The special presentation of **Zoodles** on Wednesday was an absolute success. Mr. Chris educated the students about a variety of animals and their natural habitat. After the program, the students had an opportunity to take pictures with several animals. Our students did a great job holding them and posing. The pictures will be returned to our school but this will be after Fall Break and they will be sent home with the students.

Information.....

Next **Thursday, September 30th**, will be our **Fall Festival**. Parents, you can purchase tickets for the activities during our pre-sale period. All tickets are 50 cents a piece, students can bring ticket money to their teacher and the tickets will be sent home with them. **The activities will start at 5 pm** so that our teachers will have time to set everything up after the school day.
