 yr. age range.

If you are interested in this vaccine for your child, please contact the School Nurse at Southern Elementary @ 679 - 6940.

Parents will need to be present with their child, for them to receive the vaccine.
